"I give up." "What's the use?" I can't win for losing." Have any of these thoughts been popping up in your life recently?

Negative thoughts are being hurled at us from all sides. The communists are doing their best to cause us to lose faith in our country. They have created doubt in our minds about our leaders and statesmen in Washington through adverse publicity. They have infiltrated our colleges and school campuses and incited the thinking of the average citizen that all of our young people are turning out to be nothing but antagonists, not interested in education, just stirring up trouble. Besides having to deal with the communists, we have to watch out for those who are trying to prove that God is dead, the Bible false, and that what we've got right now is all we're going to get and we'd better hang on to it until they throw dirt in our face.

Before you go any further in reading this message, I want you to read the complete eleventh chapter of Hebrews and then come back to this message.

A LINK WHICH UNITES SAINTS

Now that you have read the chapter, I want you to realize that

you have been included in this chapter with these other saints that you have just read about. There is a link which unites us; one theme, one attitude, one inspiration for many hearts. The saints of the past and the saints of today are one in their faith in the living God. They know the eternal joys and blessings that are before them but not yet complete.

Do you know why they're not yet fulfilled? We must all be there together. Things are incomplete without us.

People who have attended my crusades and have watched my staff and the services without let up, have questioned, "Why all the effort, why knock yourself out?"

It's very simple. I've been bought with a price (1 Corinthians 6:20), I have eternal life and I'm looking forward to going to heaven and the place my Lord is preparing for me. (John 14:2) The greatest thing about it is that complete fulfillment in heaven won't happen until we get there. Not until all are accounted for and in attendance will there be complete joy and rapture in the very presence of God. Our loved ones who have gone on to be with our Lord are happy, but the real moment of bliss will arrive when we ourselves come through those gates of splendor.

I DON'T WANT TO SEE ANYONE LEFT OUT

That's why I'm putting every effort forward I can to convince people everywhere that Christ is the right and only way. I don't want to see anyone left out. Don't place that valuable commodity of faith on man or material gains, but in the promises of God and the Son who died for us that we may have life eternal. Where will you place your faith?

The dictionary defines the word faith as unquestioning belief — complete trust or confidence. Faith in man has been disproven many times. Faith in material things has caused grief to a great percentage of mankind. Faith in physical well-being won't materialize into lasting peace of mind either. Listen to the words of our Lord as he spoke to His disciples: "Take no thought of your life, what ye shall eat; neither for the body, what ye shall put on. The life is more than meat and the body is more than raiment." (Luke 12:22-23). "But rather seek ye the kingdom of God; and all these things shall be added unto you." (Luke 12:31)

I know that there will be many who will read these words and say "I've got faith in God." O.K. Keep on reading and prove it to yourself.

PEOPLE EVERYWHERE THAT CHRIST IS THE RIGHT AND ONLY WAY.

Hebrew 11:1

A ROAR OF APPROVAL DOESN'T PROVE FAITH

I'm reminded of a story I read a long time ago about a famous tightrope walker who stretched a cable across one of the deep gorges at Niagara Falls. He had a tremendous crowd to come and watch his dangerous feat. There was a great hush that came over the people as he stepped out onto the cable, starting his death-defying trek over the roaring falls.

There were some anxious moments as the cable swayed beneath his weight and the tricky winds made attempts to cause him to lose his balance. A wet cable from the spray of the falls was another obstacle but in spite of all the odds against him, the tightrope walker made it to the other side. Great cheers were heard above the roar of the falls for this daring man. After the shouting and rejoicing died down, the victor got the attention of the crowd and cried out, "How many believe that I can go back across the cable?" Another great shout arose from the crowd saying, "Yes, we know you can do it." Spurred on by the enthusiasm, he asked another question.

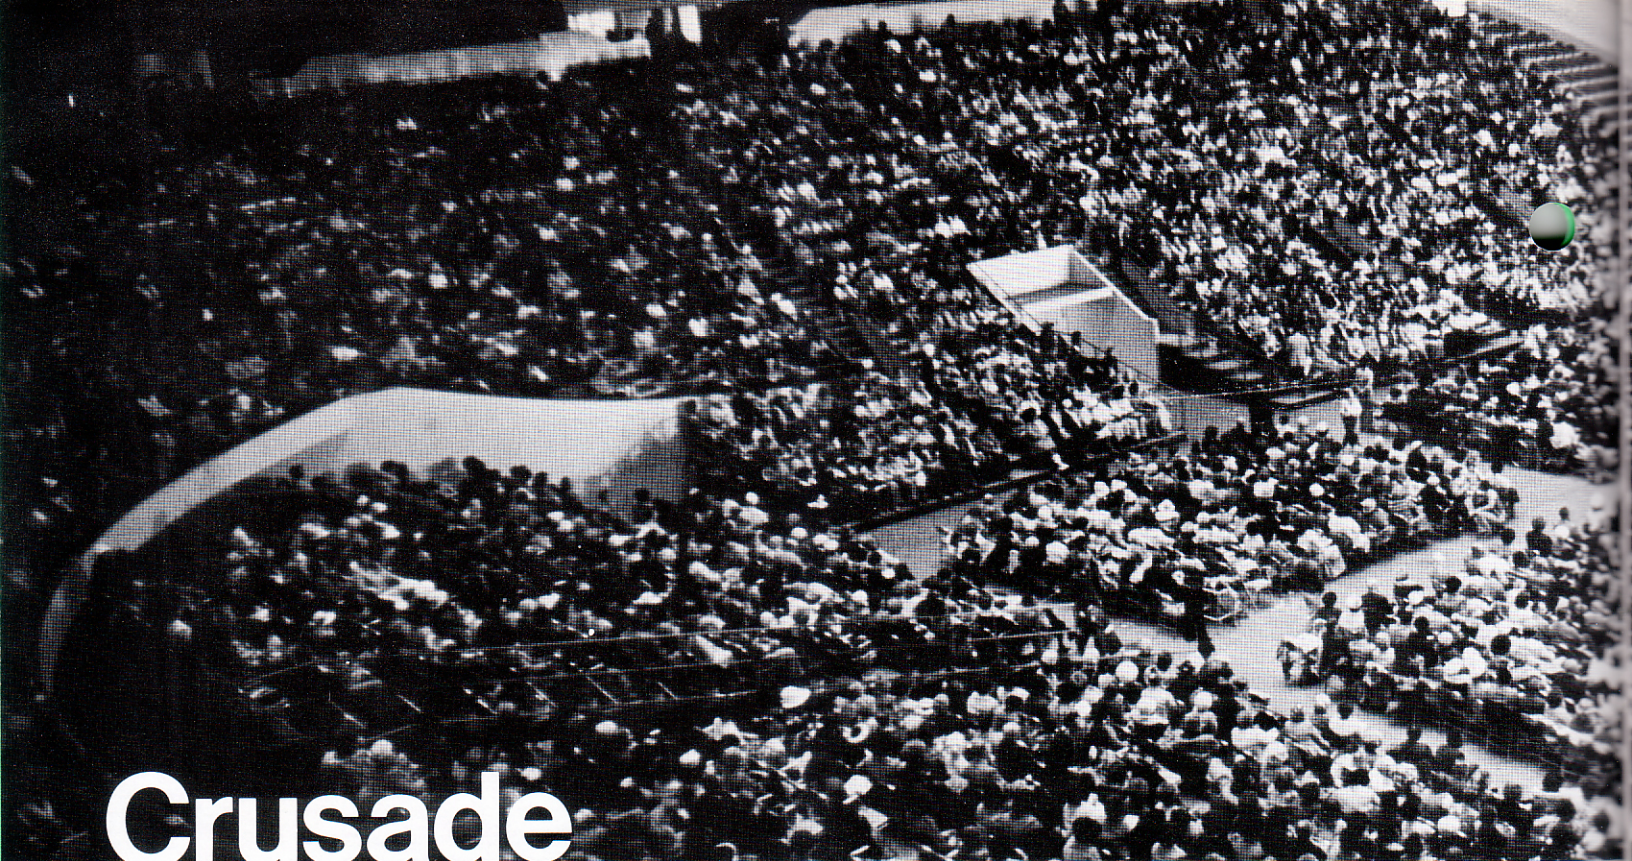

"How many believe that I can carry a man on my shoulders back across the falls?" A roar of approval from the crowd came back to him greater than before. Then he asked another question. "Good, who will be that man to

go back with me?" A silence gripped the crowd. Those that had been eager to get near this great man moved back. The question, was asked again, still no takers. Minutes passed by and finally one young man came forward. The crowd eagerly pressed forward again and the daring feat was accomplished by the two men. Both became heroes of great acclaim.

HOW MANY WILL GO WITH ME?

Friend, our Lord is asking today, "How many of you believe that I died for your sins?" The multitude will acclaim that they believe. Then He asks another question. "How many will go with me, even through the valley of the shadow of death?" The takers are few, but those who do will experience the shouts of joy from heaven as another joins the ranks of the saints through the saving knowledge of Jesus Christ. Have you made your decision for Him? If not, do so right now, accept Him by faith and His promises are yours throughout eternity. *Father, use these words to strengthen and encourage those who must make this important decision right now. Cause them not to be influenced by the attitude of the "crowd", but create within a determination to surrender completely to Your care at this very moment. May they step out and into a victorious life with you. In Jesus Name.*

Crusade REPORT

DETROIT, MICHIGAN

The message Leroy Jenkins had to deliver to the Detroit congregation concerned being ready for the end-time days ahead. He warned the people about the signs, including the mark of the beast and the persecutions of God's people.

The Spirit of God moved in a mighty way among the people. Cobo Hall workers stopped their electric carts at the rear of the Arena to watch the man of God and it looked somewhat like a "drive-in church."

A group of young R.O.T.C.

trainees who volunteered their help at the meeting were amazed at the Works of God they saw.

Rev. Jenkins was led to one man who had to be helped from his chair by four strong men. The man moaned from excruciating pain. Rev. Jenkins got behind him and lifted him off the floor and dropped him on his feet four times to put his spine in order.

Then, the man walked away — amazed and crying for joy, as 10,000 people shouted praise to God in his behalf. The man was able to get up and down and walk on his own!

As in each crusade, hundreds of drug addicts came to the front of the Arena for deliverance and were not disappointed. As in each crusade, thousands of searchers came to the front of the Arena to take into their hearts the Son of the Living God and were reborn.

The climax of the meeting came when hundreds of cripples took canes, crutches, walkers, and other devices to leave them in front of the stage. The picture on the front cover tells the exciting story.

A skeptic had to admit, "You must be the man of God as they say you are!"

"LEROY, I WILL USE YOU TO BIND BROKEN HOMES"

"My brother had married very young and he and his 13 year old wife lived on the corner across the street from the light. That night they were having a terrible argument. I realize now, that God had this in His plan.

"As they were arguing and fighting God spoke to me and said, 'Leroy, I want you to go and preach My Word. If you will go and do what I tell you to do, I will cause thousands of people to be saved and healed under your ministry. I will use you to bind up broken homes and heal the broken-

hearted. Such as this is what I want you to go and mend. There are many things that you can do for me, if you will. I want you to go.'"

(page 3, *HOW I MET THE MASTER*)

I know the heart-break and the damage that a home in chaos and turmoil can do. And I know that Jesus is the answer. As people learn to pray together, learn to let go of pride and contention and bitterness, then the Lord can work a wonder of love in a once loveless home.

Jesus can change people and people can change things. The letter below is a testimonial to the change that can take place in a home after the hearts in the home have been opened to the love of Christ Jesus.

Dear Rev. Jenkins,

Everything started going wrong about four years ago. We got married, but we didn't know why. Most of the time we were arguing because we couldn't understand each other. We never took the time to sit down and try to understand each other, because instead of having God in our home, we had the devil instead.

On Monday morning, after a weekend of dancing, I used to beat up my little boy, instead of taking time to sit down with him and give him the love and happiness he needed. It was the same when our little girl came — until we met another couple like us.

But everything was going so well for them. They started talking about the good things that you were doing for them. We didn't know what to think. Then they came back on the next Sunday. We sat down with them and watched your program.

And that's when we started to have faith in God. Since that time, everything changed in our home. We are asking you to pray for us so that we can stay like we are now.

Thank you for your blessing and kindness.

Mr. and Mrs. R. F. M.
New Brunswick, Canada

THANK GOD FOR HIS INFINITE
MERCY AND BOUNDLESS LOVE!

How I thank God my friends have

made the programs possible through their donations to this ministry so that this couple could reach out to the one and only solution to heart-break — the Lord Jesus Christ!

Crusade

REPORT

CHICAGO, ILLINOIS

Despite the chill-factor of -64° with an actual reading of -22°, Chicagoans turned out by the thousands to join Evangelist Leroy Jenkins in a crusade to glorify God and His mighty works. About 8,000 worshippers gathered at the International Amphitheatre to let God know that they meant business.

Leroy Jenkins always means business when it comes to preaching the Word of God and doing the Works of God.

With a combination of agreeing faith like that, sealed by the vital presence of the power of God—something has to happen.

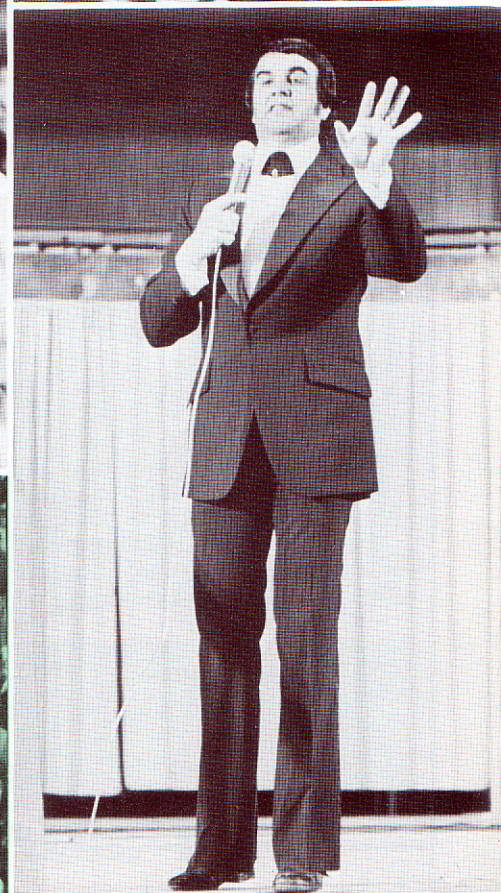

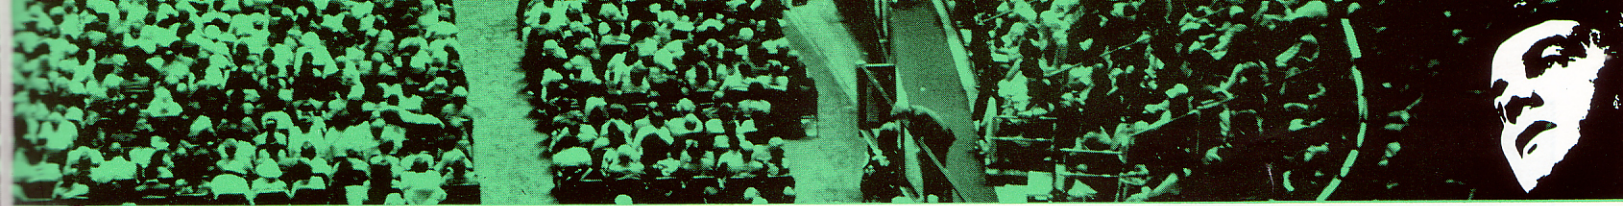

And happen, it did! The Lord used Rev. Jenkins in a mighty way to set the captives free and to heal the sick.

Paid policemen and ushers joined in the service and worshipped the Lord. Rev. Jenkins told one group about an affliction which was destroying a man's life. The man stood across the arena and Rev. Jenkins had not spoken to him. The man's wife went to the policemen and confirmed Rev. Jenkins' statement.

Leroy Jenkins then strode with authoritative confidence to the man to command the brain tumors to leave him! The Word of Knowledge from a prophet of God had given faith to him. The man went away healed and rejoicing and praising God!

A woman who hadn't moved her legs for a long time left her stretcher to walk unaided! Drug addicts by the thousands ran to receive deliverance — and the Lord touched them. Thousands went forward to receive salvation through the blood of Jesus. After witnessing the Works of the Lord, they could not resist the love of a Saviour so concerned about them.

I FELT A GREAT POWER FLOW THROUGH ME

On January 1st of 1975, as I climbed from my bed, I was not able to straighten up and I had terrific pain in my back. This went on for ten days.

My doctor had told me three years before that I would have to have back surgery. But I refused.

I had been watching Rev. Jenkins' programs on TV for some time; so on January 12th I made up my mind somehow I would get in my car and drive to Delaware.

I sat in his service until two o'clock. Then Rev. Jenkins came down the aisle, called me out, told me I had two disintegrated discs in my lower back, sacro-iliac trouble and arthritis — just as my doctor had told me.

He also told me I was lucky to be alive because I had had two things happen that could have taken my life. Rev. Jenkins took my hand and prayed for me.

Immediately I was able to straighten up! I felt a great power flow through me, and was surely shown how the power of God works through a man that has dedicated himself to God's work!

Since then, at 74, I have taken a full-time job. I have been richly blessed. I am proud to be a member of Rev. Jenkins' church. Thank God for leading

I SPLASHED THE WATER ON. . . I KNEW JESUS WAS HEALING

Dear Rev. Jenkins,

First of all, let me say, that \$15.00 I sent for the 4 one-gallon bottles of water was the wisest investment I ever made! I have witnessed two healings by it.

I had a wart on my leg which I would scratch raw til a scab formed. It would clear up then "restore" itself to a wart again.

Then I used the water on it. About the third night when I splashed the water on, I sat down to read. Then it happened — the miracle! I felt a burning sensation and I knew Jesus was healing!

I looked at that thing and marvelled at what was taking place! I just thanked God over and over. The next day there was only a scar where the wart had been!

My daughter, age three, had an infected eye. I used some prescribed drugs for it, with no results. Two anointings of miracle water, and thank God, the eye was healed. Again, thank you, Jesus!

I have given the water to my friends

and relatives, because I want them to know the gifts God has given us! I even give it to "doubting Thomases."

Your ministry really gets inside and stirs my soul. I thank the Lord for bestowing me the honor of knowing you and your ministry. It keeps me close to God.

I HAD GONE FROM DOCTOR TO DOCTOR AND HOSPITAL TO HOSPITAL

For two years and seven months I had suffered with a strained shoulder. I had gone to different doctors, from hospital to hospital and to private doctors. I did not want to go back.

So I stopped and decided to write to you after I saw you on TV last September. I was convinced by what I saw.

After I wrote the letter to you, I began to notice that I could use my hand. Something good had taken place! My pain was all gone. And I needed no doctor to tell me I was healed. Praise God!
