*“IF ANY TWO AGREE . . .
IT SHALL BE DONE.”*

(MATTHEW 18:9)

THE POWER OF A

"Again I say unto you, That if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven."
(Matthew 18:9)

WHAT IS FAITH?

The Bible tells us in Hebrews 11:1, "Now faith is the substance of things hoped for, the evidence of things not seen." Let me explain this verse by putting it this way — Faith is the title deed to a piece of property you know you own, even though you have not seen it yet. You may not have seen the property, you may not have walked on it, you may not have built a home on it, but you know that you own it. You know it is yours because you have the authentic piece of paper that says so. Faith is trust; it is a belief, a

confidence. Faith is knowing in your heart that God cares for you. It is knowing that God cannot and will not lie!

FAITH IS A GIFT FROM GOD

Paul says in Romans 12:3(b) that "God hath dealt faith to every man." Everyone has faith. We use our faith to drive a car, to eat, to buy groceries, to write a check, etc. We use faith every time we sit down in a chair. We use faith all the time.

Someone once said about faith, "Use it or lose it". It would be silly of you to go around wishing you

FAITH AGREEMENT

had a nice car to use for your vacation if you had a new Cadillac parked in your garage. People would think there was something wrong with you, and there would be.

The same thing is true of faith. You do not gain more by begging for faith which God has given you. You must use it and it will increase. Some people have prayed for more faith for thirty or forty years and they have less faith now than when they started praying for more. You need to stop praying for faith. Use what you have, acknowledge that you have it, and it will work for you.

FAITH WORKS AND JESUS CHRIST NEVER FAILS

You must put action to your faith, and you will find that faith works and Jesus Christ never fails. The next night after I was healed I went to church and told of my healing and prayed for the sick. God really moved for those people. I did not know then, as I know now, about the Gifts of the Spirit and using my faith, but I did know I had been healed by God. As I shared my healing with others, and as they received me, God honored our faith and blessed them. I have never stopped using my faith. Let me assure you that I have found out that faith always works and Jesus Christ never fails.

God wants you to trust Him. He is your personal heavenly Father. He wants to have fellowship with you. God will honor your faith. The responsibility is on you to honor Him with your faith and then He will respond. Only faith pleases God.

AGREEING FAITH INCREASES POWER

You can use your faith and receive miracles. I can use my faith and receive miracles and cause them to happen. Now let me tell you

a thousand and two can put ten thousand to flight. (Deut 32:30) Isn't that something? I do not understand it but I believe it because I have tried it and I know it works. I do not fully understand the digestive system or why I sometimes get indigestion, but I do not stop eating to find out why.

Just think about it. Our faith power increases when we agree together. No wonder Jesus said, "If any two agree, it shall be done."

If space permitted I would tell you of the many thousands of people who have been healed when I prayed the prayer of faith and they agreed along with me that it would be done. You see, they had to agree to be healed. The lame man could have pulled away from Peter and John and remained a lame man, but he agreed with them and was healed. (Acts 3) When God tells me something for you to do and I tell you, all you have to do is use your faith to agree with me.

Back in the 1960's in the tent crusades I would pour oil across the prayer ramp and tell the people to use their faith and walk across. The oil was a point of contact for them to release their faith. We saw so many miracles on those nights that it would take many volumes of books to tell about all of them. People write in their testimonies every day about using the Miracle Water as a point of contact. One lady was burned from a pressure cooker exploding. Her husband took the Miracle Water and splashed it all over her arms and chest. She has no scars today, even though her burns were at least third degree burns. Others call our prayer line or write for a prayer cloth, and then call back or write to tell of the power of agreeing in faith.

Some have been partners with me monthly in supporting my ministry with a monthly tithe or offering and

something that is even greater. When we put our faith power together it increases many times over. In the Old Testament we are given an example of this faith power when we are told that one can chase

people pay debts owed to them for years — and the list goes on and on. Some come crying, literally overwhelmed with their blessings saying they just cannot outgive God.

A FAITH AGREEMENT

You may want to write for a prayer cloth, some of the Miracle Water, or for some literature.

Whatever your need is, sit down today and write me a letter. I

CANNOT AGREE WITH YOU AS TOUCHING YOUR NEED UNTIL YOU WRITE ME. So I am asking you to let me make a faith agreement with you. I want you to do four things:

(1) Write the letter telling me of your needs and the miracles you are asking for from God.

(2) Pray over your letter, releasing your faith. Put it in God's hands and start praising Him for the answer.

(3) Ask God to show you what you should do to help the ministry at this time and enclose an offering as you are capable of and as God leads you. (You are not buying prayer or miracles. You are just putting action to your faith by showing God that you trust Him fully.) If you are unable to give anything at this time, I still want to hear from you, that we can agree together for God to meet your needs.

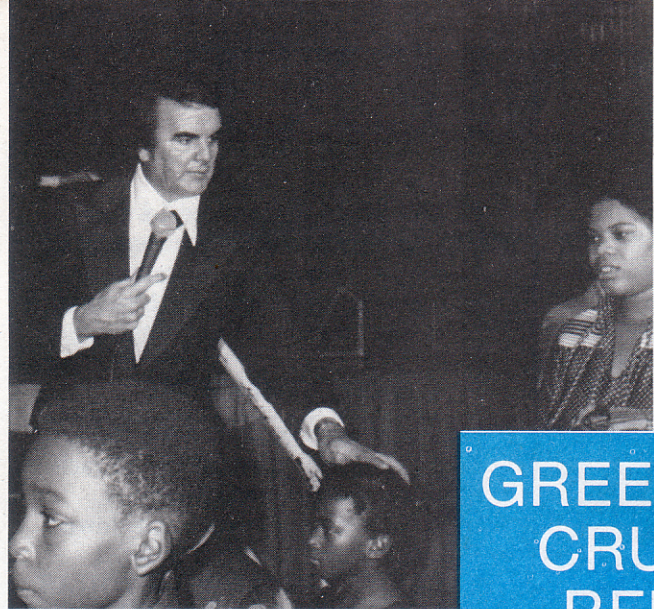

(4) Seal the letter and mail it. Let that be closing the case for victory.

When we receive your letter, my staff and I will pray and agree with you for your miracle. I know we will hear from you real soon with a testimony of how God heard and answered your prayers, all because you made a faith agreement. God bless you!

(EDITOR'S NOTE: If you would like to enter into a faith agreement with my ministry and pledge so much a month to help with the expenses of

praying daily with me. We have entered into a faith agreement. The results are almost unbelievable. People tell of financial miracles — better jobs — increase in wages — healings — smaller doctor bills —

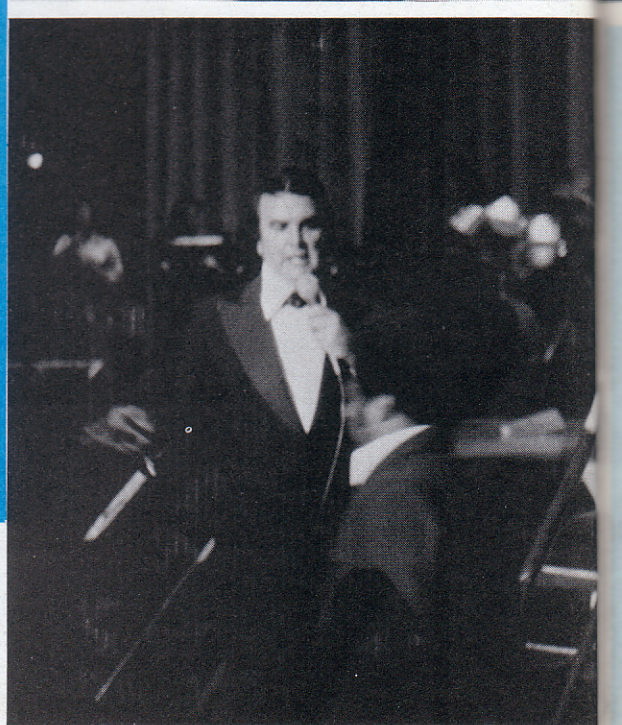

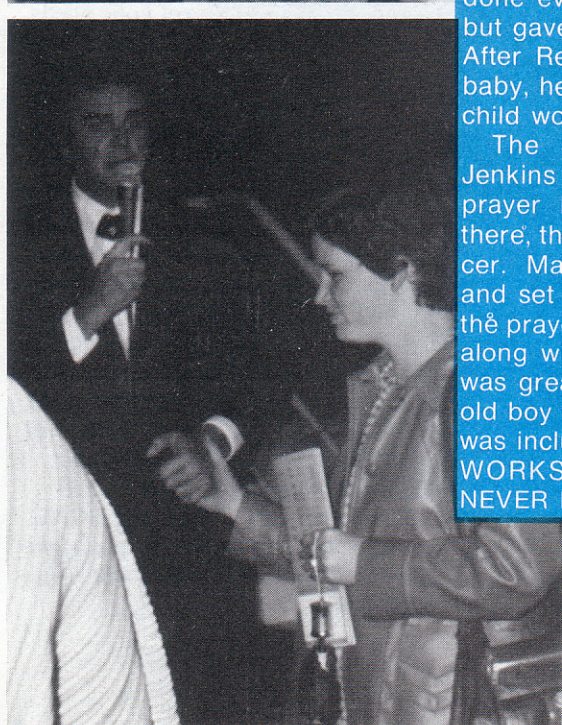

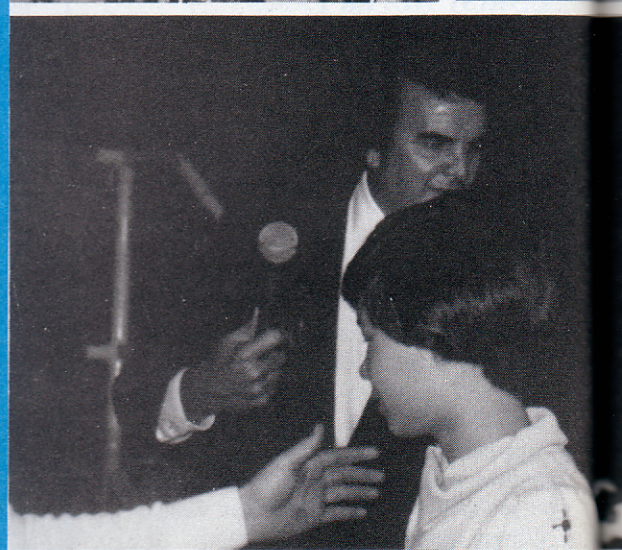

radio and television programs, write today for your PARTNER-SHIP FOR ABUNDANT LIVING booklet. We will send it to you right away, and I know that God will richly bless you.)

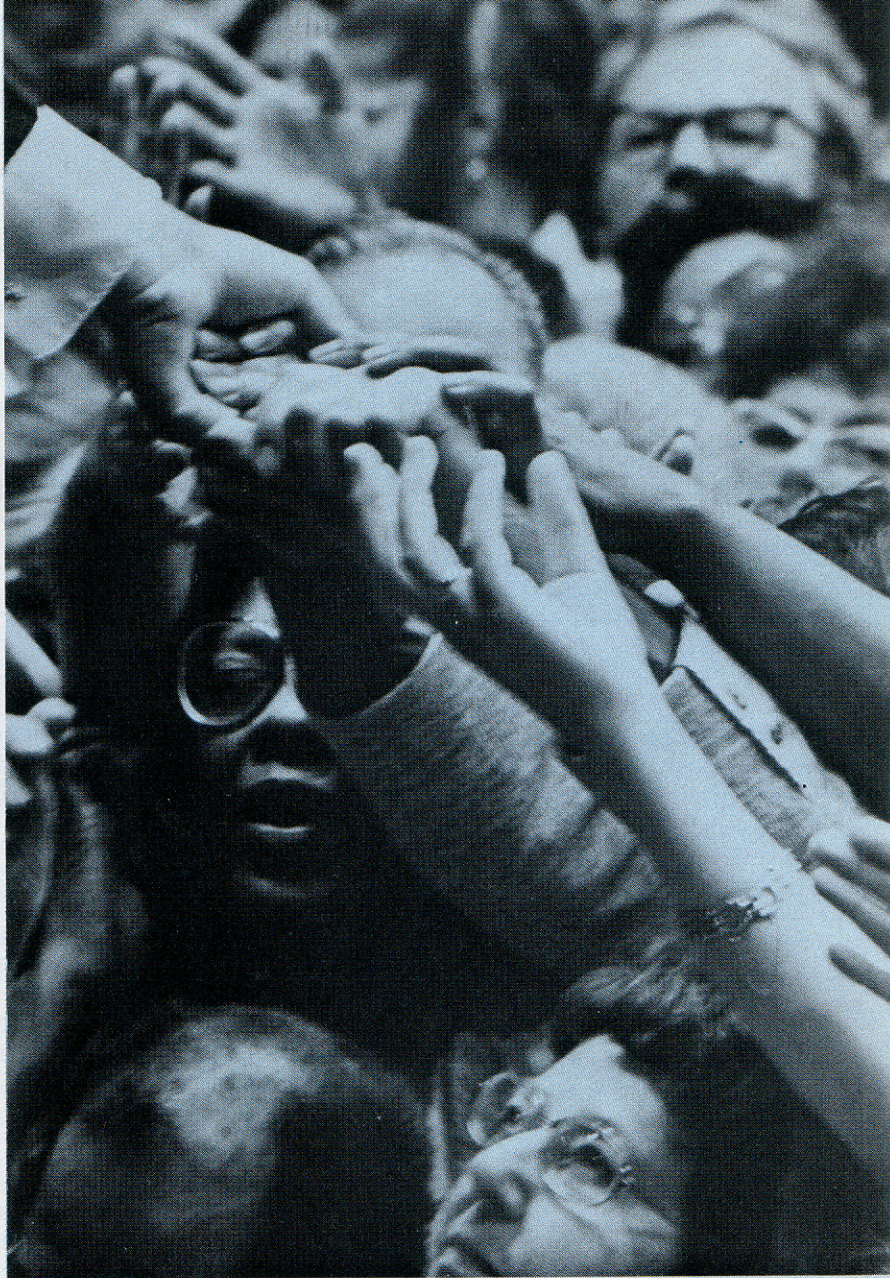

GREENVILLE CRUSADE REPORT

Although it was a rainy and dreary day, that did not dampen the spirits of those people who gathered at the Greenville Memorial Auditorium to hear God's Word and see God's prophet, the Rev. LeRoy Jenkins, minister to His people. God's Spirit could be felt in a great way as Rev. Jenkins taught about faith. He then used his faith as he prayed for several people throughout the auditorium. One lady was in a neck brace due to a back injury. After prayer, she was free of pain and could move her neck and back. Another couple had come all the way from California to have Rev. Jenkins pray for their baby who had an open spine and water on the brain. Doctors had done everything they knew to do, but gave the baby very little hope. After Rev. Jenkins prayed for the baby, he told the parents that their child would be alright.

The Spirit of God told Rev. Jenkins that if he would have a prayer line and anoint everyone there, that no one would die of cancer. Many people were touched and set free as they went through the prayer line and joined their faith along with that of Rev. Jenkins. It was great to know that a 13-year-old boy who was there with cancer was included in that prayer. **FAITH WORKS AND JESUS CHRIST NEVER FAILS!**

A Note From The Editor:

The following are excerpts from letters which we received in our office from people who stepped out on faith and had their needs met by God. As you read them, I am sure that you, too, can join them in praising God for His goodness.

I would like to challenge you to make a faith agreement and see if it won't work for you. I know that soon you will be writing, telling how God has moved in your behalf and met your needs. Why not let this be the year that you will step out on faith and receive all that God has for you? May God bless you as you seek to do His will.

"THEREFORE WITH JOY SHALL YE DRAW WATER OUT OF THE WELLS OF SALVATION." (Isaiah 12:3)

Dear Rev. Jenkins,

I praise God for your letter which I received today in the mail. A lady came to my house who was hurting all over and I gave her a swallow of the Miracle Water. The next day she was so amazed because every pain had left her body. Thank God!

Today I am believing, as I read your letter, I prayed over my needs. As I was holding your letter I felt such a relief that God is going to do it. Oh, I just thank God for the people being healed, saved and delivered from drugs and habits. Oh, thank God!

"AND GOD WROUGHT SPECIAL MIRACLES BY THE HANDS OF

PAUL: SO THAT FROM HIS BODY WERE BROUGHT UNTO THE SICK HANDKERCHIEFS OR APRONS, AND THE DISEASES DEPARTED FROM THEM, AND THE EVIL SPIRITS WENT OUT OF THEM." (Acts 19:11, 12)

Dear Rev. LeRoy Jenkins,

My faith has increased tremendously since I received my blessed handkerchief. I am now feeling much stronger, especially in my arms and legs. Thank you for all God's blessings.

Many blessings have come to me since I first attended services in Holy Hill Cathedral. My faith has increased tremendously. I have learned much by Rev. Jenkins' exposition of Holy Scripture and God's confirmation of His Word by the working of miracles in Jesus' Name. Thank you, Rev. LeRoy, and may your ministry prosper.

"BUT JESUS CALLED THEM UNTO HIM, AND SAID, SUFFER LITTLE CHILDREN TO COME UNTO ME, AND FORBID THEM NOT: FOR OF SUCH IS THE KINGDOM OF GOD." (Luke 18:16)

Dear LeRoy Jenkins,

I wrote you a letter about four months ago about my little boy who is 2 years old. He was sickly and ran a fever just about every night and sometimes had seizures and had to be taken to the hospital where he had to stay a few days and the doctor didn't even know what was causing it. So I wrote to you about my boy asking you to pray for him and I know that God answered your prayer for him.

Thank you very much for praying for him and also for praying for me and my family.

Ever since I wrote you about my little boy, he never got sick anymore, and his temperature stays right at normal and with all the flu, sore throats and other sicknesses going around, he never got sick and is a happy little boy. So I want to tell what God has done for him and that God is taking good care of him.

"COMMIT THY WAY UNTO THE LORD; AND HE SHALL BRING IT TO PASS." (Ps 37:5)

Dear Rev. Jenkins,

My husband, myself, my sister and our two children attended your crusade when you were in Fargo, North Dakota. While at your meeting in Fargo, God, through you, healed my husband of diabetes. The doctors, of course, cannot come up with an answer as to why he hasn't got it anymore, but we know, don't we?

Last July I had a lump removed from my left breast. It turned out to be a type of cancer which they said was inoperable. They said that they might be able to keep it dormant through radiation and chemotherapy, and if so, I will live. The medicine and treatment might do it, but I believe God can do a better job, and that through prayer, He will help me more. I really don't understand His many miracles, but I do believe He is going to help me.
