# God wants you to have an abundant life

God wants His children to have an abundant life in Him. That is why He sent His Son, Jesus Christ, to die on the cross for our sins. Christ realized His mission in life when He said, "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken-hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord." (Luke 4:18,19) Everywhere Jesus went people were healed and set free by the power of God. And the same thing can and will happen today if we recognize our need for God and allow Him to take over in our lives.

---

## Know God's Promises To You

---

God's people are supposed to be happy people. Yet most people today are not happy because they are in bondage to their problems and illnesses. You don't have to be

sick and die with that sickness. It is not God's will that you be poor and on welfare. God tells us in His Word that He wants us to prosper and be in health, even as our soul prospers. (III John 2) This means that as we begin to let God take over in our life, and as we grow spiritually and exercise our faith and study and obey God's Word, that our physical and material needs will be met by the Living God. Can you say Amen?

So many of the people that I meet in my crusades all across the country are not aware of God's promises. They do not know that God does not want them to be sick or in torment over a situation. And the saddest thing of all is they are not aware that God loves them and is concerned about what happens to them. That is the reason why I am putting forth every effort I can to reach people – whether by means of radio, TV, crusades, or publications – and let them know that God is a God of love and He is still in the miracle-working business. Praise God!!

---

## These Signs Shall Follow Them That Believe

---

God is not dead, but He is alive in the hearts and minds of people all over the world. And His promises are for us TODAY. The Bible teaches us that Jesus Christ is the same yesterday, today and forever. (Heb 13:8)

The days of miracles are not over. We are supposed to see miracles and healings take place in the world today. People are supposed to be saved and healed and filled with the Holy Ghost and set free by the power of God. Jesus said, "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." (John 14:12)

Can you imagine doing greater works than Jesus did? But yet He said it would happen, and we are seeing it come to pass as God pours out of His Spirit in these last days before the return of His Son, Jesus Christ. God very plainly tells us the things that should be happening. "And these signs shall follow them that believe; In my name shall they cast our devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover." (Mark 16:17,18) Thank God for His promise to us.

---

## Be Willing To Pay The Price

---

Since God has ordained that signs should follow the believer, you might wonder why more people do not know about what is happening. The reason is there are so few people in the world willing to pay the price. Lots of people know "about" God, but so few really know and love Him above

all else. That is one of the reasons why my ministry is so effective and is reaching millions of people all over the world – I have paid the price.

It takes a lot of courage and faith to stand up for what I believe in and know to be true. I am thankful that over 17 years ago when I was given up by 31 doctors and told that I was going to die, God had a different plan for my life. But I had to get to the place where I would love Him and put Him first in my life. Since that time – when God saved me, healed me, and filled me with the Holy Ghost – my life has never been the same. God has used my ministry to save, heal and bless millions of people all over the world. I am thankful that God has given me a ministry with signs following, that people might know there is reality in serving God.

---

### God's Power Is For Us Today

---

You, too, can have the power of God and the Gifts of the Spirit in operation in your life. God does not give these gifts just to preachers or evangelists, but they are for everyone who is willing to pay the price. God is no respecter of persons, and He desires that everyone would be saved and have a knowledge of Him and His ways. (Acts 10:34 and II Pet 3:9) But you have to make the decision whether or not you want to follow Jesus.

Once you accept Christ as your personal Lord and Saviour, then the excitement begins. I have had more joy and happiness in my life since God saved me and filled me with His Spirit. And the same thing can happen to you.

But don't think the Christian life is a bed of roses. God never promised it would be a trouble-free and easy life, but He said He would be with us every step of the way. Once you start living for God and serving Him, then the devil and his gang will be out to "get you" any way they can. Thank God we have the assurance given us in I John 4:4, "Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world."

---

### We Don't Have To Be Defeated

---

We can have a joyful and victorious life in Christ. We don't have to live a defeated life. But we must realize who we are and to whom we belong – we are children of the King! The Bible tells us, "The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ." (Rom 8:16,17) Jesus Christ paid the price for our sins when He died on the cross. And He also provided the means for us to have a powerful and victorious life, as well as an abundant life.

God desires that we live in His fullness. He tells us that in His presence there is fullness of joy. (Ps 16:11) He wants us to enjoy life and have the good of the land. Isaiah 1:19 says, "If ye be willing and obedient, ye shall eat the good of the land." God says for those who love Him and seek to do His will, "They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures. For with thee is the fountain of life: in thy light shall we see light. O continue thy lovingkindness unto them that know thee; and thy righteousness to the upright in heart." (Ps 36:8-10)

---

### We Are Supposed To Have Power

---

God also desires that we have power. In Paul's letter to the Ephesians, he prayed, "That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, and what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power." (Eph 1:17-19)

Most Christians I know are defeated. They do not have any power. They are not practicing the things God says in His Word. God

has not given us a spirit of doubt and fear, but He has given us a spirit of "power, and of love, and of a sound mind." (II Tim 1:7) God can deliver us from the power of darkness because He has given us power over the enemy. (Col 1:13)

There are so many people in the world today who deny the power of God. The Scripture tells us that we should turn aside from these people who have a form of godliness, but deny the power thereof. (II Tim 3:5) They claim to be Christians, but they think the days of miracles are over. They think that healings and tongues were just for the Bible days. But let me tell you, I am glad that today, in the year 1977, we are serving a God who is still able to open blind eyes and deaf ears, who can deliver young people from drugs and save their souls, who can cause cripples to walk again and cancer to dry up and leave a body, never to return again! Can you say Amen? God is a God of love and mercy, but perhaps even more important, He is a God of power. And He wants us to have that same power in our lives.

---

### Are You Living An Abundant Life?

---

You might be thinking to yourself about how you can receive this power and live an abundant life in Christ. Before Jesus ascended into heaven He promised His followers that God would send them the Comforter, or the Holy Ghost, to teach them all things. "And, behold, I send the promise of my Father upon you: but tarry ye in the city of Jerusalem, until ye be endued with power from on high." (Luke 24:49) Once you become a Christian and the Holy Ghost has come upon you, then you will have power. But you must exercise your power and use your faith.

You should read and study God's Word. That way you will know of His promises and can put them into practice in your own life. Then when troubles come – and they come to us all – you will

# Crusade

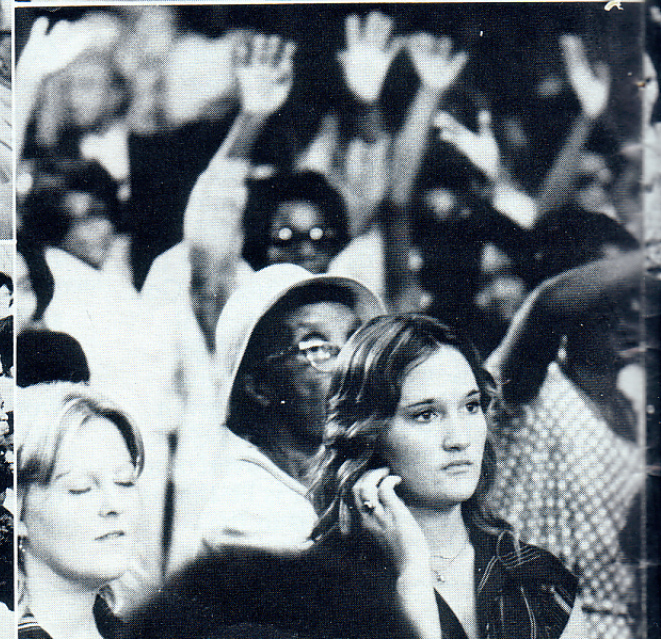

## REPORT

GREENVILLE, SOUTH CAROLINA

LeRoy Jenkins looked forward to going to Greenville, South Carolina, for a crusade. He had not been there with a crusade since the early part of his ministry, and Greenville is only approximately 50 miles from his home town where he spent most of his childhood.

Rev. Jenkins assured the many thousands of people who attended the crusade that they were about to see something that most of them had never seen before. As he preached an end-time message about the soon return of Jesus Christ, many people's hearts were changed. Young people were saved and delivered from drugs and wheel chairs were emptied as he prayed the prayer of faith. People were touched and blessed as he prayed a mass prayer for the Holy Spirit to touch and fill everyone there.

Most of the people who attended the crusade had never seen a miracle take place. But they left the auditorium that day knowing there is reality in serving God.

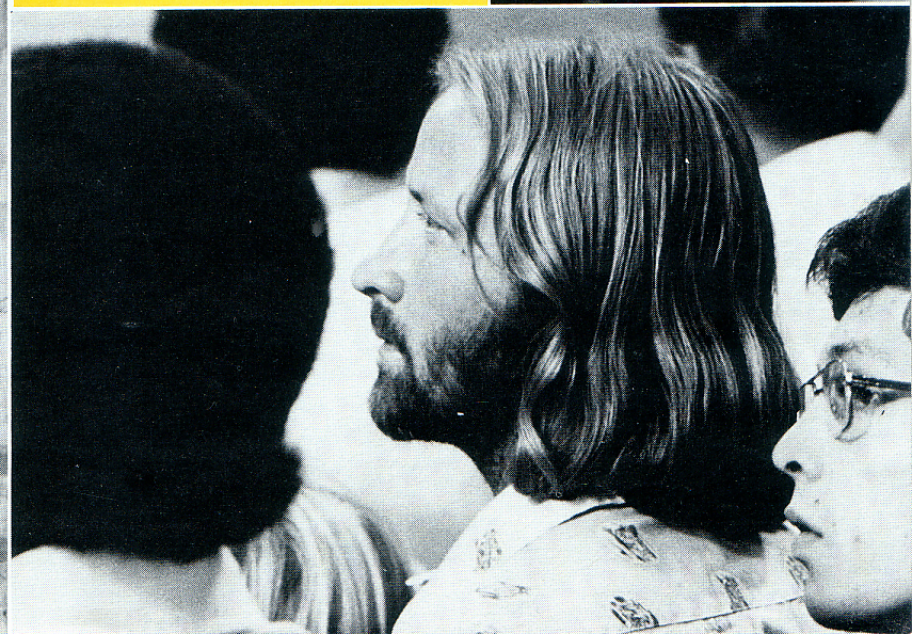

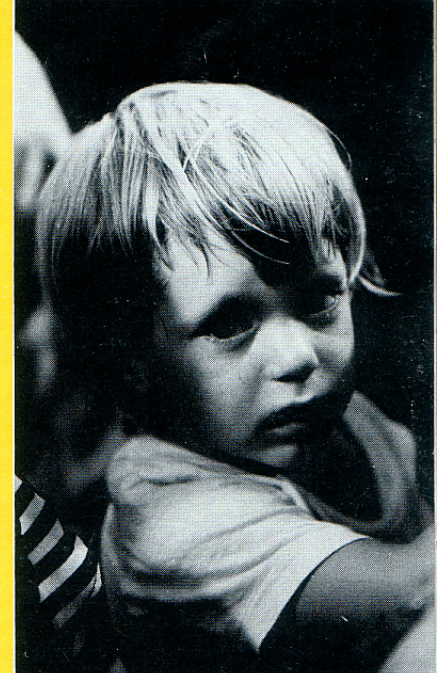

Dear Rev. Jenkins,

Since we first heard you on TV it was our heart's desire to be in one of your crusades. When you came to Charlotte we could not attend because of my wife's disc trouble in her back, but she was able to go to your Greenville, South Carolina, crusade.

During the service we were all standing and you asked everyone that had trouble of any kind to place their hand on it. She held her hands on the two places on her back, and when you prayed she felt the Spirit touch her from her feet. It went all through her body to the top of her head, and her back felt good. She has not hurt in any way since then, and she says she doesn't even feel like she has ever been sick.

Our prayers and best wishes are with you.

be able to cope with them. When the doctor tells you that you have cancer and there is nothing he can do for you, or when you or your loved ones suffer from a stroke or heart attack, or when your son or daughter is hopelessly "hooked" on drugs, or you have a family or financial problem — you will know God's Word. You can stand upon God's promises. Your healing and salvation have already been paid for by Christ's death on the cross. Thank God that He not only died for our sins, but that He also rose from the dead and made it possible for us to have this abundant life He spoke of.

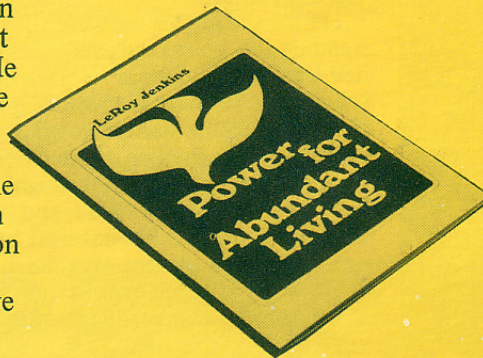

Remember this one thing — the devil is a liar. There is no truth in him. He is the author of confusion and every kind of sickness and torment. Thank God that we have power over the enemy.

I would like to ask you — Do you have God's power in your life? Are you living the abundant life Christ promised you could live? If you are, thank God. If you are not, then be assured that you can. God promised power for abundant living to all who would come to Him in faith believing. Jesus said in John 10:10, "I am come that they might have life, and that they might have it more abundantly." God's Word is true. He cannot lie.

If you are happy with your present life and situation, that is well and good. But if you are unhappy and would like to have a victorious and abundant life in God, you can if you are willing to

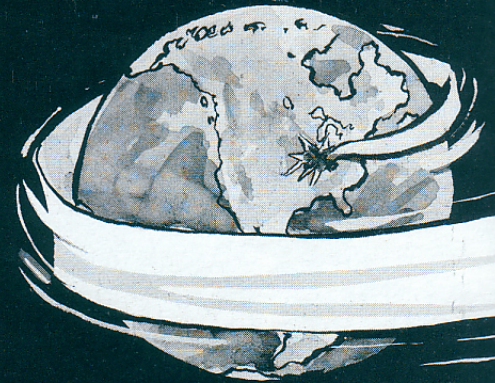

pay the price. God can and will come into your heart and soul in such a way that you never dreamed possible. He will give you the desires of your heart and supply all your needs. "Delight thyself also in the Lord; and he shall give thee the desires of thine heart." (Ps 37:4) "But my God shall supply all your need according to his riches in glory by Christ Jesus." (Phil 4:19)

"Father, I ask that you touch that man, that woman, that boy, that girl, and become real in their life. Forgive their sins and fill them with Your Spirit. Help them, Lord, as they seek to do Your will in their life. Grant them the abundant life You promised in Your Word. Help them each day to live a victorious and happy life in You. In the Name of Jesus Christ, Amen."

(Editor's Note: The above is the introduction to my new book, *POWER FOR ABUNDANT LIVING*, which is now being printed. I go into more detail in this book and tell you how you can have an abundant life in God. I know it will be a blessing to all who read it with an open mind, and I know that many lives will be changed. The devil is trying to ruin as many lives as he can because he knows that he doesn't have much time before the Son of God returns, but God doesn't want us to be defeated by anyone or anything. He wants us to have a victorious and abundant life.

Be sure and write today for your copy of this book, *POWER FOR ABUNDANT LIVING*, or you may use the coupon provided in this magazine. May God bless you as you live your abundant life in Him.)

It seems as if people in churches today are very concerned about the mission field and sending missionaries to foreign countries. But do you realize there are millions of people right here in the United States who have never heard the Word of God preached or seen a miracle take place? They do not know that God loves them and is concerned about what happens to them. They do not know that if they are sick God can heal them, if they do not have any money God can cause them to prosper, and if they feel empty inside God can save them and fill them with His Spirit.

God tells us in His Word, "Go ye into all the world, and preach the gospel to every creature." (Mark 16:15) This command is not just for the ministers or evangelists, but it is for everyone who professes to be a Christian. We all have a job to do, and it takes everyone working together in order to get the job done. By obeying this command from God we are helping to fulfill another Scripture about the end of time before Jesus Christ returns. "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." (Matt 24:14)

God said His Word would be preached around the world. He also told me that my ministry would go across the nation

# GO YE INTO ALL THE WORLD...

quicker than any other, and we are seeing this come to pass. I am so thankful that God has given me a ministry with signs following. After God gave the command to go into all the world and preach the Gospel, He went on to tell the signs that would follow the believer. "And these signs shall follow them that believe; In my

name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover." (Mark 16:17,18) Not only can I preach the Word of God, but I am also able to go up to a total stranger and tell them things about themselves that only they and God might know. And then, as I pray the prayer of faith, we see things begin to happen.

One way we are able to go into all the world and preach the Gospel is through our TV and

radio programs. My programs are seen and heard each week in millions of homes all across the country. Many people learn of the saving and healing power of Jesus Christ through our programs. And you can be responsible for helping to win many thousands of souls to God.

Recently my TV programs were in jeopardy and I was taken off several stations. The press tried to make everyone think that I had left Ohio, and so my mail dropped to almost nothing. It was necessary for me to send a letter to my entire mailing list explaining what had happened. But I am thankful that my mail is back up to normal, and our television is paid up-to-date.

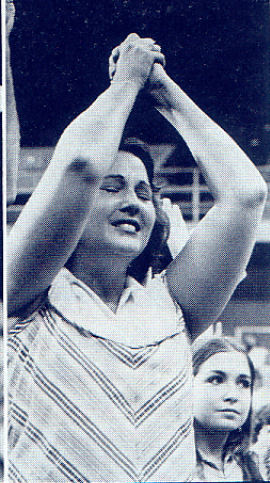

I thank God for all my friends and partners who help me in the work God has given me to do for Him. As I have told you many times, I could not do all that I am doing for God without your prayers and support. Did you

know that by helping me preach the Gospel, you will receive the same reward that I will receive? God says, "He that receiveth a prophet in the name of a prophet shall receive a prophet's reward; and he that receiveth a righteous man in the name of a righteous man shall receive a righteous man's reward." (Matt 10:41)

I thought you would like to know of all the good that is being done through our TV programs, so I have included a few of the many hundreds of testimonials from people who received a touch from God simply by watching our TV programs. Perhaps you, too, have a testimony of how God met your needs through watching our programs. If so, please write and tell me what happened. I always like to hear how God is blessing my friends and partners. I trust these testimonies will be a blessing to you and help increase your faith in God. ■

## HUNTSVILLE, ALABAMA

There were many people in attendance at the Huntsville, Alabama, crusade who had never seen a miracle take place. But as Rev. LeRoy Jenkins began to minister to the people, and as he told them things about themselves that only they and God could know, they were convinced beyond a shadow of a doubt that God is still in the miracle-working business.

The Spirit of God led Rev. Jenkins all over the auditorium to pray for different people. He was even led up into the balcony to pray for a young lady who was employed at the auditorium, and he told her of the serious trouble she would soon be in if she did not let God take over in her life.

At the close of the service, many young people found deliverance as they were set free from the use of drugs by the Spirit of God. Among those who came forward to be delivered from drugs was a father and son who had both been on drugs for 7 years. It was a beautiful sight to see the Spirit of God touch them and take over in their lives.

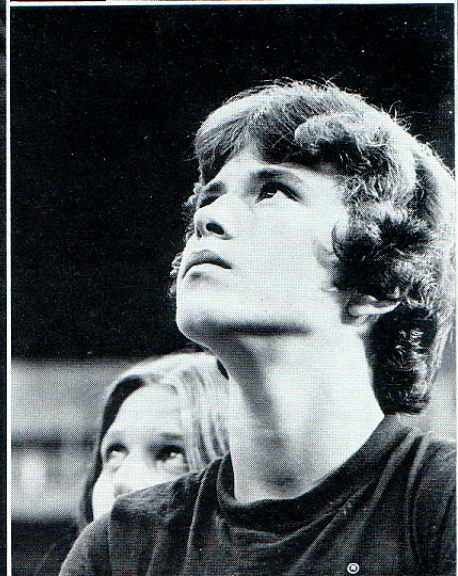

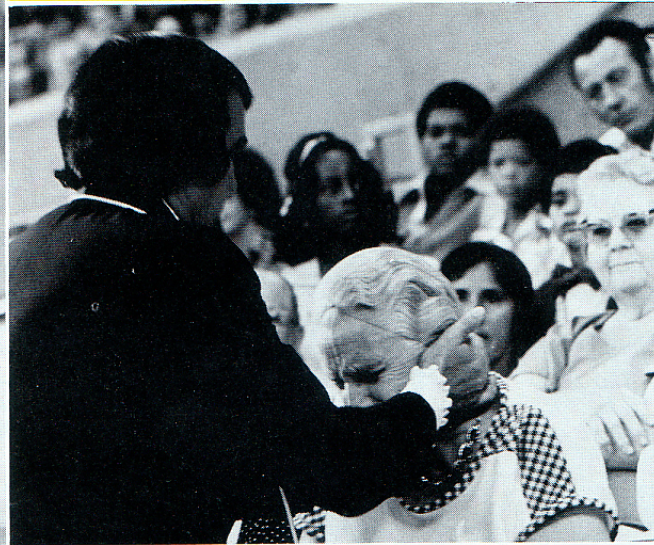

Dear Rev. Jenkins

I have just returned home after attending your crusade in Huntsville, Alabama. I am the lady whose husband was cured of throat cancer. The doctors had told me there was nothing more they could do for him. But I had not told my husband or my step-daughter that he didn't have but a short while to live.

I praise God that He sent you to us and that He uses you in such a mighty way. He made you known to me in two separate dreams, but I didn't understand until I read your book, *God Gave Me A Miracle Arm*. Now I want everyone I know to read your book. I will pray for you daily.

## "GOD REACHED OUT TO ME THROUGH YOUR MINISTRY"

Rev. Jenkins,

This morning as I watched you on television, you asked people to write and express their feelings about your ministry.

Through your ministry, I was given hope when I had none. The first time I saw you on TV was when I was about 13. That was before I knew anything about Jesus or God and at one point, I was sure that I was losing my mind.

I was in a deep depression that had lasted a year. I got to the point where I could never get to sleep before three in the morning. I would sometimes hear things, too. Everytime somebody would raise their voice to me a little, I would burst into tears. I was a mess! But God reached out to me, and I to Him, through your ministry. Nothing has been the same since then.

I was led away in a moment of confusion by the devil, like many kids my age. But even then I felt that God was never far away. It was like I could see myself sinking. I knew where I was headed. But I couldn't stop. I remember asking God to please forgive me and help me before I fell for good. And He did!!

Through watching you on TV I came to God. He has done so much for me. Pray with me that we'll make it back to your church soon, and that my parents will be as anxious as I am to come back. We must put God first in our lives. I know that now. I love you, Rev. Jenkins! I love and thank God for you, too!!

I'll be praying for you and for others like you who are striving to bring the name of Jesus to every person all over the world.

## HEALED BECAUSE OF HER OBEDIENCE

Dear Rev. Jenkins,

At a Saturday night service, when Rev. Jenkins first told his congregation at Holy Hill Cathedral about his new Health Program, I was obedient and got the ingredients for the Miracle Drink that night. The next day, in church, God touched me and healed my heart. I have also lost weight and feel much better and have more energy than I ever had before.

## INSPIRED BY TV PROGRAMS

Rev. Jenkins:

I have attached my check to help keep you on TV. My wife and I watch almost all your TV programs (3 weekly), and have attended two of your crusades in Canton, Ohio.

My wife received a healing through you in Canton, Ohio, last August. She was going to a chiropractor for almost eleven years for a continuous back pain. The doctor said there was nothing he could do except treatments. She has not been to a doctor since you prayed for her, and her back feels wonderful and no pains.

We pray that God will keep you on national television, as the people and the country need you. You are an inspiration to many people and also to us.

We like what you say and the way you tell it like it is. You are not a "pussy-footin" preacher.

May God be with you and help you raise the necessary finances to stay on national TV and continue your good work.

## THANKFUL FOR GIFT OF HEALING

Dear Rev. Jenkins,

Every Sunday we watch your television ministry. We thank the Lord for your gift of healing and for all the people you heal and save through Jesus.

I am enclosing my donation to help with your ministry. I can't think of a better use than to help spread the Gospel of Jesus. It is heart-warming to hear Jesus' Name used instead of all the violence we are used to during the week. We will keep you and your ministry in our prayers.

## "JUST FROM WATCHING YOU I FEEL MY LIFE IS STARTING TO CHANGE"

LeRoy Jenkins,

I am in the Air Force, and I am stationed in Alaska. I have problems up here and would like to get out to be home with my family. When I went home on leave my dad went in the hospital. He has bleeding of the internal stomach lining. I sure would appreciate it if you would pray for him.

I have never been one for going to church or anything like that until I started watching you. Just from watching you I feel my life is starting to

change. I used to smoke dope and drink beer, until one day I told myself that I didn't need this. I just wish I had a lot of money so that I could send to you because if it wasn't for you I wouldn't be able to write this.

Thank God for all that you have done for me and my life.

## HEALED THROUGH TV PROGRAM BY THE WORD OF KNOWLEDGE

Dear Rev. Jenkins,

I am writing this about my mother who is 87 years old and has been crippled with arthritis for more than 2 years. First she was on a cane and then in a wheel chair and on a walker. I had to move her downstairs because she couldn't climb stairs.

Thanks to God, we were watching your program on WHON CH 20 out of Detroit on Easter Sunday when you had a Word of Knowledge of an old lady with a cane and a walker. You said God wanted to heal her, so you prayed the prayer of faith. When you said, in Jesus' Name, mother got up and she took off walking all over the first floor of our house, hands uplifted and praising the Lord! Thank You Jesus!! We cried and praised the Lord.

May the Lord bless you and your ministry.

## "AFTER I DRANK THE WATER, I DIDN'T SEEM TO NEED THE VITAMINS ANYMORE"

Dear Evangelist Jenkins,

Thank you for the Health Kit and the Miracle Water. I was surprised to receive the shipment so soon after I had placed my order.

When my health kit arrived I drank some of the water, and a great thing happened. I began to feel good all over. You see, I had been feeling really low in spirit, as though I didn't have much energy. The strange thing is that I had shopped for some vitamins that morning and didn't find the ones I wanted. After I drank the water, I didn't seem to need the vitamins anymore. I could feel the presence of the Holy Spirit.

Now I feel so great and so alive. I work so until I have to make myself sit down. I can now sleep good at night.

And the health food is delicious and nutritious. It is just wonderful. Thank you for letting God use you to help me.

## DELAWARE, OHIO

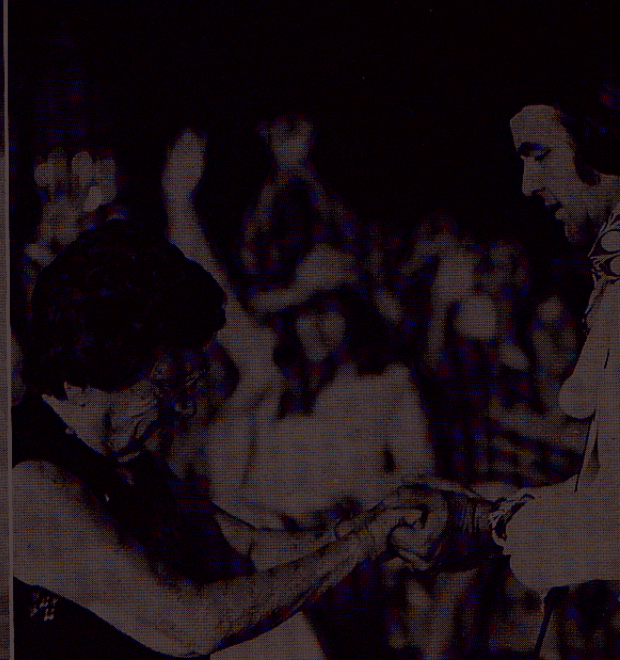

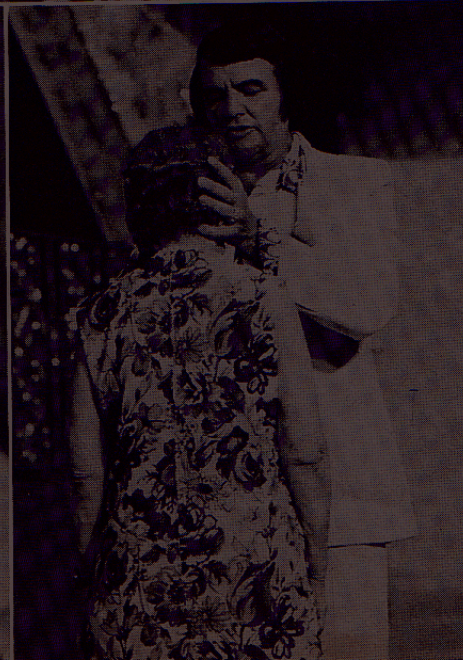

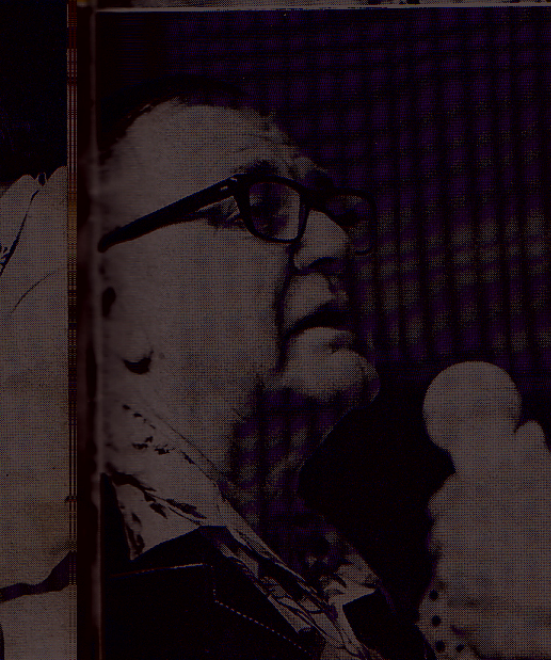

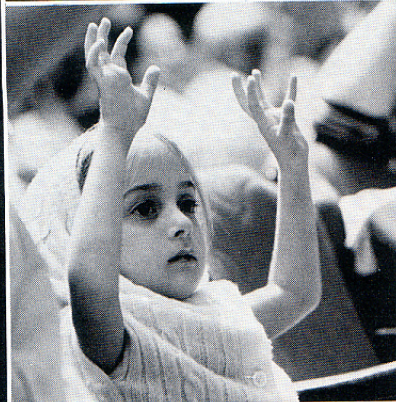

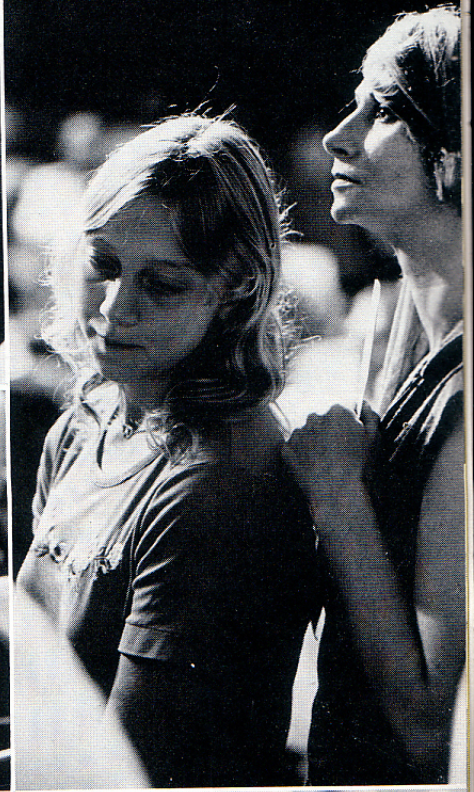

People from all over the United States attended the crusade held in Rev. LeRoy Jenkins' church, The Holy Hill Cathedral, located in Delaware, Ohio. The crusade was originally scheduled for 10 days, but Rev. Jenkins felt led by the Spirit of God to extend the crusade.

Special guest speakers for the crusade included Rev. Richard Diamond, assistant pastor of Holy Hill Cathedral and pastor of Faith Revivals, Mansfield, Ohio; Rev. Reeford Sherrell, pastor of a church in Dallas, Texas; Rev. Nelson Patterson, evangelist, Lancaster, Ohio, who was at the tent meeting when LeRoy Jenkins was saved and healed over 17 years ago; Rev. Bill Swad, pastor of Christian Center, Columbus, Ohio; and Rev. William King, pastor of a church in Detroit, Michigan.

In each service many were saved and set free from sickness and all

power of the enemy by the Spirit of God. God's presence could be felt as Rev. Jenkins preached and demonstrated faith to the congregation.

One of the highlights of the crusade was a water baptism. Young and old alike were baptized in the lake on Rev. Jenkins' property.

I am sure you can see from the pictures that everyone could feel the Spirit and love of God in a great way.

### "MY SEARCHING IS NOW OVER"

My wife and I decided to attend Rev. Jenkins' crusade in Delaware, Ohio, and we are glad we did. When Rev. Jenkins called me out and told me things that only God could know, I knew he was God's servant. He told me that God had spared my life, that I was a good athlete, and that God wanted me to be a minister of the Gospel.

I was always the guy voted "most likely to succeed", yet I failed at everything I tried to do. There was always something missing. I reached a point in my life when I just didn't know what to do or which way to turn. I had been drinking heavily and tried to satisfy the emptiness I felt inside, but nothing seemed to help. Then I reached the end of my rope and I finally told God I was unhappy with my life and asked Him what He wanted me to do. I turned in my Bible to John 15:16 and found the answer: "Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: That whatsoever ye shall ask of the Father in my name, he may give it to you." My answer was undeniably from God, but I still couldn't accept it. I was the most unlikely candidate to be a minister, but it kept eating at me like a cancer.

My life was still miserable even after God told me what I was supposed to do, but finally I got tired of running from God. That is when we decided to come to Delaware. Now I know God has a plan for my life, and my searching is now over. Thank God.

## LIBERACE RECOMMENDS MIRACLE DRINK

After LeRoy explained his health food diet to me, I decided I would try it for myself. I found it to be every bit as delicious as he said, and I feel so much better.

I start out each day with the "MIRACLE DRINK", and I have noticed a change in my weight after only a few weeks. My energy level seems to be at its peak. I don't seem to require as much sleep as I did before taking this wonderful drink. I find that it is even more delicious if you add a small amount of shaved ice. It tastes like a wonderful milk shake, and it is a lot healthier for you.

If you want to feel stronger and healthier, then I highly recommend that you try LeRoy Jenkins' health food diet. It has changed my life, and it will do the same for you.

**HERE IS A BOOK EVERYONE SHOULD HAVE--  
IT COULD VERY WELL  
CHANGE AND REVOLUTIONIZE YOUR LIFE**

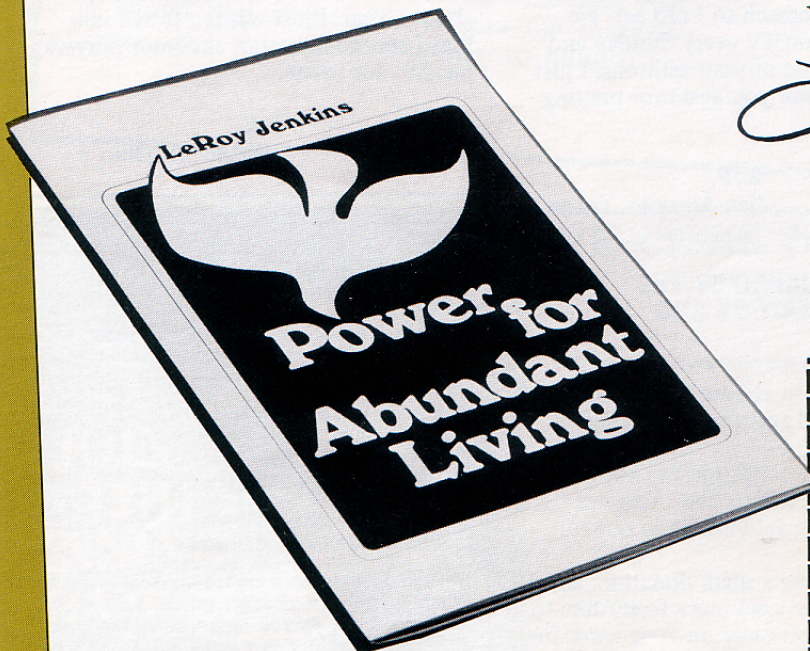

I have observed people in my services all over the country, and I have come to the conclusion that most people today are living unhappy and defeated lives. But Jesus came that we might have life and have it more abundantly. (John 10:10) That is the reason why I have just published a new book, **POWER FOR ABUNDANT LIVING**. I feel this book will be a real blessing to you because it tells you:

- how you can have the abundant life God promised to those who believe
- how you can pray and get a prayer answered
- how you can use your faith to see God perform the miracle you need.

Please be sure to send for your copy of this book, **POWER FOR ABUNDANT LIVING**, today. You may use the handy coupon provided below. And after you read **POWER FOR ABUNDANT LIVING**, be sure to write me a letter and tell me your feelings about the book.

Your evangelist,

LeRoy Jenkins

Rev. Jenkins, please send me your newest book, **POWER FOR ABUNDANT LIVING**. I am enclosing my offering to help with your ministry.

## TESTIMONIALS

### FAITH IS GROWING STRONGER

Dear LeRoy,

I thank you for praying for me and my sister. We are faithful to your ministry on television. My sister is well again. I thank God for it. We never miss your program. Your prayers are making our faith grow stronger. It has changed my life completely. I am so thankful. I will keep on watching your program and praying for you. God bless you.

F. H.  
New Tripoli, Pennsylvania

### "WE HAVE RECEIVED MANY BLESSINGS AND OUR FAITH HAS BEEN BUILT"

Dear Rev. Jenkins,

Enclosed is my offering to help with your TV. We watch you at 9:00 or 9:30 over WRET CH 36 in Charlotte. We have received many blessings and our faith has been built in watching you. We want you to continue on a station we can receive.

I was healed myself of rheumatoid arthritis five weeks ago. I have had this in a very active form since January 9, 1970. God bless you and supply every need.

Mrs. J. L.  
Kingsport, Tennessee

### FEVER LEAVES THROUGH PRAYER

Dear Brother Jenkins,

I see your program every Sunday on WLOS TV, CH 13. I am with you all the way because I believe in what you preach and what you show that God does. I also believe in miracles for I have had a lot of them happen to me.

The other Sunday my baby was sick and you prayed for those at home watching the TV. I laid him on the TV along with his Bible and as you prayed, he was healed. He had a high fever and the doctor had given him all kinds of medicine, but nothing helped. It just took the Lord to heal him. He is only two months old.

I really feel the power of God when your program is on. I get just as happy as you and the ones who get healed. May God richly bless you.

L. M.  
Pacalet Mills, S. C.

### "I HAD A FEELING THAT GOD WAS NEAR"

Dear Mr. Jenkins,

I wrote you sometime ago and asked you to pray for me, for my spiritual and physical healings.

On June 19 I was watching you on TV and you told us at home to join in for prayer. I did so, and I had a feeling that God was near. I asked Him to help me. My knees were giving out so much and I was in pain. As you were praying I felt as if tight bands were removed.

May God continue to bless you and your ministry. I know you are a man of God.

C. C.  
Belpre, Ohio

### PRAYER HELPS HER FEEL BETTER

Dear Rev. Jenkins,

I listen to you every Sunday morning on TV. I think you are wonderful.

Your prayers have healed my face and I haven't had any more heart attacks. Thanks to you and God, I feel much better.

V. S.  
Jackson, Missouri

### BLESSED BY THE SERMONS

Dear Rev. Jenkins,

I thank you and God every day for healing my stomach so I can eat. We listen to you on TV every Sunday and get so much out of your sermons. I just wanted to thank you again for praying for me.

K. P.  
San Antonio, Texas

### TOUCHED BY THE SPIRIT OF GOD

Dear Rev. Jenkins,

I again looked at your TV broadcast yesterday. And again I was touched by the Spirit of God.

My mother's condition has improved since my last letter to you. Also, we received a financial blessing in our home.

I am enclosing a small donation, and I will continue to send more from time to time to help you carry on your work for the blessed Lord Jesus.

L. D.  
Philadelphia, Pennsylvania

### "WE FOUND IMMEDIATE HELP IN OUR TIME OF TROUBLE"

Dear Pastor LeRoy Jenkins,

We found immediate help in our time of trouble. All my suffering and sickness is gone after using the miracle water and the health food diet. My mother is also eating better. This is the miracle you and I have prayed for so long. This really proves to me that God can do all things. Thank God for answering prayer.

A. H.  
Dallas, Texas

### "IT WOULD BE A DISAPPOINTMENT NOT TO GET YOUR TV PROGRAM"

LeRoy Jenkins,

Please find enclosed an offering to help with your TV ministry. It would be a disappointment not to get your TV program.

You wrote that you were praying for my eyesight. One eye doctor said that he could do no more for my eyes. I was sent to the university where I went this past week. The doctor said that my eyes were better and I could check back in about a year. I just wanted to tell you that I see much better, and your prayers meant a lot to me.

Dear Partner,

I am happy to be able to send you this issue of REVIVAL OF AMERICA. I pray it has been a blessing to you and your loved ones, and helped to strengthen you spiritually as well as physically.

I receive many letters from people telling how our REVIVAL OF AMERICA magazine has encouraged and helped them in their time of need. People have been won to God by reading about what God has done for others. Many had been previously unaware of God's love and power and the Gifts of the Spirit.

I am sure you will want to receive REVIVAL OF AMERICA in your home each month. I have lowered the subscription rate to \$2.00 per year. I would like to be able to give our magazine away, but it does take money to publish and

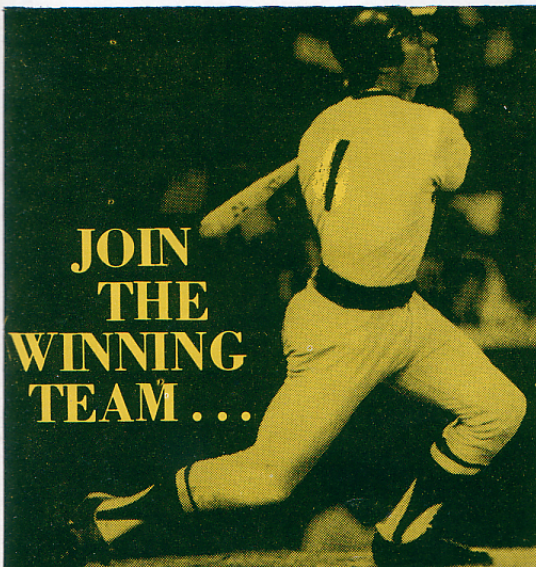

mail it to you. By ordering REVIVAL OF AMERICA on a yearly basis, you can be assured that enough copies will be printed to go around. And I am sure that our new low price of \$2.00 per year is something most of you can afford. That is less than 17¢ per issue.

Be sure to send in your subscription to REVIVAL OF AMERICA today. Fill out the handy subscription blank below. And when you write, be sure to include your prayer requests that we might agree together for God to meet your needs.

May God richly bless you.
