think on

"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Philippians 4:8

SERMON BY LEROY JENKINS

Everybody, whether they want to or not, is always thinking. From the beginning of time, creation was thought of from the mind of God and then became reality. The moment we are born, thought processes are active. Our world today is in the mess it is in because of improper and misguided thinking. Look at our own state of affairs and life; wouldn't things have turned out a lot better if God-directed thinking and reasoning had been used? I'll confess that if I had used His way of thinking, I wouldn't have had to cope with some problems that attempted to tear my ministry apart. Satan does his best to keep us from meditating and thinking properly when it comes to God's Word. If we will discipline ourselves and think upon the words that Paul wrote to the church in Philippi, our spiritual life will be strengthened beyond measure. That word discipline has always given me trouble in my life, how about yours? Let's face it, if we want to be in the "army" of the Lord, we are going to have to be disciplined. . .not man's way, but God's way! Let's "think" about this verse and see what happens.

Whatsoever things are true

Wouldn't it be great to be in a world where everyone told the truth? We could pick up the newspaper and believe every word of it. We could turn on the television

and watch and listen to the leaders of the world telling the truth about all things. We could go to church and hear God's Word preached with nothing taken away or added to. In all facets of life where truth abounded, Satan wouldn't have a chance. That doesn't hold "true" however, so it has just about come to the place where we don't believe in much of anything. Satan has put too many "loopholes" in truth anymore, let's plug them up!

Whatsoever things are just

We hear a lot about Justice these days. Our Constitution and laws were written by individuals who loved God and asked His direction before writing down and agreeing to one phrase. Decades have passed since they have been written. Now we have atheists and agnostics pushing aside pleas from our God-fearing statesmen and tearing the laws of the land assunder to please their own "thinking" instead of God's. They claim all men should be free and I agree with that wholeheartedly, but Satan has blinded them of the fact that with freedom comes responsibility. That's one word these "freedom-lovers" don't like because it requires discipline and they don't want any part of that. See how our world around us is tearing apart? I'm presenting the facts of where we stand today, and it isn't a healthy position.

n these things

Whatsoever things are pure

The advertising, news and entertainment fields today, unwittingly make impure thoughts reign in the minds of the people. Sex, immorality and unnaturalness get top billing, without even a kind word to purity of heart and life. This has been a festering sore for years and recently it has come to a head, spreading its vicious poison throughout the families of the world. Everyone has been touched by these impurities, but praise the Lord it can be cleansed by the blood of the Lamb!

Whatsoever things are lovely

I could be accused of picking on the newspapers, television and radio, but these are the main vehicles that are being used to cause us to think improperly. Pictures on television and in the newspapers seem to devote themselves to the atrocities of life, murder, rape, robberies; anything "sin"sational and sensual is placed before our eyes to peruse and think about. Let us individually cause the public to think about and see the beauty of Jesus in our lives daily.

Whatsoever things are of good report

I heard about a preacher friend of mine who has quite a sermon entitled, "Buzzards". He tells about these people who are always looking for the "rotten" tid bits to munch on. The tragic thing was that he was emphacizing the fact that these "Buzzards" were usually the so-called "Saints". Whatever happened to that expression "if you can't say something nice about a person, don't say anything"? Frankly, if we take time out and "think", we can find very easily a "good report".

If there be any virtue

That word "virtue" has just about gone down the drain. From Junior High School and through college, there is no thought of virtue and if there is an inkling of it, it is ridiculed. Parents, think about this and then do something about it. This is your responsibility, not the teacher, counselor or professor; then you are "free" to admonish your child if disobedience has prevailed.

If there be any praise

It used to be when you'd ask someone how they were, the answer would always be "just fine", now the normal answer is "lousy", followed by other gripes and groans. It's the same thing when we go to church; we hear nothing but prayer requests and sad reports on how we are being oppressed, depressed and compressed! David said, "I will bless the Lord at all times: His praise shall continually be in my mouth." Psalm 34:1. David was in trouble when he spoke these words, but he had the secret to success; praising God continually.

The verse is completed and now I trust that you are "thinking" about what to do about it. The solution is tough but simple, obey the instructions of the verse and you will become a strengthened, victorious Christian that will be aware when Satan tries to inject his thoughts instead of God's. Then you will be able to say with Paul in the same chapter of Phillippians, "I can do all things through Christ which strengtheneth me." Let us "think on these things" and together we will be used in a greater measure in His service.

Father, may your Holy Spirit use this message as an instrument to touch the receptive hearts of your people, to caution, strengthen and bless them richly. In Jesus' Name I pray. Amen.

PRAYER TIME

I KNEW GOD WOULD HEAL ME

BEFORE

AFTER THE PRAYER OF FAITH

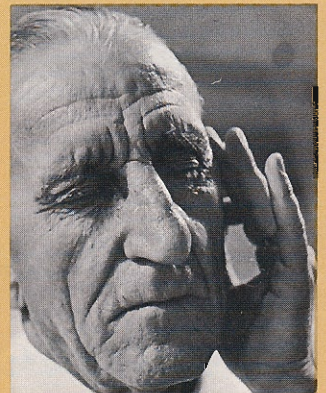

I was sitting in the services in much pain because I was unable to sit very long. I held myself in a manner from habit to conceal my crooked back and the shortness of my one side. I knew God could heal me some day and I was overjoyed when He used Rev. Jenkins as the instrument. I was born with this affliction and now I have neither the pain or the affliction. I praise the Lord for Rev. Jenkins' ministry.

WHAT I HAVE RECEIVEDI WANT TO PASS ON TO OTHERS!

The night I came to the service, a man called at my home wanting to sell me a hearing aid. I decided to wait and attended the services that night. Brother Jenkins called me from the audience, prayed for me, and I was healed. What I have received from these meetings, I want to pass on to others. Besides being hard of hearing, I was a diabetic and an alcoholic but now I am completely healed.

Dear Friend in Christ,

How do you like our new magazine look? We have changed the format and decreased the size in order to get back on our monthly publication schedule.

Many people have come up to me during our Crusades and told me that they didn't care if it was one page, just as long as they heard from me and knew where I was. I trust you will enjoy and be blessed by this publication.

Your faithful, prayerful support is deeply appreciated. The year 1968 is quickly coming to a close. Much has been accomplished but there is still a great job to be done. I covet your prayers for His strength and guidance during these last days.

Please write to me and share your burdens with me, I'll be looking for your letter real soon.

Your Evangelist,

Leroy Jenkins
