"WATCH THEREFORE: *FOR YE KNOW NOT WHAT HOUR YOUR LORD DOTH COME*"

MESSAGE BY LEROY JENKINS

During my recent Crusades in California, the question has been asked me many times, "Do you believe that California is going to fall into the Pacific as predicted?" or something pertaining to this event that is to take place. I answer this the only way I can, and that is in these last days, just as God's Word stresses in Matthew 24:7, Luke 21:11 and in Mark 13:8 there will be earthquakes in many different places. I just recently gave this same answer in front of television cameras for the Canadian Broadcasting Corporation. The thing that disturbs me is that everyone is worried about their physical or material well-being instead of their spiritual state of affairs. The question really isn't where is an earthquake going to take place or where is a war going to pop up next. The real question is, are we ready when the Lord comes for His bride?

God never sends judgement without previous warning. Read Matthew Chapters 24 and 25, Luke 21:5-36 and Mark Chapter 13. If these scriptures aren't warning enough to everyone who reads them, don't know what is. When you pick up the daily newspaper, turn on your television or radio, the news reporters and commentators repeat these words day after day. The Apostle Paul wrote to Timothy about the last days in 2 Timothy Chapter 3 and in the 4th Chapter gave explicit instructions to Timothy as to his obligation to the Lord and the people he was ministering to. I personally want to be able to say with Paul, "*I have fought a good fight, I have finished my course, I have kept the faith.*" He challenged Timothy to "*watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry.*" That's the reason I'm writing these words to you right now because I have a burning message within me and that is for everyone to seek God before it is too late!

In that very same chapter of Timothy (4), Paul warned that the time would come when "*They will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers having itching ears*". An evangelist, whom I admire very much, stated that we no longer have churches on our street corners but instead "social clubs". I've been reprimanded more than once by people who have misunderstood me because I do not belong to a particular denomination. There are some real fine

Dear Friend in Christ,
I want to thank everyone who has written in recent days for their encouraging words and prayerful support. If you are one of my "silent partners" who has been putting off writing to me, write today and both of us will be blessed by your efforts. You will notice on the back page of this issue my Crusade schedule through June 26th. The Lord has impressed me to cover as much of our nation as quickly as possible in 1969. This schedule will also include portions of our neighboring country of Canada.

During my daily devotions and prayer time I have become determined to go into areas that are hungry for a real spiritual revival. We cannot waste time or "spin our wheels" holding Crusades where people are disinterested in the move of God during these last days. I must praise the Lord that I am able to report since the beginning of this year we have had great success in each Crusade. I am allowing myself very little time between meetings, three or four days at the most, because there is such an urgency within me that much must be accomplished. I earnestly seek your prayers for the wisdom of God in knowing where I should be proclaiming His message of Truth each day. I also ask your help financially for this ministry as we go into these areas for a Crusade. Pray that the best job possible will be done to get the unsaved and unchurched to the meetings and that the necessary monies will be provided to accomplish this. I ask you to read 2 Corinthians 9:5-15 and then follow through on Paul's request just as the church did in his time. Please note, I'm not asking for contributions for an organization but direct help to win souls for eternity before it is too late. Do your part and write to me today, I'll be looking for your letter.

Your evangelist,

Leroy Jenkins

I had a calcified neck which was caused by rheumatic fever and arthritis. My illness left me with a stiff neck and I was unable to move it any way. Doctors said it could always be stiff and there was no cure for it. Brother Jenkins called me from the audience and asked me how long my neck had been the way it was. I told him twenty-eight years. He prayed for me and said, "There it went", I felt the presence of the Lord and a tingling sensation go through my body. I know God healed me because all my pain has left and I can move my neck freely.

PSALMS 103:2,3

I FELT AND SAW MY LEG GROW

As a baby of seven months old I ran a very high fever for a week, this left my right arm spastic and my leg shorter and thinner. I have had specialist care and physical therapy treatments for seventeen years, also built up shoes for my short leg. Doctors said I would out-grow some of my handicap as I grew older. I have prayed so hard for God to heal me ever since I was three years old. I learned to walk without my brace but my leg was still much shorter than the other. When Brother Jenkins prayed for me I felt something moving in my hip and my leg grew longer to meet the length of my other leg. I felt and saw my leg grow and I thank God for this wonderful miracle.

men in all denominations and faiths but I just felt that I couldn't do my best if I belonged to one. This disturbed me for a while until one day I was reading about our Lord in the 23rd Chapter of Matthew. He really gave the church and its leaders a tongue lashing and in the 24th chapter verse 1 *"Jesus went out and departed from the temple;"* never again to re-enter it or open His mouth in public teaching. Our Lord gave a vivid description of the church leaders in that day and it can fit pretty well today too! There are, as I said before, some men who are really doing a job but there are plenty who stand behind the Sacred Desk with a tremendous responsibility, vainly trying to profess something they themselves don't possess! I know after this message is read I'm going to lose some and win more, so as they say today, "I'm going to tell it like it is!" The Lord left the church and their leaders who had become twisted in their teaching and thinking to destruction.

What a warning to the church today. God forbid that the efforts of great church leaders down through the years should meet a fate like that.but it's coming to pass! God is giving ample warning and an opportunity for spiritual leaders as well as their people to "shape up" before it's too late. Jesus even left a condition for them to meet even then, if they would obey, in Matthew 23:39 *"For I say unto you, ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord."*

Do you get the picture? The time is short. Paul wrote to the Corinthian church (2 Cor. 6:2) *"Behold, now is the accepted time: behold, now is the day of salvation."* That scripture, although penned hundreds of years ago rings true today. It doesn't mean tomorrow, but right now! During my time in the ministry there have been hundreds who have weighed this question and made their decision, many right but some wrong. Dear reader, don't be like the governor

Felix who was trembling when he made his decision and said to Paul *"Go thy way for this time; when I have a convenient season, I will call for Thee."* Acts 24:25. Don't try to push this decision off by saying like King Agrippa to Paul, *"almost thou persuade me to be a Christian"*. (Acts 26:28) Weigh the facts, *"we have all sinned"* (Rom. 3:23) *"the wages of sin is death"* (Rom. 6:23) *the Bridegroom is coming for His bride,* (Matthew 25) Will you be the foolish one or the wise one? Make your decision now, bow your head, close your eyes and confess your sins to God, accept Christ as your personal Saviour and become His heir to life-ever-lasting. Put your life in His hands and discover the "haven of rest" that will protect you from here throughout eternity and give you perfect peace.

Father, I pray that the Holy Spirit will use these written words to convict, convince and convert each unsaved reader to a saving knowledge of Jesus Christ and use their lives to be a witness as one who has perfect peace and love in their hearts that the world cannot give or take away. I pray too, for the Christian readers that they will quicken their pace for Thee and become greater witnesses, realizing that the hour is at hand for our soon-coming King!

Amen.

Dear Reader,

Please let me know of any burdens that are on your heart, that we may pray for them together.
