# TESTIMONIALS

## TESTIMONIALS FROM PEOPLE JUST LIKE YOU

My name is Larry E. Cain, Sr. God has blessed me tremendously. Just 6 months ago I was having a lot of financial problems. I had to file Chapter 13 bankruptcy. I had to move from my house of 15 years I had no work.

All the time I was going through a lot of these things, I was receiving letters of encouragement from you, Rev Jenkins. I know it was God revealing things about me to you, because I have never met you before in my life.

Since we have been corresponding, God has restored everything the devil took from me, as you said He would. I have been blessed with a \$450,000 home, bigger and better than the one I had. My business is flourishing. Only God could have pulled me from what I just came through.

Thank God for your encouragement, and your prayers. I pray that God will bless your ministry.

Larry E. Cain Sr. NJ

On August 20-22 I attended the Leroy Jenkins crusade in Charlotte. I was very anxious to see Rev. Jenkins in person. Little did I know how it would change my life.

One week before the crusade, I was robbed at gunpoint. The experience left me bitter, revengeful, and with very little faith there was much good in life.

At the crusade I witnessed miracles, both physical and spiritual. Rev. Jenkins prayed for everyone, and I felt God's presence. Suddenly I was healed from the feelings of bitterness and anger and these were replaced by forgiveness and thankfulness. I knew that God had blessed me and healed me.

God bless you, Rev Jenkins, and thank you for helping to change my life.

## OVERNIGHT MIRACLE IN CHARLOTTE....

**REV:** Have we ever spoken to each other?

**ELLIE:** No sir.

**REV:** Has anyone come to you and asked you any questions?

**ELLIE:** No sir.

**REV:** Usher, hand me some water. Mam, drink this blessed water. If you believe what the doctors say, you are going to die. Is that right?"

**ELLIE:** Yes.

**REV:** But you came to this crusade tonight because you believe what I am doing. I see things that the doctors cannot see. God can focus on the entire body. I want to take your hand and put it right there. Is that where the cancer is?

**ELLIE:** Yes.

**REV:** Is that where it is, sir?

**HUSBAND:** Yes, it is.

**REV:** Father, I curse this thing to dry up and go, in the name of Jesus. Amen . Praise the Lord, it is done.

**ELLIE:** Ooooooh, Praise the Lord. I just feel so good, I feel so good. Thank God for what He has done.

"I drank the Miracle Water Rev. Jenkins gave me...Now the cancer is gone!" God is confirming this ministry with miracle healings such as this beautiful testimony from a husband and wife. Dr. Ross Collette is interviewing them the next day.

**QUESTION:** Rev Jenkins prayed for you last night and gave you Miracle Water to drink?

**ELLIE:** Yes, he did. I was diagnosed with breast cancer. I had surgery and they removed three tumors. But I have been so sick. I couldn't sleep in a bed.

**QUESTION:** You had to sit up? You could not go to bed?

**ELLIE:** No. I would try to sleep in my bed, but my husband would get up at 3 o'clock and find me sleeping on the recliner.

But not last night. Last night after I drank the water Rev Jenkins gave me, I went to bed and I didn't wake up until 9 this morning. I mean, I slept like a baby, and didn't even want to get up. I have no pain at all, it just feels so good. I'm healed completely.

**QUESTION:** Were you in pain last night when you were in the service?

**ELLIE:** Oh yes. Oh yes. God did a miracle and I could suddenly move my arm! I couldn't do that because every time I moved my arm it hurt so bad. I couldn't walk straight. Now I can move my arm and walk straight, and I just have to give the Glory to God

**QUESTION TO ELLIE'S HUSBAND:** You're happy to have your wife restored to you?

**Answer** Yes sir. Praise God.

Three days later Ellie went back to her doctor and he wrote on her chart these words: "MIRACULOUS RECOVERY."

# Crusade REPORT

## Charlotte, NC

Miracles abound at the Leroy Jenkins Charlotte, N.C. crusade. Bible days are here again as the Charlotte Convention Center filled with more than three thousand believers looking for the miraculous in the ministry of Reverend Leroy Jenkins. They came to see the miracles they had seen on television. No one was disappointed; the power of God was present to heal and to bless.

The power of God began to fall upon worshippers as Rev Jenkins entered the auditorium. Everyone sensed something wonderful from the Lord was about to happen.

"If there is anyone here who does not believe my Gift from God is real, you can walk up here right now and I will show you what God will do." A family from China who had never been in a service like this before, came up and stood before Rev. Jenkins.

"Have I ever talked to you before? Has anyone here asked you anything about yourself?" asked the Reverend. The family said "no." "Then how would I know about the scar on your left leg," he asked the father. "How would I know about the tumor in your wife's stomach. You came here for healing and God is going to heal you both."

The father said, "God must have told you, for that is the truth." They began to weep as they were astounded by the revelation God had given the Reverend. They returned every service, sitting in the front row all the time.

As Reverend Jenkins ministered through the Gifts of the Spirit, canes and crutches were thrown aside. Wheel chairs were emptied and deserted. One man ready for hip replacement surgery threw down his crutches and ran around the hall. "I'm too old to run like this, but I'm not even out of breath and I have no pain."

At the end of the service, the Reverend called for people to come forth to accept Jesus as their personal savior, and he laid hands on all who came for prayer. Many had come a long way to be at the crusade, and one lady who had taken a bus from Pittsburgh said, "I wouldn't have missed this for anything in the world. I'm just that happy."

A family from China came as skeptics left believing

# WHY YOU DIDN'T GET YOUR MIRACLE

By Evangelist Leroy Jenkins

**"Heal me Lord, for my body is in agony." Psalm 6:2**

**G**od is sincere in His desire to bless you, heal you and give you ability and power to prosper in a happy life and home. All believers know that!

Why are there so many sermons explaining why you were not healed when some faith preacher prayed for you? If they can't heal you they have to make an excuse. If you listen to this sort of sermon that they call "faith teaching", you find out the "faith healer" or the "faith teacher" is in reality blaming you for not being healed I've heard them say, "I'm the man of God. I have great faith. If you didn't get healed, its because you didn't have enough faith!" Their answer is "there's something wrong with you not me." That's not really an answer because if something was not wrong, why would you be there for prayer in the first place.

Dear Child of God, if you had enough faith to get up, fix up, get out of you house, travel to a healing revival listen to an hour of songs and another hour of boring sermon, enduring their message in order to get a touch from God, I would say your have enough faith to get everything God has.

Jesus did not tell His disciples to go into all the world and heal the ones who had faith. He didn't say cast out the devils from all the believers you can find. Jesus did not tell the disciples to cleanse only the lepers who had faith to be healed. If they had faith to be healed, why would they need the prayer of faith by the faith minister?

Jesus taught, "Heal the sick! Cleanse the lepers! Raise the dead! Cast out devils! Freely ye have received, freely give." St Matthew 10:8 The ministry Jesus has called me to is the miraculous. I freely received what I now freely give. When the Lord healed my arm that had been nearly cut off by a broken window, I knew nothing about having faith! I knew I was in trouble! I was dying and my soul was in agony! I didn't have time to go buy and faith book or put a cassette tape in a machine and study with my Bible. I had to have a miracle and Jesus stepped in right on time.

I didn't need a sermon on faith. I needed a miracle from God. When a man is drowning, you don't throw him a book on how to swim. Pull him out of the water! I learned how to heal the sick before I learned how to preach on faith. I was being used in the Gifts of the Spirit, calling people out and ministering a prophetic Word from God, before I had a sermon about it. In our crusades, I am still ministering and demonstrating the power of God more then I am trying to tell people why they didn't get an answer to their prayers.

In the meetings I challenge the unbelievers... Not the believers. I say to them, "If you don't believe this Gift of God is real, just get up out of you seat and come on down here. I'll tell you something!" In every service, people who don't believe walk down the aisle and try my out! Now if you had to have faith to get healed in my meetings, why does God heal the unbelievers who come down to try and prove I'm not real? Yes, I know, every once in a while, a believer sneaks in so I can bless them also!

There is a real prophet anointing! It is operating in my ministry and we are proving Gods power in every crusade! We prove it by healing the sick, casting out devils and setting at liberty those held captive! God has called me to demonstrate God's power with signs, wonders and miracles! Today, in my crusades, I say much like the prophet of old, "send them over here, I'll show you there is still a PROPHET OF GOD in the land." (2 Kings 5:8) Make sure you read the testimonies in this magazine. It is no secret what God can do, what He's done for others. He will do for you. Come and see what God is doing! Come expecting a miracle in your own life! Bring your sick and needy friends. Prove God! Try God! You'll stop thinking about why prayers are not answered! You will start singing, "I got just what I wanted from the Lord!"

"It's True! People just like you from every corner of America are feeling better, living longer... and at the same time are adding to their income."

Dear Friend,

The human body is the marvel of the ages! God designed you to live for hundreds of years, not a handful of days. More and more we are discovering that what you put into this body, makes a difference! We have seen twins with identical bodies... one will be healthy, the other sickly. The only difference was the one twin knew the value of products that would produce a healthy life style.

Over weight? Diabetes? Chronic headaches?

Shingles? Poor circulation? Toothache? Indigestion?

Gout? Fibromyalgia? Psoriasis? High or Low Blood pressure? Can one product help so many problems? The answer is a simple "Yes!" And the wonderful thing is you can make a fortune by sharing it with your friends.

The juice from the Mangosteen fruit is God's gift to a healthier, fuller and happier life. Just read these testimonials of real people who have discovered one of nature's best kept secrets.

Roger S. from Xenia, Ohio had suffered severe lower back pain for years and had been unable to sleep at night. After less than one week, he had more flexibility, breathing problems have disappeared, he has more energy, and after only nine weeks, a loss of ten pounds. Roger is thrilled. Wouldn't you be?

Ray R., writes "After eating, my blood sugar was often around 331 and I found after a short time on Mangosteen that it would stabilize at 159. I drank one ounce fifteen minutes before each meal. My acid reflux is gone, I have lost five pounds and my energy level is much better. Because of this juice, my circulation is improved and I have feeling back in my feet!"

Do you, or a loved one suffer from headaches? Gerry S., writes, "I have suffered with agonizing headaches 2-3 times a week for three months. It was getting worse. I have been on Mangosteen a short time and the headaches stopped after ten days. No more problem with diverticulitis or hiatal hernia. My back pains are gone, my skin has improved and I sleep all night!"

The Mangosteen juice you will receive is delicious! All 100% natural with no additives. It is non narcotic. By all accounts it is a miracle of nature!

Are you tired of the cycle of medications? Take one pill, then you have to take another. Drug companies, drug stores and doctors are among the richest people in the entire world. Like the woman in the Bible, "She suffered many things at the hands of many physicians and spent all that she had, yet grew worse." Mark 5:26 There are other ways to be helped. God's ways, natural ways.

And now, here is the extra added benefit, not only can you help yourself, but you can also help your friends. Mangosteen juice is an exclusive product of a natural, non-drug company (Xango, Inc.) that offers this wonder product to you and everyone you sign under you.

Dennis J... from Scottsdale, Arizona says, "I signed up to please my brother who was very active in distributing Mangosteen juice. I don't know how, but I have received more than \$2,000 in checks to my door already. My brother is earning tens of thousands right now. Not only am I healthier than I've ever been, but I'm earning more than a supplemental income in just four months."

And here is Sharon's story, "In 2000 my father was diagnosed with pancreatic cancer. We pulled ourselves together after we heard that he only had six to twelve months to live, and started seeking a remedy. In August of this year, a good friend told us about "XANGO" a health supplement that strengthens the immune system and has had phenomenal results in helping people recover. Dad was not eating, just sitting in a recliner, enduring the pain, just biding time. We ordered a case of Xango. At that point we would try anything, we had nothing to lose. In three weeks after he began using the Mangosteen juice, he was up with the family for Labor Day, camping the way he used to. He was active, eating well, indulging in a game of Horseshoe. At his next scheduled appointment with the doctor, we got the results of his CAT-scan. The doctor told him there was no sign of a tumor! His blood-work was back to normal. He's off all medication. Xango was the only thing different during this remarkable recovery. We are grateful we have been blessed with such a phenomenal product. We owe our father's recovery to Xango."

Well, what have you got to lose? There are hundreds of thousands of personal testimonials just like these. You owe it to yourself to avail yourself of this opportunity to feel better and earn money at the same time.

Fill out the coupon and order a case of four bottles just to try it, or sign on now with your credit card and become a money making member of the Xango family. Or, if you prefer, a representative will bring a sample right to your door to let you taste and experience this marvelous product that God has given us.

Your friends will wonder what has come over you. This product will sell itself. But you must give it an opportunity

"The Prayer Line that works"

## And break the chains that bind 614-322-2005

A few years ago DR. mustric was diagnosed with prostate cancer, and decided to go to the James Cancer Clinic at Ohio State University.

When Dr. James reviewed his test results, Rev Jenkins accompanied Dr. Mustric to the Clinic. He was told that his PSA level was too high, and he advised Dr. Mustric to have surgery to remove his prostate. He also said this kind of surgery was not very effective, with Dr. Mustrics' level of cancer cells, and there was only a fifty percent chance it would work.

With those kind of odds, Rev Jenkins and Dr. Mustric told the doctor they would have to think about surgery.

During the church service the very next Sunday, Rev. Jenkins prayed over a gallon of Miracle Water or Anointed water, gave it to Dr. Mustric and told him to take it home & drink the whole bottle.

After he drank the blessed water he went back to the doctor for more tests which revealed that there was no cancer present. Since then Dr. James has died and Dr. Mustric 94 years young, is an inspiration to us all, and is living proof that Prayer works and Jesus Christ never fails.

He and his wife Helen became a part of this Ministry in the '60's they continue to be strong Prayer Warriors, bringing people to church or joining us on the prayer line when friends or relatives have a need.

## Does God Heal Animals?

"Again I tell you, if two of you on earth agree about whatever they may ask, it will come to pass and be done for them by My Father in heaven." St. Matthew 18:19 (Amp)

There is no telling what God can do for you if you only believe. Every day, prayer requests come to Rev. Jenkins prayer ministry asking that God would heal a favorite pet. Many have said this is frivolous and beneath God's attention or just a waste of God's precious time.

He feeds the little birds...Luke 12:24

The story of Noah and the great flood (Genesis 6:19,20) describes how God specifically wanted to save every animal species, even the "creeping" things upon the earth.

Every animal on the face of the earth is also included in the great covenant God made with Noah and all of mankind. "I establish my covenant with you, your seed after you, and with every living creature that is with you, of the fowl, of the cattle, and of every beast of the earth with you; from all that go out of the ark, to every beast of the earth." Genesis 9:9-12 God repeated the covenant included animals in verses 12, 15, 16, 17 of that same chapter.

God even promises to bless your beasts, your cattle and the young of your flocks (Deut. 28:4) To many, this means God will specifically bless the animals you have, especially if you have affection for them or care for them.

There will be animals in heaven because the wolf will lay down with the lamb. (Isaiah 65:25) So, go ahead and bless your pets and farm animals. Why not? God loves them too.

**Bobby with bleeding tumor on face**

**Bobby after being healed by Miracle water**

I want to thank you for your ministry. You helped me attain faith. I was a skeptic for many years, but I came to your services with my parents. One time, you told my dad some things that nobody else knew about. Then, I believed that God did talk to you. At the age of 24, I was diagnosed with a nerve disease. It made me feel like I was being burned all over inside of my body. I also had some injuries from a car accident. Those injuries made the nerve disease hurt worse I was in terrible pain for 3 years. Then, at a crusade in Greensboro, you gave me a little bottle of water to drink. As I swallowed the water, all my pain vanished instantly! You told me that my faith healed me and that pain would never be there again.

In two years, since I was healed I have lost over 100 pounds. And, the pain is still gone. You are the REAL DEAL. God has marvelously gifted you. My life is changed forever.

And I would also like to share a miracle testimony from October 2003. After returning from our morning walk, I found that my dog Bobby was bleeding from the right side of his face. Bobby was very active, so I thought he'd scratched his face on a tree limb, while playing outside. I cleaned the wound and noticed that there was a lump near the corner of his mouth. Doctors determined that it was a tumor. They took samples of the mass, and informed me that it might have to be removed. The tumor grew quickly and bled a lot. In just one week, I noticed a rapid decline in Bobby's health. He stopped eating and playing. My playful companion would lie around sleeping all day. Deeply concerned I called your prayer line about Bobby. Then, I took a small bottle of miracle water and poured half of it in my hand. While Bobby was sleeping, I cupped my hand over the bloody tumor and prayed for him. I thought I felt it shrinking, so I looked at it and touched it. The tumor dried up before my eyes and it never bled again. All the glory to God, for these miraculous healing and thank you so much for your prayers.

Robi Charlotte, NC

In 2001, I suddenly incurred a severe back problem. I went to the doctor a few times and was given x-rays. After reviewing my x-rays, the doctor said that I must have a high tolerance for pain and that she needed to refer me to another doctor for treatment. I could sit for only short periods of time. Whenever I drove some where, the pain was so excruciating that I had to immediately get out of the car and stand up.

One day, my cousin asked me to take her to your Greensboro Crusade. I asked her if we could wait until the next time you came to Greensboro, because it was pouring down rain. I don't see well, when it rains. And I was in so much pain. I hated to think about driving there from Charlotte. But I drove to your service that morning.

After the long ride there, I was unable to get out of the car. I asked a parking lot attendant to please pull me out of the car. I sat thru the service on a pillow, squirming most of the time. At the end of the service, you prayed for everybody in a prayer line.

On the way home, I noticed that I was not fidgeting in my seat. We stopped by Sonny's Barbecue, when we returned to Charlotte. I got out of the car and there was no more pain! I was so happy. I have been pain free since then. Hallelujah! I am so happy that I went to your crusade!

Gloria Funderburke Charlotte, NC

What a blessing you are to us.

Sorry I haven't written to you long ago to tell you how many ways we use your miracle water. We get great results and just take for granted that you know that it has answered our problems. No problem is to little or to big for this miracle water. I want you to know what I did with your miracle water. I had lost most of my hair and prescription medicine didn't help it grow.

I put some miracle water on my head and it grew back so fast and so long that everyone that knows me is telling me how long my hair is. I am very happy. Thanks again and again. Over the past 35 years, our family has received many miracles, blessings, and healings.

At your August 2003 Healing Service, in Charlotte, I was healed of Colon Cancer. That was a true miracle. I will always support your ministry so that I can help other people hear what God is doing through you.

Dorothy Brisbane Charlotte, NC

Thank you for praying for my husband and the miracle water. I gave my husband a bottle of it, he drank it and now he has a new heart. God gave him a new heart. He went back to see his heart doctor and Dr. Parsons did not believe it. He said, Mr. Bass, you have a new heart. Thank you so much for your prayers. We love you and your ministry.
