*... for the Glory of
the Lord had filled the
House of the Lord!*

CATHEDRAL

They Shall Hear of Thy Great Name, and Thy Strong Hand, and Thy Stretched Out Arm.

“**I** have surely built Thee a house to dwell in! Blessed be the Lord God, which spake with His mouth, and hath with His hand fulfilled it!”

And Solomon stood before the altar of the Lord in the presence of all the congregation, and spread forth his hands toward Heaven: and he said, “Lord God, there is no God like Thee, in Heaven above, or on earth beneath, who keepest covenant and mercy with Thy servants that walk before Thee with all their heart:

“Hearken to the prayer, which Thy servant prayeth before Thee today: that Thine eyes may be open toward this house night and day, even toward the place of which Thou hast said, ‘My Name shall be there.’ And hearken Thou to the supplication of Thy servant and of Thy people when they shall pray toward this place: and hear Thou in Heaven. And when Thou hearest, forgive.

“Moreover concerning a stranger, that is not of Thy people, but cometh out of a far country for Thy Name’s sake; (*for they shall hear of Thy great Name, and of Thy strong hand, and of Thy stretched out arm;*) when he shall

come and pray toward this house; hear Thou in Heaven Thy dwelling place and do according to all that the stranger calleth to Thee for; that all people of the earth may know Thy Name, to fear Thee, as do Thy people, and that they may know that this house, which I have builded, is called by Thy Name.

“If Thy people sin against Thee, (for there is no man that sinneth not,) and make supplication unto Thee, and pray unto Thee toward their land, which Thou hast chosen, and the house which I have built for Thy Name: then hear Thou their prayer and their supplication, and maintain their cause, and forgive Thy people and give them compassion: for they be Thy people. For Thou didst separate them from among all the people to be Thine inheritance.”

“The Lord our God be with us, let Him not leave us, nor forsake us: that He may incline our hearts unto Him, to walk in all His ways, to keep His commandments, and His statutes, and His judgments.”

And it came to pass, that the cloud filled the house of the Lord, so that the priests could not stand to minister because of the cloud: for the Glory of the Lord has filled the house of the Lord!!

The scripture above, taken from Solomon’s prayer of dedication in the temple he built (1 Kings 8), reminds me of the building of the Holy Hill Cathedral in Delaware. The first service there was so beautiful – as if God had put his personal approval of His cloud of glory on the service.

Then we began receiving letters telling that the writer was just sitting and thinking about me, about my ministry or about the church; when the Lord touched them and healed them or blessed their soul. And I thought, God has fulfilled more of the Scriptures for me!

God has also sent strangers to His house here, because of the news they heard of His great Name, His strong

hand, and His stretched out arm! Television has been the biggest single medium to put the works of the Lord before people. And people keep pouring in from all over the country and from foreign countries, too.

Often I have an altar call just for the Christian who needs to get right with God again – those of us who have been chosen to worship in Holy Hill Cathedral as members and workers. And we leave rejoicing again to know that God is a God of compassion who will forgive “Christians,” as well as “sinners,” that they might have joy and peace and comfort and love.

My only New Year’s resolution is to try to be more worthy of His love.

UPON THIS ROCK I BUILD MY CHURCH

In 1974 when I was told that the Ohio Theatre would be closed for remodeling, I tried to find a place big enough to accommodate the people who come to my services. But no place was right for us for one reason or another.

I didn't stay disappointed long. I told my people that I would build them a church in my backyard. They were really excited about the idea!

People who didn't know me smiled smugly and said, "You'll never have it done by the end of August when you have to leave the Ohio Theatre."

But they didn't know how determined I can get when someone says it can't be done! And they didn't know the faithful crew of hard-working young people who were about to help me get it done. And they hadn't been listening when I preached about the faith I have in God; how God will meet needs at just the right time and how He blesses the efforts of a determined and obedient people.

Many nights I kept on working and didn't go to bed at all. My working crew was mostly inexperienced volunteers; many of them were teenaged girls. It really kept me alert to oversee their work and to teach them new skills as the church took shape. They are a great group and they are *still* working with me! They worked with hot tar, wet concrete, sticky glue and glitter, heavy steel girders, and with equipment that ranged from paint brushes, hammers and nails to compressors, tractors and cranes.

Saturdays you could find my hundred-member choir equipped with rakes and shovels digging footers, or landscaping, or filling in my beautiful backyard swimming pool with crushed stone so that we could have more floor

space for the church. A lot of love and a lot of time and a lot of fun went into the building of the first section of our church! We worked as one big, happy family and there was something to do for everyone who came around.

The workers soon got used to my directions. I would walk up to them and say, "Dig a hole this size in this spot." or, "Start a trench here and run it so far and make it so wide." They soon found that it would always turn out right for either a support post or for a footer.

We had no blueprints until after the church was built. The Spirit of God was the architect.

State and city officials finally heard the news that we were building. They would look with astonishment at the enormous structure on my six-acre city lot. They would then look at me and say, "But you can't do it!"

So God and I just started working a little harder! It was really exciting the way God made things fall into place.

For instance, I was impressed to go to a heavy-steel contractor in Columbus. I told him the size steel girders I needed to span the entire structure that would be strong enough to support the tremendous weight of the roof.

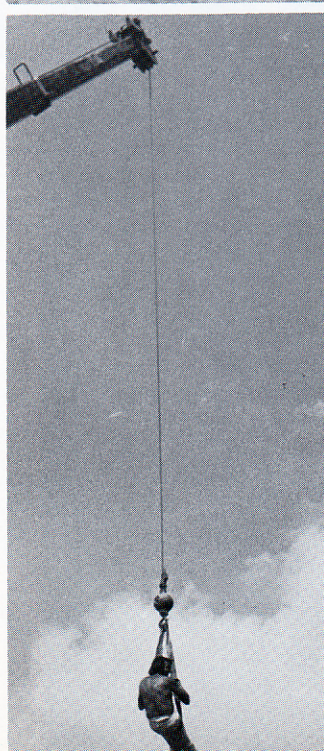

At first he said he didn't have what I needed. But I wasn't about to leave, because God told me they were there!

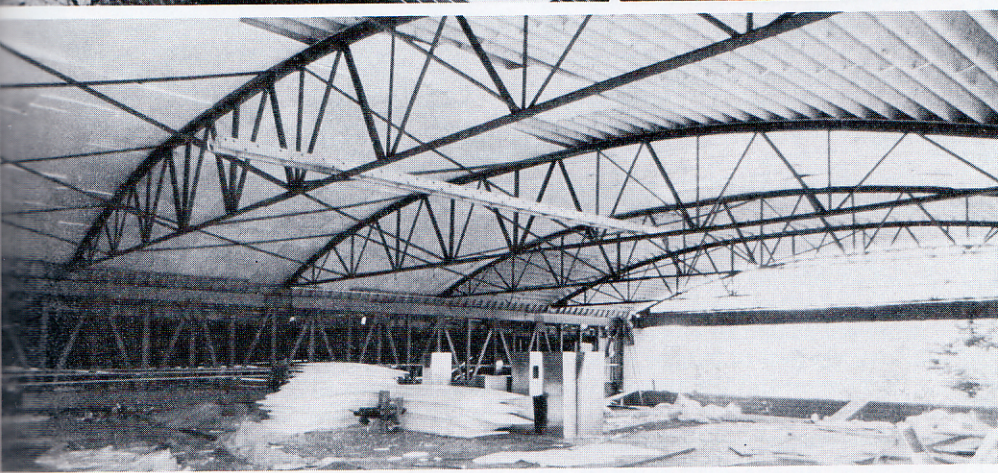

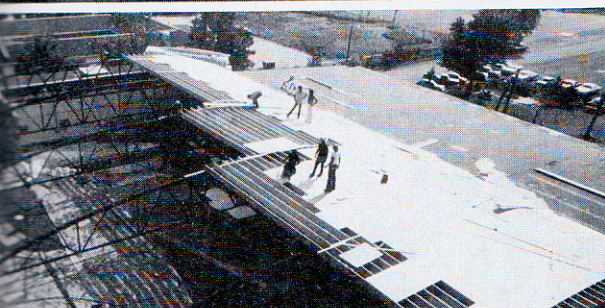

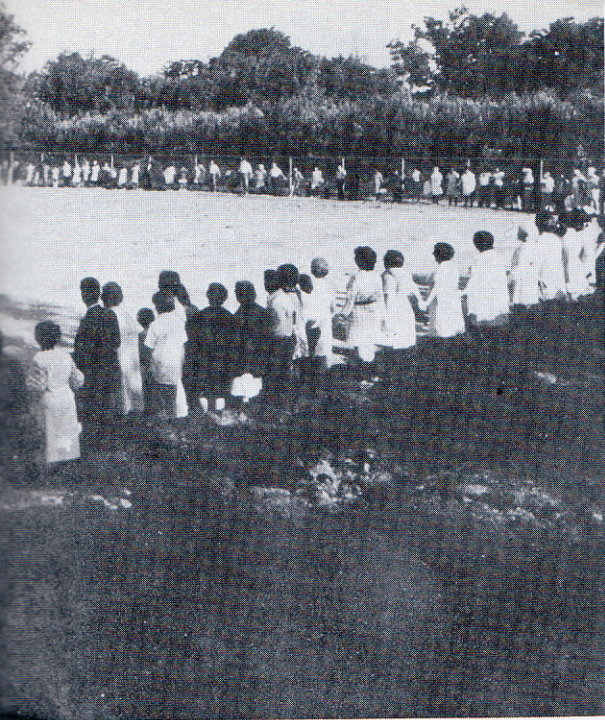

Obedience really paid off because he finally remembered some steel behind the buildings — nearly hidden from view by the grass that had grown up through them.

We went out to measure. They were the *exact* length I needed and there were just SEVEN of them! God never fails!

The last big area of concrete was poured Saturday morning — the day before we were to have our first service in our new church. It started raining about noon. Then it **POURED**. Saturday night and Sunday morning we were sweeping the water off the new concrete.

It had turned cool and windy by service time. The plastic windbreakers whipped in the breeze so loud that the people in

the back section could hardly hear. But they were just as joyful to be there as the ones in the front!

God gave us a beautiful service that Sunday. I think He was pleased.

It wasn't long til I knew that we would need more space in the church. It was filled to capacity nearly every service. I gave orders to start the work at full speed again.

We built corner support columns to hold the tremendous weight of the steel girders of the second roof – which we build over the first roof! I directed the men to reinforce the concrete inside the columns with steel rods. Then we started the dangerous work of lifting those long steel girders to their resting places across the top of the church.

I wanted to remove all the big steel posts in the church so that everyone at any spot in the church would have a clear view. Those posts had served many years to support the big tent I had. Now their purpose was over again.

Engineers and contractors predicted that the roof would crash when we took out all those poles. There's a great difference between a "predication from someone who hasn't known God" and a "prophecy that came from God." I prophesied that the ceiling wouldn't sag more than an inch. But God saw to it that it didn't even sag 1/4 of an inch when the side supports were removed.

To prove that I knew that God could be trusted, I took the last pole out right before a service as the people sat and watched nearby – under the roof that was supposed to collapse.

At one point I knew that the roof would need another support, but I didn't know what to do about it. So before I fell asleep, I asked the Lord to help me. He told me that He would.

Since I never walk in my sleep, I was really surprised to wake up in the middle of the night in the church on a platform just a few feet from the door leading into my house.

I woke up looking at the ceiling. The Lord spoke to me and

said, "This is where you will build the support."

God is so real. And he is so interested and concerned over everything we do. I already knew that God wanted the church to be safe for people to be in. God hadn't let me down one time. Engineers and contractors, city and state officials, scoffers and nonbelievers all said it couldn't be done. They tried to discourage me, put stumbling blocks before me and stop me altogether. Praise God that some of them were won to the Lord through their contacts with me and with my ministry.

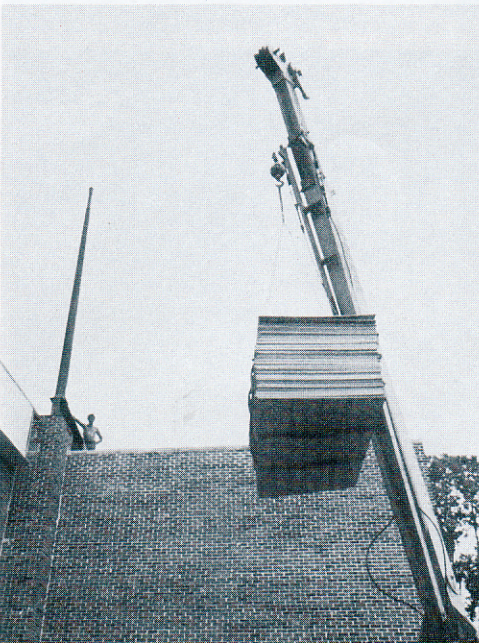

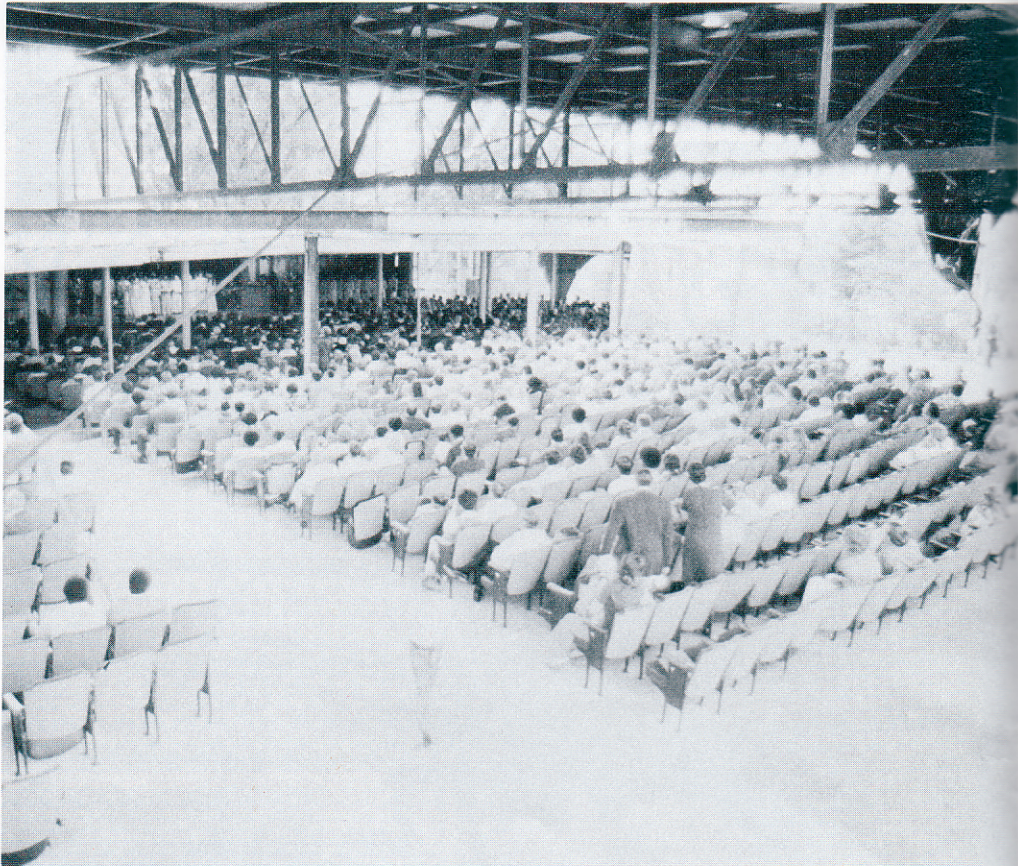

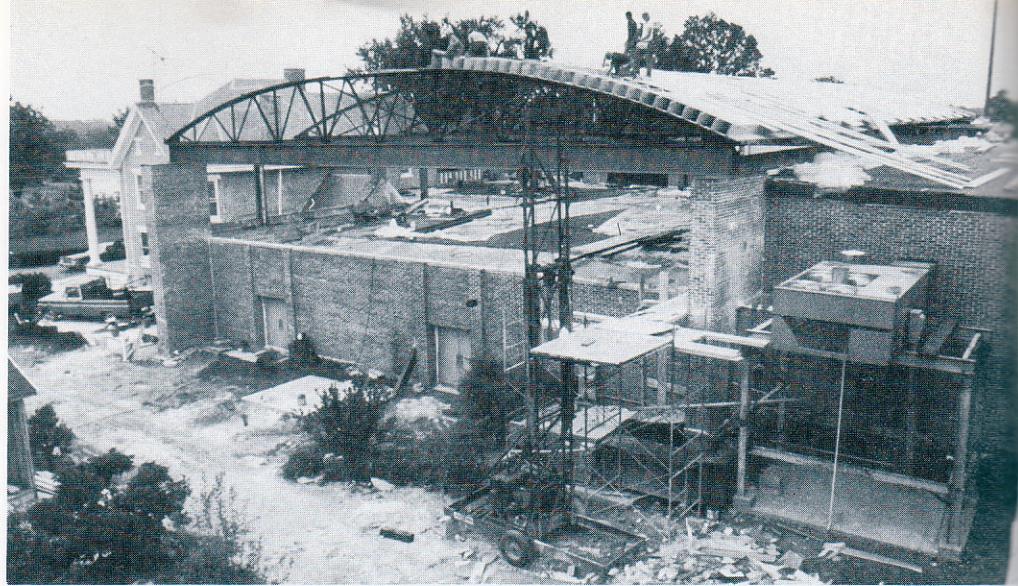

And praise God that the work just kept right on!

One of the newest features in the church is a six-foot open Bible with my favorite scripture on the left side: "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." (III John:2) This scripture is one of my favorites because the Lord has made it a reality of my life. I try to teach others that it is just as real for them.

In the pages on the right side of that huge Bible I have offered to write the names of my friends who make a special donation of \$100.00 or more. I would like to see your name there, too!

Please come to visit us at Holy Hill Cathedral. We love to see the Lord glorified as He meets your needs.

"Exalt the Lord our God, and worship at His Holy Hill; for the Lord our God is holy." (Psalm 99:9)

TESTIMONIALS

"I FELT LIGHT ENOUGH TO FLY!"

I have never been to Rev. Jenkins' church, or his crusades, nor have I ever seen him in person. But I'm so grateful that I have seen him on TV!

I had written Rev. Jenkins to tell him I was sick and to ask him to pray for me. Later, I was in my living room, propped on the couch, looking out the window. Suddenly, I felt so happy because God touched my body and healed me. I felt the pain leave my back and I felt light enough to fly. Then, later that night I got the refilling of the Holy Ghost!

I feel so much closer to God — He made me realize that He doesn't want any of His children to be sick. For over a year I couldn't play my guitar. Now I play and sing to my Lord!

My doctor found my blood pressure to be normal for the first time in ten years. He said, "Violet, you amaze me. Whatever it is you're doing, I'm for it!"

MY FAMILY DOCTOR WOULD NOT TREAT ME ANYMORE

Dear Bro. Jenkins:

During the month of October I called your Prayer Line for prayer. My family doctor would not treat me any more for my blood trouble. He sent me to a hematology specialist. He began to treat me with chemotherapy. But results were slow.

But after I called your prayer group and a sister prayed with me, I got better. I went back to the specialist and my blood was normal again. Now he has me come every six weeks instead of each week.

HE HAS ANSWERED MY PRAYERS!

Dear Brother Jenkins,

Thank your people on Prayer Line for praying for me. The good Lord healed me of chronic bronchitis and of female and urinary problems. Thank God because I know that He has answered my prayers. Bless you.

YOUR PRAYERS WERE ANSWERED AT ONCE

Dear Rev. Jenkins,

Thank you and your Prayer Line for praying for me and my brother. He was in the hospital very sick with ulcers. But your prayers were answered at once. He is better and home doing fine.

And my eyes are better. The Doctor has taken me off eye drops. My arthritis is better — I can use my right hand.

Every Sunday I listen to you on TV and radio. I have been blessed and my family has been blessed, too.

Rev., I love you very much,

HE LOOKED AS IF HE WAS NEVER SICK IN HIS LIFE

Dear Rev. Jenkins and Your Wonderful Prayer Line,

I called for prayer for my nephew. He was sick and was too sick to stand up. He has had trouble with his lungs all his life.

He was instantly healed and looked as if he was never sick in his life.

Yours in Christ,

I WANTED TO TAKE MY OWN LIFE

Dear Leroy Jenkins,

In September and October of this year I was near death in the hospital in Pomeroy, Ohio. I had taken too much medicine. I wanted to take my own life to go to be with my father who had died.

I could not walk. I fell and broke my wrist trying to walk. For the 13 days I was in the hospital, my husband and my children thought I was going to die. I did not know anyone for 10 days of those 13.

Then my husband telephoned your prayer line for my healing. I came to myself on Thursday and on Saturday I came home!

I had been using a walker and a wheel chair; but I took them back to the drug store where I got them.

I thank God for your prayers, Brother Jenkins, and for my healing. God heard and answered prayer for me!

HOLY HILL CATHEDRAL

God's love is not bound to age, to color, to background, or even to a building. In Rev. Jenkins' parking lot prayer line God touched His children with His power and His healing love.

Inside, the statue representing the resurrected Christ seems to stand forth to give the refreshing message, reproduced on the 6-foot Bible on the center balcony: "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." (III John 2)

The pictures here represent the attitude of expectant faith, new-found joy and release you can find at Holy Hill Cathedral, 470 South Sandusky Street in Delaware, Ohio.

IN THESE LAST DAYS...

... the Lord is moving in a mighty way – just as the prophet Joel foresaw: “And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy.” (Acts 2: 17-18 and Joel 2: 28-29)

The Spirit of God is being poured out all across our land. Some are seeking. But also the Lord is pouring His blessings on those who seem to be totally ignorant of His ways – not expecting to receive anything from God at all.

Many people can release their faith to receive the blessings of God by laying their hand on the TV during my prayer. But, as you will see by one letter, the TV doesn't even need to work!

Many people were especially blessed by the programming of the Los Angeles crusade. I have included only three of the letters from many who were baptized in the Holy Ghost and were slain in the Spirit as they witnessed the gifts of tongues and interpretation.

My readers who support the television ministry will be thrilled to know how the Lord is blessing people through the TV programs.

As I add daily to my list of television stations, I know more and more people will experience the blessings of God – and that's my heart's desire.

I want to share with you some of these blessings:

I thank God for you, Leroy Jenkins,

For I have not been able to get up from the floor, or walk up and down stairs, or step off a curb, for the last ten years without someone helping me, or grasping on to something to pull myself up.

I never believed what I saw or heard about people putting their hands on a person and God healing them, for their voices did not ring true.

About five or six weeks ago, I was having coffee at about 8:00 a.m. on a Sunday morning. Something told me to turn on Channel 9 and YOU WERE THERE! And you have been in my den every Sunday morning since, and always will be.

On November 7th I had put my TV on, but had not turned the sound up enough to hear it clearly. As I walked over to it, you were in front of a lady, and you were saying, “How long have you suffered with this back problem?” And I stood there, as if I could not walk away; and as God healed this lady's body, God also healed my body!

The feeling I found going through my body was hard to believe. I sat on my chair and there I sat until your wonderful program was over.

Then I got up from my chair and had walked a little distance, when something hit me – “You got up off the chair without pulling yourself up!”

I went back and sat down and I *did* get up, without pulling myself up! I found myself saying, “I can't believe this. I don't have any pain in my back.” I had not been without pain since I broke the five seals in my sacroiliac, ten years ago.

My legs had hurt most of my life. They would feel as if they were weighted down with sand. I have lost that feeling. I can do anything I want! And I also have been healed of a serious fluid problem.

I thank God for you everyday, Leroy Jenkins, and I hope I can be of help to show people that miracles DO happen. For I am living proof. I am 68 years old, and I feel like I have been reborn.

M. P.

Dear Leroy,

This forenoon I had you on TV, but I could not see you as my TV is not working good. I was sitting near the TV. My leg was aching so bad that I was just going to get up and get more pills when you came to a lady and asked God to heal her from her head to her feet.

When you said that, the pain left my leg. I thanked God right then.

**LORD, GIVE
HER A
DOUBLE
DOSE!**

Dear Pastor Leroy Jenkins,

I had been suffering from arthritis in both my hips. Then I got shingles in my ears, my neck and up into my head.

One day I watched your TV program. You were praying for a young girl who had been on drugs for five years. You said to touch the TV for a point of contact. I knelt to pray as I touched the TV. You said in prayer, "Lord, give her a double dose!"

And as you said these words, I fell to the floor flat on my back — and I am not a fainting woman! I was powerless to move.

My husband who is 71, was in another room on the phone. He came in and picked me up and asked me what had happened. I told him just as I am telling you.

After that I found that the shingles were gone!

**I DIDN'T
BELIEVE IN
GOD, UNTIL I
WATCHED
YOUR
PROGRAM**

Dear Rev. Jenkins,

My problems started when I was 16. My mother died of a heart attack, my father retired from the Army and I started messing around with drugs and the wrong crowd of people. I was even arrested for grand larceny.

One night I prayed that God would take all the sins out of me. Every night for two or three weeks, I prayed for a job to get me started. I really didn't believe in God, but still I prayed.

After I got the job I made a promise to God that if He would help me, I would always be by His side. But I still didn't believe in Him — until after watching your program. It was a dark world a few months back, but now I see the light of God. I'm really happy for the first time in my life.

I have a job now and a place of my own, and a future ahead of me. I'm closer to my father and my family than I have ever been.

All of my respect,
D. C.

**I FELT LIKE I
COULD
SHOUT!**

Dear Brother Jenkins,

I simply had to write you and let you know the Lord blessed me through the telecast today when you were in Los Angeles.

My name is Robin McNeal. I'm 14 years old. I'm saved, santified and filled with Heaven's best! I'd love for you to pray that God would continue to bless me, and save my family.

Today when all those people were getting filled, I felt like I could shout. I'm so glad God is God and man is not. Thank God, because some of the things I have done in my life, man would have been ready with condemnation. I'm glad I'm saved.

When you bow down before God in prayer, remember me in Jesus' Name.

All in Love,
R. M.

**I'M SO FULL
NOW THAT I
CAN
HARDLY
WRITE**

Dear Rev. Jenkins,

I'm just praising the Lord! This is the first time I ever wrote you. I watched you Sunday on TV. Something hit me and I was down on my knees praying in front of the TV.

I knew it was the Holy Ghost and I began to talk in tongues for the first time in my life. Thank you Jesus!

I'm so full right now I can hardly write. I'm just glad to be in the move of God. I wanted to let you know what God is doing in my life. My life is changed!

**"132 WHO
WOULD
NEVER
SURRENDER
TO JESUS"**

Brother Leroy Jenkins,

I heard you last Sunday, the 28th of November, when you gave the tongues and interpretation. It was beautiful. I started crying.

Then, after you told your audience there were 132 people there would never surrender to Jesus, I knew why I had been crying. I just don't understand anyone not wanting to surrender their life to Jesus. Instead, they want to live for satan. Just imagine, those people will spend their time in outer darkness. For eternity they will want to die and won't.

Your service was just glorious. It sure did give me a lift. After the prophecy, I felt like I was in Heaven all day.

Mrs. M. W.

**"SUDDENLY
I BEGAN TO
SPEAK IN
TONGUES"**

Dear Brother Leroy Jenkins,

I thank the Holy Spirit, for healing me and descending upon me this day, a few moments ago as I watched and prayed with you. Your crusade was from Los Angeles. I knelt and prayed with you when you prayed for those standing to receive Christ Jesus.

Then you spoke in tongues, and I marvelled at God's glory upon you. I had prayed for a long time that the Holy Spirit be made manifest through me, as a witness to our Saviour.

As I knelt here, with tears streaming down my face, suddenly I began to speak in tongues! I have been baptized by the power and descent of the Holy Spirit, and I am so deeply thankful. The beautiful feeling of God's presence overwhelmed me with love and compassion and all the beauty of Him, whose we are.

Today is a holy day — a special day for me.

**I FELT THE HOLY SPIRIT AND
COULD NOT STOP CRYING -
I WAS SO HAPPY**

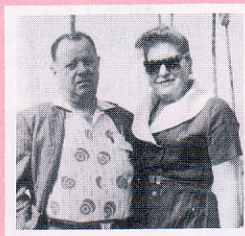

I believed in God and went to church, but I didn't understand until I went to Rev. Jenkins' church and watched him on TV.

At the Canton, Ohio, crusade I was praying for Rev. Jenkins to come to my grandmother for a healing. He did! And Rev. Jenkins touched my mother, my sister and me, too. I felt the Holy Spirit and could not stop crying - I was so happy! And I was shakey!

I want to come to Rev. Jenkins' church as often as I can. We all love Rev. Jenkins so much.

**I BELIEVE IN THE PRAYERS OF
A RIGHTEOUS MAN. NOW!**

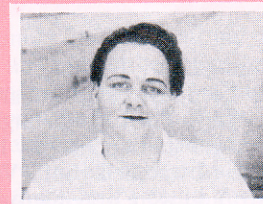

I had visited Holy Hill Cathedral three times. Each time people were healed next to me and all around me. I was passed by and felt God didn't want to heal me. Then at the Canton, Ohio, crusade I was thrilled when Rev. Jenkins came to my daughter, to me and to my granddaughter. I feel it was my eleven-year-old granddaughter's faith that sent Rev. Jenkins to me.

My doctor said, "Whatever you're doing, keep it up." My bronchitis is gone completely and my bloodsugar dropped from 172 to 135. I will keep it up - I believe in the prayers of a righteous man, now.

**I SAW GOD'S POWER AT WORK
THROUGH REV. JENKINS AT
HOLY HILL CATHEDRAL**

When I was young I went to several churches, but never found anything. Then in July, I saw God's power at work through Rev. Jenkins. I've been coming ever since to services at Holy Hill Cathedral.

I had diabetes for two years and a lifetime thyroid insufficiency. My faith increased as I attended services, read Rev. Jenkins' books and magazines and my Bible, and drank the water from the well.

On November 21st during a mass prayer my need for cigarettes was taken away! Then on December 5 Rev. Jenkins prayed for me personally during the service and told me, "Everything will be fine. Do not take any more pills for anything." I felt a hot and tingling sensation from head to toe. Then perspiration came all over my body.

My doctor was at a loss for words. He just couldn't believe that everything was normal.

I have a closer relationship with God. I want to tell everyone I see about my healing. I tell them about Rev. Jenkins' ministry and I invite them to Holy Hill Cathedral.

**THE LOST
IS FOUND**

I had lost my purse with \$500.00 in cash in it along with my check book with even more. I called the 24-Hour Prayer Line so they could agree with me in prayer that my purse would be found.

My purse and billfold WERE found intact. It had been ransacked, yes, but none of my valuables were missing.

God HAD to be in on it! Thank God!

YOUR TV PROGRAMS OPENED THE DOORS AND THAT'S WHERE IT ALL STARTED!

Friends told us about your ministry and your TV programs. We were blessed by the programs. It made us realize that something was missing in our lives — Jesus. Your programs opened the doors and that's where it all started.

On November 21 we were at a service in Holy Hill Cathedral when we answered the salvation call. We asked Jesus into our hearts.

This has brought us closer to the Lord and has brought meaning into our life. We attend services again and read our Bible now for the first time. We have missed so much out of life because we really didn't know Jesus. We've been married thirty-six years and our life has more meaning now.

"I FELT A PEACE COME OVER MY WHOLE BODY"

I first became acquainted with Rev. Jenkins' ministry two years ago through his television programs. I began praying right then that I would somehow, someday find it possible for Rev. Jenkins to pray for me that I would be healed from the effects of a physical and nervous breakdown.

At last, I was able to attend Holy Hill Cathedral on December 4th. When Rev. Jenkins prayed for me I felt a peace come over my whole body that I never felt before in my life. I felt the power of God so strong and was so warm all over. My right arm was so warm and tingled the next day.

I praise God for someone like Brother Jenkins.

GOD WIPED AWAY THE TEARS!

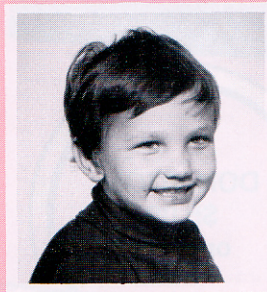

For nearly five years I carried a terrible heartbreak from a deep hurt caused by someone I deeply cared about. In fact, those were nearly the words Rev. Jenkins spoke to me when he prayed for me on November 27th.

I can now thank God for a fantastic tranquility and complete peace of mind and a definite knowing that everything is going to be great. I can now think of this person without tears or ill feelings. I can truly say that I'm happier and more content than I ever remember being.

And it seems as if God has blessed me in my work. This is supposed to be a slow time for my profession of real estate. Yet, the past couple weeks I've been swamped — which is great!

"JESUS IS SO REAL TO US NOW!"

Once again we've witnessed a miracle God sent us! For five years Eric has had Legg Perthes disease. Then you prayed for him.

This morning my husband took Eric to the doctor for another set of X-rays. The doctor kept comparing the X-rays, then asked Eric to walk back and forth for him. Eric did.

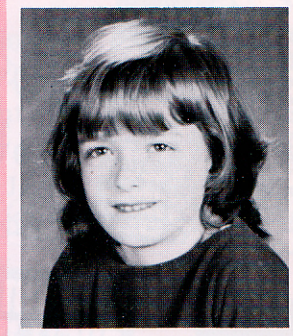

The doctor looked at my husband and said, "His leg is healed. He won't have to wear braces anymore. I'm signing a release so he can go back to normal activities!"

When my husband got home he said, "He's healed!" and broke down and cried for joy. I'm overwhelmed!

Jesus is so real to us now. His presence has been with me really strong since He spoke to me in one of your crusades. I've never felt more love in my whole life.

Thank God, He loves us. You are a tremendous blessing to so many. Thank you for all your prayers for us. God bless you and help you do the work He has called you to do.

NEVER FELT BETTER IN HER LIFE

Dear Rev. Jenkins,

I want to thank you so very much for praying with me for my little granddaughter, Tammy Hough. She was very sick last week when I called the Prayer Line for her. I called Tammy the next day and she told me she never felt better in her life. Praise God!

You also prayed for her once before when I told you she had asthma. As yet she hasn't had any more trouble breathing. I would like to thank you and God for all you have done for Tammy.

Sincerely,
Mrs. Charles Damon

I FORGOT THAT I COULDN'T WALK!

Dear Leroy Jenkins,

I called in a request about two weeks ago. I burned my foot and I couldn't walk. The lady that answered the phone prayed with me over the phone. I want to thank her, you and God; because after the prayers — about an hour later — I really forgot that I couldn't walk. I got out of the wheelchair and went to the kitchen, walking all over the house. Then, later, it came to me that I couldn't walk, but I WAS walking. And I've been walking ever since.

My foot was almost burned off, but it healed up so quick until it seemed like it was almost impossible.

LAST THING EVERY EVENING –
FIRST THING EVERY MORN

I spent my life a-searchin'
For something I couldn't find.
It took up every moment,
It wasted all my time.
But, the day that I met Jesus
I found what life could be.
He's never very far away.
He's always close to me.

*Last thing every evening,
First thing every morn,
He's never very far away
Since I have been reborn.*

My life is never empty
And my searchin's ceased,
For Christ is now life's meaning –
Now I've found real peace.
For the day that I met Jesus
My chains of sin released.
First thing every morning
I know my Lord's with me.

*Last thing every evening
First thing every morn,
He's never very far away
Since I have been reborn.*
