Dear Partners:

***"IF YOU WILL LIFT ME UP, I WILL DRAW ALL MEN TO ME. I WILL SAVE, HEAL AND DELIVER THOUSANDS OF PEOPLE UNDER YOUR MINISTRY. I WILL SUPPLY ALL YOUR NEEDS, IF YOU WILL OBEY ME."***

It was just a little over ten years ago that I finally decided to listen to God's voice calling me into His work. God started speaking those words you see written above to me when I was just a little boy, but I wouldn't listen. I was stubborn and determined to serve the devil. Then God almost let me die before I woke up and decided to heed His Call. Just ten years ago, He saved my soul and gave me a miracle healing. Praise God for that miracle, Praise God for calling me. Praise God for all His blessings.

A lot happened in these past ten years. Most of you probably know from reading my life story that I started out in this ministry with nothing but faith. God told me before I started out in my ministry to give away all my worldly belongings to the poor and that is just what I did. I didn't know what I was going to do but God did and He told me not to worry about it. Right after I had given away the last thing I owned, He gave me my first tent. It was ragged and full of holes, but to me it was the most beautiful sight in the whole world. God told me if I would heed His Calling, He would provide a way for me. I have tried my best to do just what God asked for the past ten years. God has more than lived up to His side of the bargain. I learned a long time ago that you can't outgive God. Amen!

I won't say that the past ten years have been easy. There have been a lot of heartaches and tears. There have also been joys and triumphs. I've had to learn to live without having my family with me in order to obey God's Calling. I have been blessed to see thousands of God's healing miracles and tens of thousands of souls led to Christ through this ministry. These were God's victories not mine. I take no credit at all. In all that has happened during this time, good or bad, I have always known one thing. God was with me then. God is with me today. God will be with me tomorrow.

God has told me that the next few years will be the greatest in the history of this ministry. This has also been prophesied by other men and women of God. God keeps His Promises. He always has and He always will.

I am happy to have people like you as part of this ministry. God has richly blessed me with some wonderful friends and partners. I want you to continue to pray for me and my ministry. I need your support. Remember, there is no way you can outgive God. I know from experience. God bless you.

# See God's Clock and "Covet Earnestly the Best Gifts"

## I Cor. 12:31

We're always thinking about time, it seems. We've got to know what time it is so we can get to the store before it closes or so we can turn on our favorite television program. But, time isn't the same everywhere, is it? Right now if all my partners are reading this at 12:00 noon, you are really reading it by 4 different clocks in 4 different time zones and sometimes during the year there's daylight savings time to mix us up more about what the right time is. Now, there's only one clock that's always right. That's God's clock. God has "a time to every purpose under heaven," ECC: 3:1, and His clock marks the time for all of us. Amen?

Some of you reading this may not be here to read many more of my messages to you. If you knew how God's clock was ticking off the hours of your life so fast, you would get right with God today. One of the great gifts He can give you is this word that you can prepare yourself and get right with Him. You have a mind to say "yes" or "no". You can decide to read the Bible or you can decide not to read the Bible. If you make the decision to search the Scriptures, you can find eternal life in them. Stop depending upon men for Salvation. Men can't help you. You better quit just sitting and listening. The Bible says we should learn about God. You'd better get your Bibles down and begin to read them and you'll find in the Scriptures that there are many great blessings that God has in store for each one of His people. **YOU MAY HAVE MISSED OUT ON THE GREATEST BLESSINGS OF YOUR LIFE BECAUSE YOU HAVE LISTENED TO SOME OLD, COLD, DEAD, DRIED-UP PREACHER THAT DIDN'T UNDERSTAND OR BELIEVE WHAT HE WAS SAYING. AMEN!**

Now, if you've been saved, you know it; you feel different. Other people know you're different and they ask you about it. Inside you have a burning expectant feeling until you can get to church again. If you don't feel Salvation, you might lose it and never know it!

There are so many of you that have claimed to have gifts. Now, Salvation is a GIFT. You claim to have God and His gifts within your life. But, you're full of fear. When it comes time to prove God is in your life, you're afraid; you have no faith. I've heard people say, "I'm a doubter, but I'm a Christian." Now, you can't be a doubter and a Christian at the same time, because if you have faith you don't have any fear or doubt, and if you have fear and doubt, you don't have any faith. "The righteous are as bold as a lion." PR. 28:1, it says in the Bible. In other words, tell it like it is, folks, and don't be afraid. It frightens *me* to think that some of you are afraid to prove God and His gifts and especially that some of you don't even care.

All of God's gifts are told in the Bible in I COR. 12. I want every one of you to read that part. The Bible says there, that "There are diversities of gifts, but the same Spirit; and there are differences of administration, but the same Lord; and there are diversities of operations, but it is the same God which worketh all in all." I COR. 12:4. When God gives you a gift, He gives you a gift to be utilized, not to lie dormant. You see, God has a purpose for each one of us in our lives and if you just get right with God, you will know what it is.

One of His gifts can be the gift of knowledge. This can give you the answers you seek. The gift of knowledge lets me tell people to stand to their feet and be able to tell them all about themselves. Jesus had the gift of knowledge. He had an answer for everyone who asked him a question, and He tells you and me to have an answer.

Another gift is the infilling of the Holy Ghost for believers in Christ. With this gift you can talk directly with God. People make me sick who say God speaks to them *sometimes* like He does me. Now He might do that; I don't doubt it. It is possible. But, God doesn't only speak to a person in seasons. I mean He'll answer you anytime, not just sometimes. The Bible also says we are to ask God when we need things and the Holy Ghost enables us to talk directly. Amen? You do not have to go through Leroy Jenkins or anyone else to talk to God. If you receive the infilling of the Holy Ghost, you get great power and strength. It can help you regain your health. The Holy Ghost also teaches you and guides you in the Lord's way. It's this gift of the outpouring of the Holy Spirit that was promised for all flesh in the Last Days and it's happening now for thousands of people.

Yet, the greatest of all His gifts is the gift of Faith, the "substance of things hoped for." HEB. 4:11. **WITH FAITH YOU CAN HAVE SALVATION. PRAISE GOD!** Some people take the Scriptures and twist them and try to make everyone think a person who repents of his sins and soon after happens to step out on the street and get killed, goes to Hell because he didn't get the Holy Ghost and speak in tongues and get baptized. **THAT IS A DIRTY LIE FROM ANYBODY'S PULPIT; I DON'T CARE WHOSE IT IS!** "He that believeth shall be saved." MARK 16:16. Now, 95% of the people who are in churches today, do not have the gift of Faith, and they wonder why things don't move for them. They wonder why they never could be healed or have anything good happen. You have just to *believe* to be saved.

Do you remember the thief on the cross next to Jesus? He was being crucified, too. He said that he deserved his punishment, but that he thought Jesus was innocent. He said to Jesus, "Remember me when Thou comest into Thy Kingdom." LUKE 23:42. Did Jesus say, "All right, but first hop down from that cross and go get baptized?" No, of course not. Jesus knew the man had faith and so He said, "Today shalt thou be with me in Paradise." LUKE 23:43.

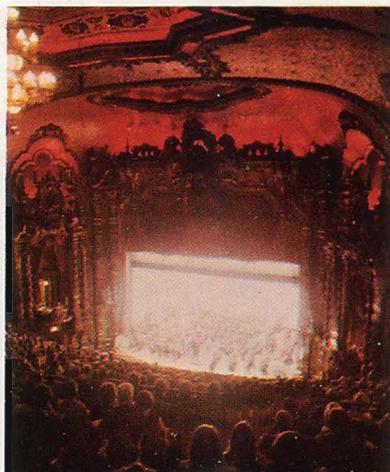

I was told after God had saved and healed me that I should go up and be baptized in Jesus' Name and come up speaking in tongues before ever I could say I was saved. I didn't believe that because I was saved before ever I had been baptized. In fact, I had already preached six or seven meetings when that preacher said I'd better get baptized, but I **KNEW** I was already saved! Praise God!

Faith in God can save you, too, and God can speak to you **TODAY THROUGH** the Bible. If you read the Bible there's no limit to the faith you can come to have in the Lord. Everyone can have the gift of Faith, and it gives you what you need. There is no limit to how far you can go in degrees with God. The Bible is the strangest, most peculiar thing I've ever read in my life. You can read the same page fifty times and

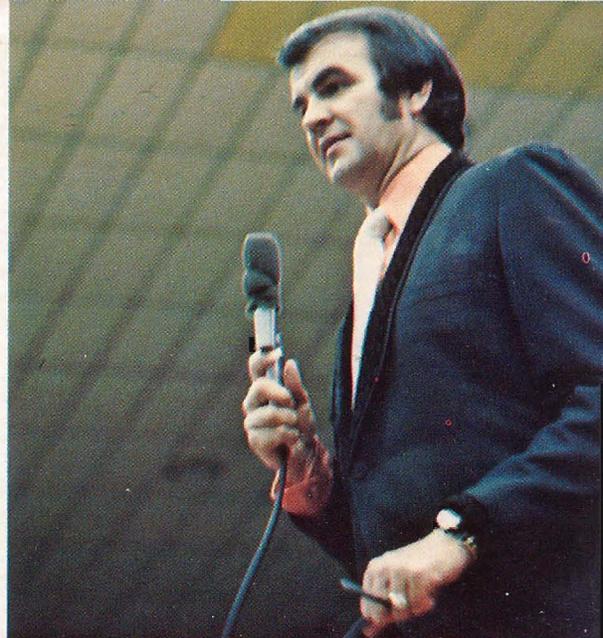

each time you read it, you get a different meaning, but basically the same thing, the same essence. There is no book ever written like that. If you don't believe it, read it. Some churches have picked out single verses to build their whole church doctrine on. You know, though, God's word begins with Genesis and goes all the way through Revelations. I didn't write the Bible, but I believe it all. You've got to read the full Gospel for the message that will bring you the Faith which will be your Salvation.

These are God's Gifts to you, but you have to decide you want them before the blessings He's promised are yours. I want you to look at God's clock now. See that it's marking time for you and know that pretty soon there "will be time no longer."  
REV. 10:16. GOD IS WAITING FOR YOU TO MAKE THE DECISION NOW TO CLAIM THE MANY BLESSINGS AND GIFTS HE HAS WAITING FOR YOU.

## I WAS BORN DEAF

During the Leroy Jenkins Crusade, Rev. Jenkins called me from the audience and told me that Jesus loves me. I am 18 years old and have been deaf all my life. I was born deaf. When Rev. Jenkins prayed for me, God opened my ears and I could hear him count from 1 to 21 without reading his lips. I know Jesus loves me because he healed me. Now I can hear. I can hear the lovely music being played in the Leroy Jenkins Crusade. I thank God and Rev. Jenkins very much.

## THE ANSWER

## UNDER DOCTORS' CARE FOR 5 YEARS

When my son Danny was only 5 years old, he had a coronary heart attack and he was also suffering from a double hernia. He had never been healthy and had been under doctors' care all of his life. The doctors said that he would have to stay in bed. I knew that if I could bring Danny to the Leroy Jenkins Crusade that he would receive a miracle healing. We traveled all the way from Sarnia, Canada to Dayton, Ohio so that we could be in Brother Jenkins Crusade. We were sitting in the first row and Brother Jenkins called Danny out and told everyone all about his condition. When he prayed, Danny was completely healed. God had rewarded my faith and I praise Him for it.

Mrs. Jim Cook, Canada.

## I WAS UNDER DOCTORS' CARE FOR 18 YEARS

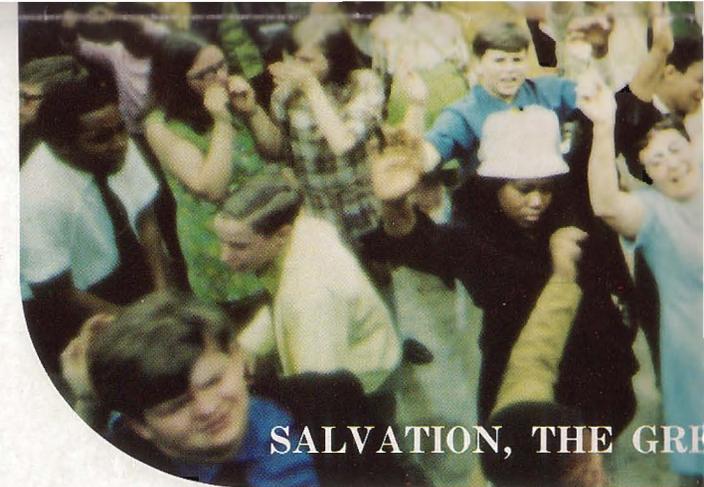

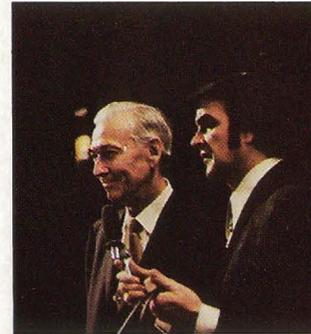

When I was young, I was hit on the head with a horse shoe. A few years later, I received another severe blow on my head. As a result of these blows, I suffered from brain damage and also some damage to my pituitary gland. I was under doctors' care for 18 years and they told me that there was nothing they

## MY WHOLE LIFE HAS CHANGED

I had a coronary heart condition, an opaque cornea and a hernia. I had been under doctors' care and had been under medication. I had 7 heart attacks and was rushed to the hospital several times. I always kept oxygen at home in case I couldn't breathe. I had been attending the Leroy Jenkins Crusade in Delaware, Ohio, for 2 weeks. On August 19, 1969, Reverend Jenkins came up to me and described my illnesses. He prayed for me and I was healed. I haven't taken a pill since and my heart is perfect. My doctor said a miracle was performed and he tells people about me and what God did for me. My wife now can sleep at night without fear of me not being able to breathe. I'll do anything that God wants me to do. I want to thank God for my healing. My whole life has changed.

SALVATION, THE GRE

Dear Reverend Jenkins:

Our son, Dennis, had had convulsions for a long time. The reason for this condition. They called it epilepsy, but it really was. On June 9, 1968 my wife and I went to the Crusade in Delaware, Ohio. Brother Jenkins called Dennis up to the stage by pinched nerves due to an extra bone in his neck. He could feel what felt like 2 "buttons" at the base of his neck. I prayed for him, the "buttons" were gone. 2½ years since, he has had no more convulsions. I thank Him for healing and we thank Him also for sending you.

## I EAT ANYTHING I WANT NOW

I suffered from cancer for over 3 years and was slowly losing my eyesight. I was very weak and had lost my appetite. I was losing weight. One night, Brother Jenkins called me from the audience and described my condition and prayed for me. God gave me a healing. I now have my strength back and have gained weight. I can eat anything I want. I thank God for what He has done for me.

## THE SEA'S SO WIDE AND MY BOAT IS SO SMALL!

My four year old son had gaucher's disease. It affects the spleen, liver and bone marrow. In later stages would involve easy fracture of the bones. David had to have his spleen removed in March of 1969 due to severe bruising, bleeding and not being able to heal properly. During the Leroy Jenkins Crusade, little David wanted me to get Reverend Jenkins to pray for him. I did. Reverend Jenkins came back and prayed for David. I took David back to the doctors' the next day. Doctors said there was no need for a blood check or x-rays. Little David's favorite prayer was, "Dear God, be good to me — the sea is so wide and my boat is so small." God was good to David and brought his small boat across the wide sea. I thank God for healing my son.

Dear Reverend Jenkins:

During the last Delaware Crusade, my friend was incapacitated and in constant pain from a tumor. She was scheduled for an operation. I knew God could heal her. Several nights later, I had still not been answered. I knew He would answer my prayer. I knew He would answer after the Crusade, my neighbor called me. She had been healed and completely healed. The first night I went to the Crusade. Now my friend and her husband have found new life.

## MY PAIN LEFT, I CAN MOVE MY HEAD

For several months I had been going to doctors and chiropractors because I had a pinched nerve in my neck. I was unable to move my head at all without hurting. I was in constant pain and had to take so many pills in order to sleep that I became nauseated and started losing weight. Brother Jenkins called me out of the audience and told me about my condition and when he prayed for me, I felt the pain go and I was able to move my head any way I wanted to immediately. I praise God for my miracle healing.

## I ATTENDED BECAUSE I WAS CURIOUS

I first attended the Leroy Jenkins Crusade because I was curious to what was going on. Two weeks before I attended the service, I had injured my arm by pulling the muscles and ligaments and the nerves were also damaged. I wasn't able to pick up a thing. The doctors put my arm in a sling and told me they would have to operate. Brother Jenkins called me out and told me exactly what had happened and he also told me that God was going to take care of it for me. When he prayed for me, I was able to move my arm any way I wanted to. I praise God for my healing.

## I COULD HARDLY SWALLOW

I had a severe sore throat for 7 or 8 days and it was getting so bad I could hardly swallow and my head, nose and chest were also inflamed. My nose had been bleeding quite badly for the last 3 days. We were almost ready to leave for the Crusade, Wednesday evening, when I started to hemorrhage from the nose and throat. I could not get it to stop so I had to go to the hospital emergency room. They tried to find the bleeding point so they could cauterize it, but they could not as it was somewhere between my nose and throat. They had to pack my nose. I was told to go home and keep very quiet and not to even bend over to tie my shoe or I would start bleeding again. I did not go home. We drove straight to the Akron Crusade. Rev. Jenkins called me out that night and told me what God had told him about my condition. Every word he said was true and I believed God with him and "Praise the Lord," I was healed that night. I did not have to take the antibiotics. My sore throat left and I did not hemorrhage again. We didn't miss a night of the Akron Crusade. The Lord has surely blessed us thru Rev. Jenkins Ministry. We know that Rev. Jenkins is a man of God and we intend to stand behind his ministry with our support and our prayers.

**I CAN SEE!!! EVERYTHING IS SO BEAUTIFUL**

I started having trouble with my eyes 5½ years ago. The doctors said I had a condition which was closing up the blood supply to my optic nerves. These nerves were slowly deteriorating. Finally, I became completely blind and the doctors said I would never see again. I attended the Leroy Jenkins Crusade in Dayton, Ohio, when Brother Jenkins called me out of the audience and told me exactly what was wrong with me. As he prayed for me, I could feel my sight returning. PRAISE GOD, I COULD SEE!!! EVERYTHING IS SO BEAUTIFUL NOW!

**MY LEG**

For years I had been suffering with a leg that was shorter than the other. I also suffered from a condition called Broderick's Disease. Brother Jenkins Crusade, he called me out of the audience and told me exactly what was wrong with my condition. He then asked me to go up on the stage and he showed me how short one of my legs was when compared to the other. He then prayed for me and he grasped my foot and started praying for it. After he finished it was as long as the other. Now I know the power of many of Brother Jenkins Crusades as I pray for my leg.

**HEADED FOR A WHEELCHAIR**

I was suffering from cancer and my bones were deteriorating. I was under doctors' care for 12 years. They told me that I would eventually be confined to a wheelchair for the rest of my life. They couldn't do anything to cure me but give me pills for the pain. I attended the Leroy Jenkins Crusade because I needed a miracle. Brother Jenkins called me from the audience and described my condition exactly. He then prayed for me and I was healed immediately. I could feel the wonderful Spirit of God in the congregation that day and I know that it was real. Praise God for His goodness.
