private prayer meetings and talking about the goodness of God.

HE IS SOON RETURNING

People began telling the story that Jesus is soon to come back again. "For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be." (Matt 24:27) When you hear the Gospel being preached through radio and television, you may know that the end is near. "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." (Matt. 24:14)

We are having more people saved than lost. There are people coming to Christ every day, and the number is getting greater. Out of that number that God has chosen (Matt 22:14), He said there are going to be 144,000 people that would carry His Name in their forehead -- chosen people of God! These people are going to be anointed of the Holy Spirit, dependable, and they are going to do whatever God tells them to do, whenever He tells them to do it.

Yes, one of these days, one of these mornings, one of these nights, people are going to be shaken, and they're going to think it's an earthquake. But this earthquake will reach throughout the world, and you will hear a loud sound of a trumpet like you have never heard before. (Matt 24:31) It is going to sound out, and the dead in Christ shall rise first. (1 Thess 4:16) Graves will open, and the sea will give up its dead. (Rev. 20:13) And the Bible says whosoever is not found written in the Book of Life will be cast into the lake of fire. (Rev 20:15)

WHERE DO YOU STAND?

Think of your life as a candle, slowly burning to the end. Some of you don't realize how near your life is over. For some of you, your candle is burning bright, just as bright as when your life began. And it won't go out until it gets to the part that burns and hurts the most. And you will be able to feel the sting of death like you can feel the sting of fire when you get too close.

I'd like to ask you, have you examined yourself to see where you stand with God? Think for a moment. If you knew your candle would go out today, if you knew you were going to die, is there something in your life you would change, is there an apology that you would make? Is there something you know

Recently in one of my crusades I had a most unusual service. I was inspired to do this service one day while lying in bed. I began to see the world; and as I was thinking about how the world began, little lights began to appear, until suddenly they were all over the world. It came to me that the lights represented the light of Christ that had been spread to people. This inspired me to preach on this topic. It was very effective. Many people were saved and filled with the Holy Ghost. I am giving the message of that service to you as an act of faith.

GOD'S COMMISSION

God sent His Son into the world to preach the Gospel, heal the sick, mend the brokenhearted, and set the captive free (Luke 4:18). Jesus said, "He that believeth on me, believeth not on me, but on him that sent me. And he that seeth me seeth him that sent me. I am come a light into the world, that whosoever believeth on me should not abide in darkness." (John 12:44-46) Jesus, in turn, told His disciples, "Go ye into all the world, and preach the gospel to every creature." (Mark 16:15) Ever since, the Word of God has been preached, and soon the light of Christ began to shine in Chicago, Detroit, New York, and over the United States and around the world. People began to hear the good tidings of the Lord Jesus Christ and what He was doing to free people from their sins.

As the light of Christ began to burn into the world, it burned into the Catholic church, and nuns and priests began to receive the infilling of the Holy Ghost. Soon Baptists, Methodists, Lutherans, Jews -- people of all denominations -- began having

Light Shine

you have done wrong and need to correct? You can't do that after death, my friend. It is appointed unto man once to die, but after this, the judgment. (Heb 9:27) You cannot repent after death; you cannot be forgiven after death. Today is the day of salvation. (II Cor 6:2)

If this was the end of your life, you would be shaken with fear. If you knew you were going to die, it would worry you. Why, you wouldn't mind writing the largest check you've ever written. You wouldn't mind sitting next to a black or a white person -- you wouldn't think you were better than each other. If someone could save your life, it wouldn't matter who reached out to help you, as long as they did. If you knew you were going to die, nothing would matter.

ONLY ONE LIFE....

There are still a few dark corners in the world. The Gospel has not been preached to all the world, but one day it will be. You may be wondering when Christ will return. The Bible says not even the angels in heaven know. (Matt 24:36,42) So the Bible says, be ye also ready, be prepared. If you are called on to do something, be ready to do it.

Only one life will soon be past, and only what you have done for Christ will last. What have you done for God? Have you

sacrificed anything to do something good for someone else? Have you thought of your neighbor as yourself. Whatever you do, you must do it now while you are yet able, while you are still alive. This is your preparation ground. "Do all things without murmurings and disputings, that ye may be blameless and harmless, the Sons of God, without rebuke in the midst of a crooked and perverse nation, among whom ye shine as lights in the world." (Phil 2:14 & 15) The Bible tells us to work out our own plan of salvation (Phil 2:12) and it tells us to work for the night is coming when no man can work (John 9:4). I believe that!

"Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matt 5:14-16)

Ladies and gentlemen, somewhere there are people dying this moment. But that's not you. You can live on, if you get your faith right. God can tell you where your pitfalls are. He can tell you of that affliction that is working on your body to take your life. He will not only tell you, but He can do something about it. But you've got to be dedicated. You have to get to

He is King of Kings and Lord of Lords!

Dear Rev. Jenkins,

In August, 1962, I attended your tent crusade in Sarnia, Ontario. I went through the prayer line and was healed of a fatal heart condition. My doctors had told me that I only had a few years to live and that I could never work again. That has been almost fourteen years and I just retired three years ago. I am now 85 years old and my doctor said my heart is fine. Praise God! Six years ago, I wrote you to pray for a friend of mine who had cancer. God healed her and she is thankful also for what God has done.

Rev. Jenkins, I watch your program every Sunday morning on Channel 20 and I pray for you every night. I hope that my testimony will help someone to have faith in God. I know that He keeps all His promises and that He is wonderful. He is King of Kings and Lord of Lords! I praise His Holy Name.

Now, Life is Worth Living

Dear Rev. Jenkins,

I was on drugs for about five or six years and I had done about everything from smoking pot to doing L.S.D. They had me to where I didn't care much about anything. I almost quit my job and gave up my home to become a drifter. There were times I wanted to give up all together and I didn't know which way to turn. I even thought I was insane at times. I had tried and tried on my own but couldn't quit completely. Then a friend told me about your TV program. I knew as I watched your program that I had to attend one of your crusades. I went to your Canton crusade just to observe and not for help. When you called for everyone with a drug problem to come forward, I wasn't going to go. The next thing I knew, I was walking to the front. A wonderful feeling came over me when you prayed and I knew that drugs would no longer be a problem for me. I want to thank you because it was in that meeting that I got saved and life has a fresh new meaning to me. I have had many blessings since that day and I know now that life is worth living when you love the Lord. I truly believe that all things are possible with God, and without Him, I am helpless. Praise God!

We Drive 170 Miles to Church

Dear Rev. Jenkins:

I thank God for your ministry because it has been a real blessing to us. I am happy that I am able to make bus arrangements for people to come from Detroit to your services. I am eager to see as many people as possible, blessed and won to Jesus Christ. I want you to know that we all love you in Detroit.

Christine King

I first heard of Rev. Leroy Jenkins through friends in Cincinnati, Ohio, who would drive over 100 miles to attend his church. I couldn't understand why anyone would drive that far to church. There were plenty of churches in Cincinnati that they could go to. When they asked me to go with them, I thought that it was silly to drive that far.

One Sunday, my wife and I decided that we would go with our friends to see Rev. Jenkins. We had to drive 200 miles because we live in Detroit, Michigan. We enjoyed the services, but Rev. Jenkins didn't pray for me. During that time, I was a diabetic and I had to take a shot everyday. I always gave myself the shot in the morning, before eating breakfast.

We were getting ready to make our fourth visit to Rev. Jenkins' church and I decided that I would not take my shot that morning. I said, "I'm going to believe that the Holy Spirit will lead Rev. Jenkins to pray for me." Praise God because that is just what happened! That morning, Rev. Jenkins stood me up and prayed the prayer of faith and GOD HEALED ME! For two weeks after that I did not take my shot. I returned to my doctor, and needless to say, my blood was normal. It has been over three years since I was prayed for, and I haven't had a shot since that day.

This ministry has been a blessing, not only to my wife and I, but to my church in Detroit, Michigan. Now we drive 170 miles to go to Rev. Jenkins' church. I pastor a Baptist Church in Detroit, and my wife makes the arrangements for us to bring two chartered buses from Detroit to Delaware twice a month. Thanks be to God!

Obedience Works

I had bronchial asthma all my life - 56 years. For seven years I had a stiffness in my hands and they were very painful. I couldn't open and close them because they would hurt so bad. You called for group prayer in church and told everyone to put their hand on their affliction as you prayed. I was obedient, and I did just that! I felt like a heavy tightness had lifted from my chest and my hands felt tingly. I didn't realize what had happened until a few days later when I was working hard, I noticed my hands didn't hurt. I could even make a fist. Also, I was walking down the street in the cold wind and I didn't get pains in my chest. That never happened before. Always the winter was very hard on me. I knew then that God had healed me.

I'm One Healed Skeptic!

In May 1970, a friend invited me to go to the Leroy Jenkins' Springfield Crusade. I went out of dedication to my friend, not because I believed in his ministry. I had always believed in God, but I thought preachers who prayed for people to be healed were phonies. Let's face it --- I was a skeptic.

At that time, I had an inward goiter that had grown to the size of a man's fist. The goiter had my wind-pipe pushed to one side and it was very painful and difficult to breathe. My doctor refused to operate because my nerves were so bad that I had to take 6 tranquilizers a day!

Being in Rev. Jenkins's meeting for the first time, I watched skeptically as he called people out and prayed for them. He would tell them things that they said only God knew. I didn't know what to think. I said, "God, if this thing is real, let him come to me." Well, he came my way, but instead of coming to me he asked the man in front of me to stand. When he began to pray for him, I felt a warm sensation come over me, and it felt like my neck was on fire. I thought, "Lord, is this it, am I being healed?"

I returned to my doctor and he said it was truly a miracle. He couldn't find any trace of my goiter and found my nerves were normal. Thank God, I haven't had to take a tranquilizer since that day. I have grown spiritually under this ministry and have learned much about the ways of God. I praise and thank God everyday for what he has done for me and for leading me to Rev. Jenkins, a man filled with God's love. I am one *healed skeptic!*

Dear Rev. Jenkins,

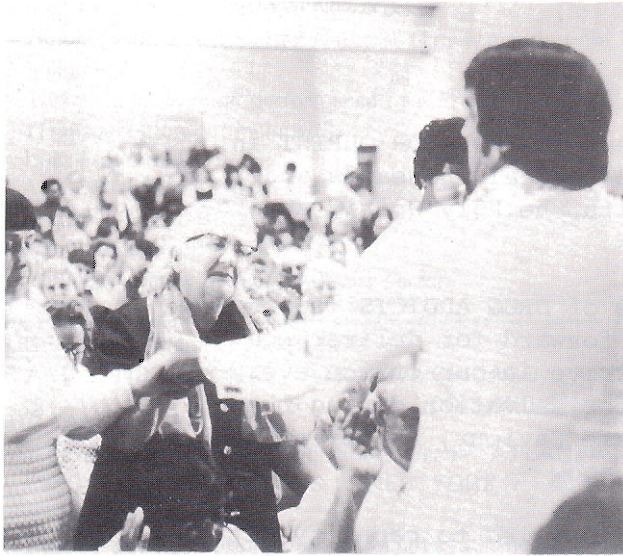

First I want to tell you that I thank God for sending you to us. I know that it is through your obedience to the Word and to the Spirit of God, that I received my healing on March 7, 1976. When you prayed for me, my left leg was lengthened in front of thousands of people. I will be bringing you copies of my X-rays (before and after I was prayed for), and a report from my doctor. I want to glorify God in what He has done for me. Even more important than my healing, through your ministry, I was born again. I felt I was a Christian, but you have taught me how to really dedicate my life to Jesus. Last July, my son died. I always thought if that ever happened to me that I wouldn't have the strength or desire to live. Thank God for your ministry, because you taught me how to trust the Lord in all things, and that all things work together for good if you love the Lord. The Holy Spirit was my comforter because I did trust in Jesus through it all. Thank God for you and your teachings.

God Bless You Rev. Jenkins

Through it all, I learned to Trust in Jesus

I went to the Man Upstairs!

I had high blood pressure and heart failure for 25 years. I was under the care of a heart specialist and I was taking medication daily, including nitroglycerine. Last September, my daughter and son-in-law took me to Rev. Jenkins' crusade in Springfield. He was in the aisle and looked towards us and said, "Lady, over there." I thought to myself, he can't mean me. My daughter nudged me and said, "Mother, he is talking to you." When I stood, Rev. Jenkins said, "Lady this is your day!" He had my daughter stand and took both of our hands as he prayed. Thank God, because I returned to my doctor and he found my heart and blood pressure normal. He was astounded by the results and asked what happened to me. I told him I went to The Man upstairs. He looked at me skeptically and said, "I don't know what you're doing, but keep it up, because it's working for you, you're fine." He took me off medication and I haven't had to take it since. Praise God!

In Darkness, Four Years

Dear Rev. Jenkins,

I have lived in misery for the past four years. The retinas in my eyes were damaged, causing blackouts, and the doctors said that there was nothing that they could do for me. The blackouts were such a terrible experience, that it hurts to talk about them. This was a very hard time for my children. They needed their mother, and I was having so many blackouts, that I felt my life was over. Then one day I saw your ministry on television. My heart felt like crying because I wanted to be there. When I heard you were going to be in Brooklyn, I knew my prayers had been answered. You called me out in the service and told me exactly what had been happening in my life. I thank God, that when you prayed, the Lord healed me. I can see again and the ringing I had in my ears for 8 years is gone. I don't know how I can thank God enough for what He has done for me and my family. Your ministry has been a blessing to my entire family. I have told all my friends about your ministry, and they too, are eager to watch your television program each week. Praise God for his goodness!

CRUSADE

CHICAGO, ILLINOIS

In 1973, the first Chicago Crusade was held in the auditorium of Lane Technical School. The 2500-3000 people were so instantly warm and responsive to the works of the Lord there. It was as if the Lord handed Rev. Jenkins a church body there -- a far greater gift than any church building, no matter how grand and beautiful that building might be.

Two factors, God's goodness and the response of the people, multiplied the crowds so that the crusades were scheduled at the Auditorium Theatre for several meetings. It was necessary then, to move the crusades into one of the largest meeting places in Chicago: Arie Crown Theatre at McCormick Place. At each crusade it seemed that over half the people were there for their first time. In each crusade more than half the people stood for salvation because their hearts and their souls were so touched by the presence of the Lord and by His works of healing and deliverance.

When people can see for themselves the greatness and the goodness of God and the benefits He has for His children, they can't resist giving their hearts to Him and accepting the Son of God into their hearts and lives. This is the reason that people are so inspired to help Rev. Jenkins' ministry, that others might be blessed, too.

After so many people were introduced to this ministry, there came a day when it seemed that everyone in Chicago who had ever attended a crusade decided to come at the same time. On January 11th the auditorium was completely filled, with hundreds standing, and several thousands were locked out, standing in the lobby. The power of God fell on those in the lobby, as well as those in the Theatre. Many were healed and saved right there, as they praised the Lord.

At the last crusade in Chicago on March 21st, an over-flow room was provided so that more people could be seated and could at least hear the service. That was filled, and again,

several hundreds were turned away. The faith and expectancy, the love and unity, the need and desire of the people was so great that the Lord granted Rev. Jenkins a greater anointing to do His work! The gift of knowledge that God gave him was expanded and deepened so that Rev. Jenkins was able to call many by name and to tell them in great detail about their problems and their sicknesses and about those at home who were in need, too.

The Lord set so many people free and took them into His kingdom! As Leroy Jenkins prayed for a deaf mute, he began to hear -- and to speak! A woman who had a deteriorated hip began walking and running after the Lord healed her!! The platform was filled with young people who had come forward to be delivered from drugs. For some it took a great deal of courage to chance being arrested for publicly admitting they used heroin. A ten-year-old and two twelve-year-olds were among that number! They had been on drugs for two years!

The Lord always moves in fantastic ways at each crusade in the city of Chicago.

CANTON, OHIO

At his home church in Delaware during the morning service, February 15th, Rev. Jenkins told his congregation two things that the Lord showed him about the service to be held in Canton that afternoon. There was to be a frail woman there who was dying of cancer. She was there! Since the Lord healed her that day, she has been to church in Delaware and has gained weight and strength.

Rev. Jenkins also told his Delaware congregation that 5,000 people would stand for salvation at Canton. It was a beautiful sight to see them all when they stood. And it was a beautiful sight to see 22 drug addicts join hands in a circle at the front of the huge auditorium of people and pray for each other for continued deliverance after Rev. Jenkins had laid his hands on them and had prayed for their release.

REPORTS

Rev. Jenkins was able to wipe a cancer from a woman's nose after the Lord drained it and healed it from the inside out. She sat looking at it in a handkerchief in awe and amazement.

Then the Lord led him to the back of the auditorium to a little boy who had cancer and tumors on his head. The Lord gave Rev. Jenkins a very special anointing to pray for that little boy in tongues and to prophecy a great blessing over him. Since that day, his hair, his eyelashes and eyebrows have grown back, and he has had to have a hair cut!

The Canton Crusade had been planned for 6,000. At the last minute an extra 4,000 chairs were set on the floor. Again hundreds stood at the back of the Canton Memorial Auditorium and many more hundreds were turned away at the door. At this first crusade in Canton, God has begun a marvelous work.

CHARLOTTE, NC

As Rev. Jenkins approached the Ovens Auditorium, February 27th, for his crusade there, he wondered impatiently about the cause of the terrible traffic jam in the area that slowed him down. He was amazed when he found that they had all come to see him!

Statistics show that people in great numbers are leaving churches where there is no concern for their souls, where salvation is not preached and where the power of God is not demonstrated to them. These people either give up church altogether, or they go out searching for the reality of a living God.

Thank God that people can find such reality in the ministry of Leroy Jenkins. People had travelled to Charlotte by faith for hundreds of miles and had waited for hours to hear this man of God. People by the thousands sat on the grass outside the auditorium in anticipation and hope, and in disappointment that they had not arrived in time to get a seat inside. Even Rev. Jenkins' aunt and uncle were not able to get in the auditorium!

Rev. Jenkins was so touched by the eager response of the people in his home area that he arranged for loud speakers to be installed for those outside that their hope and anticipation might not be in vain. Those people with a soul-hungry search were over-joyed to stand for salvation after they had witnessed and experienced the presence and the power of the living God!

After Rev. Jenkins arrived home, he found that many of the people had been mistreated by some of the firemen who were over-zealous in trying to control the crowds. Rev. Jenkins wants to extend his personal apology for their behavior. For this reason and because of the over-whelming crowd, the next crusade scheduled for Charlotte on May 30th will be held in the Coliseum next door. Many more thousands will be seated inside to witness the greatest ministry of our day.

DETROIT, MICHIGAN

And so it has been in each crusade. The Lord is drawing more and more people to hear the end-time message He has given Leroy Jenkins to deliver. Jesus is returning -- SOONER THAN WE WOULD DARE BELIEVE. He is so eager to have people believe, and to know Him and to accept Him! In each city the Lord has sent people to the crusades who do believe, people who are faithful helpers. There are such faithful helpers in Detroit, too.

The Detroit Crusades were first held at Cobo Hall, then at Ford Auditorium, as the attendance grew. And again, thousands had to be turned away because the seats were all taken.

The Lord again delivered many drug addicts there on February 1st, as He had been doing in several crusades. Some had to be coaxed from the balcony, through the gift of the word of knowledge concerning their situations.

The Lord revealed several people who were doing His work and had Rev. Jenkins to bless them for even greater works in His Name.

ROCK HUDSON STORY

In 1972 I was in California at the Holiday Inn, downtown Hollywood; and as always, Miss Mae West knew that I was in town. She called to tell me that she was going to be put in the wax museum. I said to her, "I thought you had to be dead to be there." I didn't understand that they made wax figures of people while they were alive. We both had a laugh about that.

She asked me if I would like to come along as her escort. And of course, I said yes. When the limousine pulled up, to my surprise she had another escort and that escort just happened to be Rock Hudson.

We went to the Movieland Wax Museum in Buena Park, California, and the wind was blowing when we arrived. The stage was outside and made it even worse on Mae West, blowing her long blond hair around. She didn't seem to mind. She went right on with her speech.

Rock Hudson introduced her and they gave her a nice round of applause, as always. He talked awhile and people seemed to enjoy him as well. Afterwards, the manager showed us all around the museum. We enjoyed it very much.

Then later, we went to a nice restaurant for dinner. Rock Hudson sat next to me and Mae West was at the head of the table. We began to discuss my occupation and he asked me if I was an actor or an entertainer of some sort. When I told him that I was a minister, he said, "You certainly don't look like one to me." I asked him, "What do ministers look like?" He said he always thought of a minister with a black coat and a turn around collar. I told him, "No, the Bible says that God looks on the heart but man looks on the outward appearance."

He sat for four hours and drank one cocktail after the other. He asked Miss West if she believed in my ministry...had she ever seen a miracle...and she said she had many times! She proceeded to tell him of a lady in one of the crusades that was in a coma...and after I prayed for her, the woman opened her eyes and talked. He said, "I would have to see it to believe it, because I have never seen a miracle before."

After four hours of talking about God most of all, I dismissed myself and told everyone that I would have to leave. Rock Hudson said, "There is a piano over there. Why don't you sing a song?" There were quite a few people in the place and I was a little embarrassed. I felt honored that he wanted me to sing a song, so I did.

There is just something about people that you watch on television or see at the movies that makes them sort of interesting to see them in person. I found him to be very outspoken, down to business and to the point. So you cannot ask for anyone to be any more honest than Rock Hudson was. Well, to sum it all up, he was a pretty nice person but not my cup of tea!

16 YEARS!

The early years of Leroy Jenkin's life was filled with heart break, anxiety, and a lot of tears. He knows what it means to be hungry and ragged. But during those hard times as a young child, God was speaking to Rev. Jenkins and giving him the comfort and guidance he needed.

The first time God spoke to him was when he was only five years of age. His mother had just had a nervous breakdown and was down to 90 pounds because of the lack of proper food, etc. As Leroy watched them take his mother from the house to the hospital, the Voice of the Lord said to Leroy, "You don't have to worry. I am going to take care of you. I have a great work for you to do."

Leroy Jenkins heard that same voice many times down through the years and tried to run from it, but could not.

On Mother's Day, May 1960, Leroy Jenkins found himself inside a church, again hearing the Voice of God but not heeding. He left the church and went home knowing that tragedy was awaiting him. He came face to face with God when his arm was severed while removing a 250 pound plate glass window.

The doctors could not save the arm. They tied the tendons, leaders and arteries up in the shoulder in preparation for amputation. But Leroy's brother, Harold, would not allow them to remove the arm. So they sewed the lifeless limb back on.

Nine days of pain and suffering went by. He was released from the hospital, signing his own release, going home to die. Doctors only gave him three days to live, because gangrene had already set in.

A friend took Leroy Jenkins to a healing crusade where God miraculously touched and healed his arm, restoring it with new life...saved him and filled him with the Holy Spirit...all in one night's service.

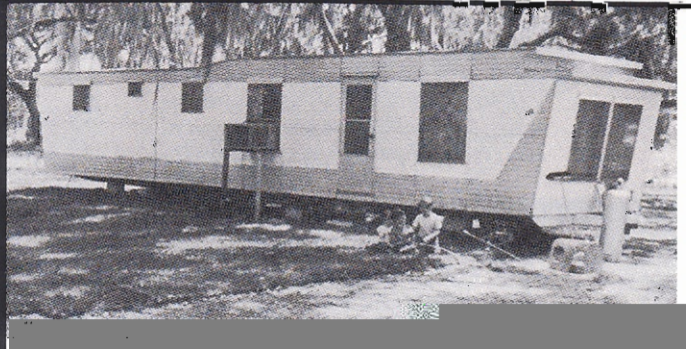

Since that day, sixteen years ago, Leroy Jenkins has been listening to the Voice of the Lord and carrying this wonderful Gospel Story of Jesus Christ and His miracle power to millions around the world.

The following pages of pictures relate to this ministry and the tremendous progress that has been made in the last 16 YEARS!

EARLY YEARS IN THE MINISTRY.

He traded his home for this trailer and an organ.

First tent meeting.

As his ministry grew he had to get a larger tent to contain the crowds.

Leroy Jenkins' last tent before going into auditoriums and arenas around the world. Thousands of people were won to Jesus Christ and healed in this tent.

In 1965 Leroy Jenkins receives award for being the World's Most Unusual Evangelist.

The fire of 1971 destroyed the Boys Ranch and the Evangelistic Headquarters—but with the attitude of Job, "Though He slay me, yet will I trust Him" Leroy Jenkins has been blessed by God, just as God blessed Job after his trials. Below is the beautiful Holy Hill Cathedral in Delaware, a testimony of Leroy Jenkins' trust in God. Services are held every Saturday night at 7:30 p.m. and Sunday at 11:00 a.m.

Through the years, Rev. Jenkins has prayed for many celebrities, including 1972 Miss America, Laurie Lea Schaefer.

LEROY JENKINS FAMILY

Leroy Jenkins with three of his eldest children: Left to right, Dennis, Danny & Candy: God promised Rev. Jenkins if he would do His will, He would take care of his children. God has not failed His promises. Today they are helping their Dad, singing and doing all they can to promote the Kingdom of God. They have just recorded their first record, soon to be released.

Danny and Manat Jenkins listen respectfully as Rev. Jenkins advises them on the responsibilities of their new life together. Danny is Leroy Jenkins first born and he is now a featured solist in the crusades. He has released his first recording with another record to be released soon.

A familiar sight to friends, since Leroy Jenkins enjoys the hard labor involved in scraping the parking lot and building the church.

Rod Sherrell has been with Rev. Jenkins for 12 years. He's like part of the family. He films the television programs which are aired on approximately 40 stations in the United States every week.

An unfamiliar sight, Leroy Jenkins completely relaxed in hotel room, overlooking downtown Chicago.

Young people are especially attracted to Leroy Jenkins' vibrant ministry. They are so grateful to find a ministry that demonstrates and manifests the Word of God.

Leroy Jenkins has appeared on local TV talk shows, as well as nationally syndicated talk shows. During a recent appearance on the Johnny Walker Show (WKEF-TV, Dayton, Ohio), Rev. Jenkins shows Johnny Walker the scar he carries as a reminder of the day God restored his arm. Below, Leroy Jenkins discusses his ministry on Virginia Graham's Show. He has also appeared on the Merv Griffin and the A. M. America Show in New York City.

Rev. Jenkins stops to visit with the officers who helped in the Canton Crusade.

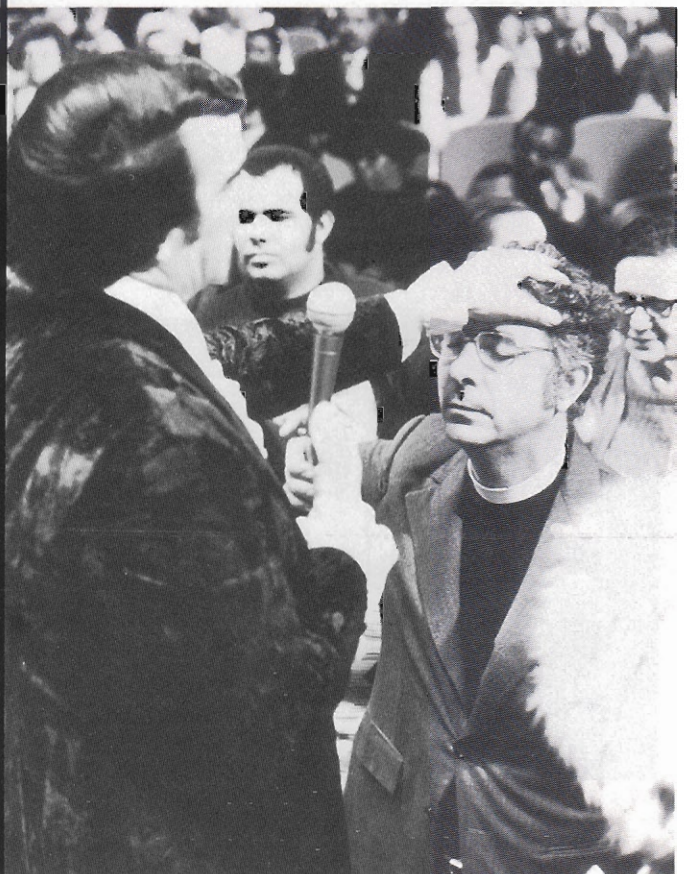

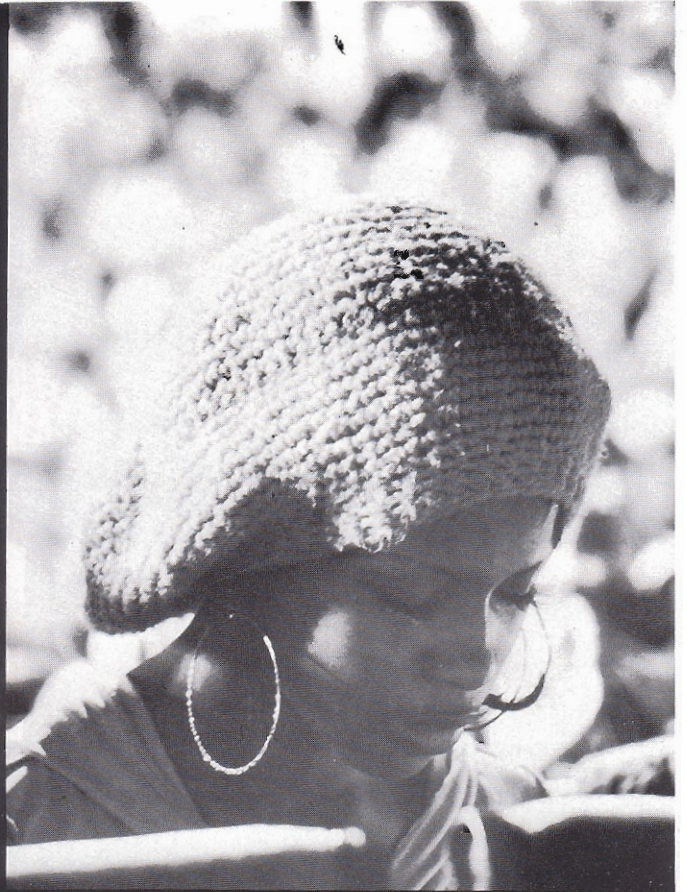

An Act of Faith.

Leroy Jenkins has prayed for the young and the old of all faiths and races. His love and concern for all people has touched the hearts of many.

Thousands of people, young and old are touched by Leroy Jenkins' ministry every year.

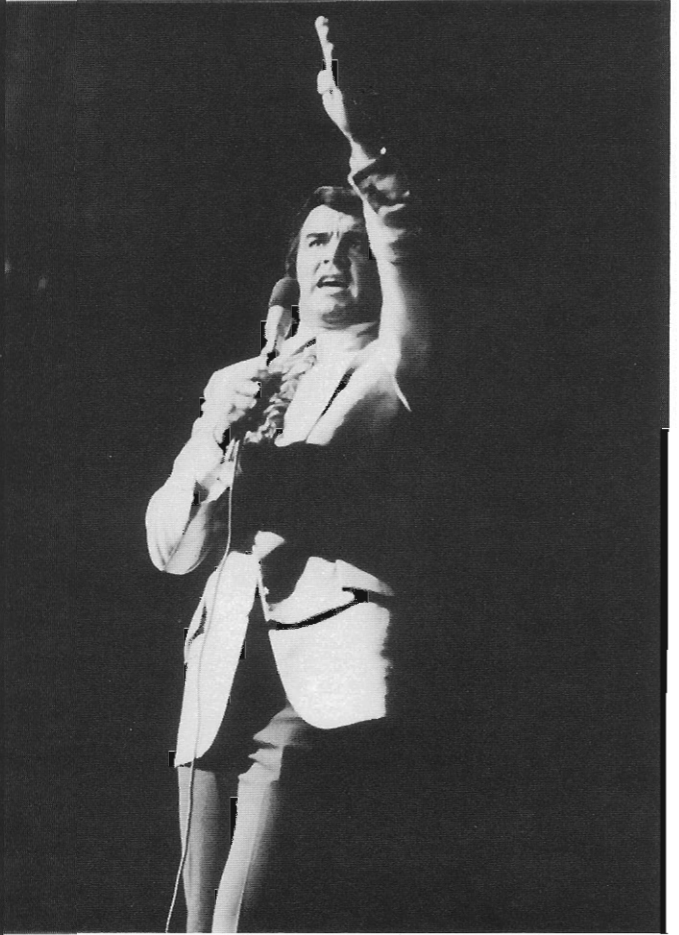

"Joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance." (Luke 15:7)

This is a typical 1976 crusade crowd shot. Hundreds of people are turned away at every crusade meeting. Leroy Jenkins' prayer is "Lord, increase my ministry each year." God has given the increase and we know He will continue to honor this prayer!

The result of 16 years is countless thousands of people won to Our Lord Jesus Christ through the ministry of Leroy Jenkins. In recent crusades over 40,000 people accepted Christ into their hearts and lives....bringing into reality the scripture, "Whosoever shall call upon the Name of the Lord shall be saved." (Acts 2:21)

"He that believeth on me, the works that I do shall he do also; and greater works than these shall he do: because I go unto my father."**Leroy Jenkins believes the past 16 years is only the beginning of what God is going to do through this ministry because of Christ's soon coming!

**John 14:12

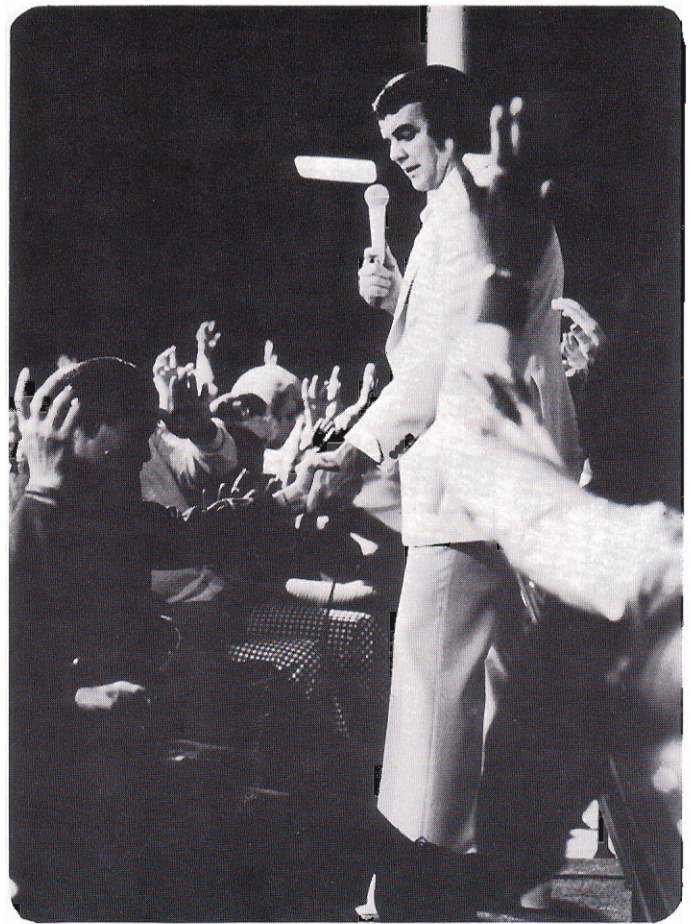

The fields are white to harvest, and the Lord is raising up new workers!

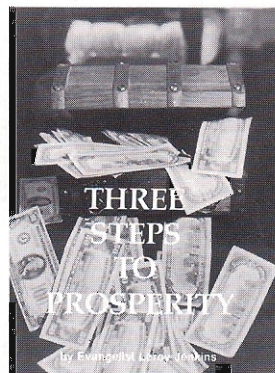

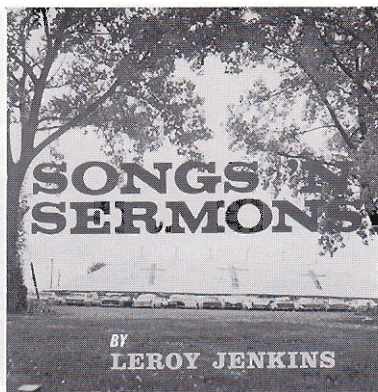

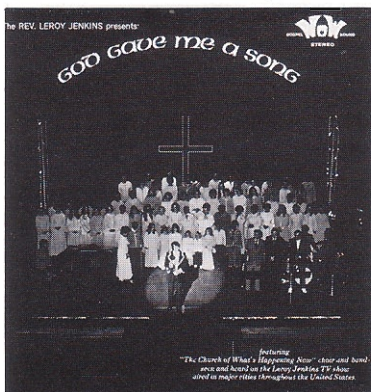

SUMMARY

It's a very sad thing to know that many people must be turned away from the crusades, when there is so much need in their lives; when they, too, need to hear the gospel in its fullness and its entirety. During the past few crusades, 40,000 have given their hearts to the Lord. People are so hungry -- and God is more than willing to pour out His Spirit to feed these hungry souls.

The response to the recent crusades has been proof that God's Word to Leroy Jenkins is true -- that he is to deliver the end-time message that will reach the entire world. Praise God that there is truly a prophet in the land who can demonstrate the Word of God.

The books and records that are made available to you on this page have been written and recorded for your spiritual and physical benefit.

Many people ask me the question, "How do you hear God's voice?" In answer to this question, I have reprinted my book, HOW I HEAR GOD'S VOICE. It is a book that I feel will help you to hear the Voice of the Lord that speaks within you and that will enable you to follow His plan for your life.

God said in Jeremiah 7:23 "But this thing commanded I them, Obey my voice, and I will be your God, and ye shall be my people: and walk ye in all the ways that I have commanded you, that it may be well unto you." When you have accepted Jesus Christ as your Saviour, then He is your Shepherd and you are His sheep. Jesus said in John 10:27 "My sheep hear my voice and I know them and they follow me."

This book and the other materials are available to you through donations to this ministry. Please be sure to include your prayer request when you write.

May God richly bless you as you use these tools of Christian witness in your everyday life.

the point where you think more of God and His house and what you can do for God than for yourself. And that's where the big difference comes in. It doesn't matter if you are 80 years old, you had better start doing something. Lots of times people will listen to you before they will me.

The devil might be telling some of you, "You don't have to do anything about this. You're all right. You are not a candle. Your light is not burning out." But it is.

Some of you really and truly don't believe that one day you'll be confronted with death. "For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth forever." (1 Peter 1:24,25) "Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapor, that appeareth for a little time, and then vanisheth away." (James 4:14)

BELIEVE ON THE LIGHT

While you still have time, while your candle is still burning, you need to make sure things are right between you and God. You don't have much time before the Lord returns. "Yet a little while is the light with you. Walk while ye have the light, lest darkness come upon you: for he that walketh in darkness knoweth not whither he goeth. While ye have light, believe in the light, that ye may be the children of light." (John 12:35,36)

If you should die before you wake, make sure that you have made that commitment -- that you have believed on the light. Where do you stand? What side of the fence are you on? One night in my crusade a man over 80 years old was there. God saved him, filled him with the baptism of the Holy Ghost, and he died, right there in church. You never know when your candle will burn out. You never know what is waiting just

around the corner.

So while you have a mind that you can make up, and a tongue that you can confess with, I want to ask you, where do you stand with God? How many will say "Rev. Jenkins, I would like to have Jesus Christ in my life; I'd like to confess all my sins; I want to stop doing wrong and talking about people? And I want to do more for God because I realize this is where it's happening?"

If you want to make your decision now, I want you to repeat this prayer, and mean it when you say it. "Father, forgive me of my sins and trespasses. Forgive me of all my wrongdoings, and help me to be stronger. Let me be a light shining in the darkness that I might help some other soul find the way. In the Name of Jesus Christ, I ask it, Amen."

If you have prayed this prayer and made a commitment with Christ concerning your life, I would like to hear from you. Your testimony of faith and salvation will be most welcome. Please take the time to write me a letter today. Remember...
YE ARE THE LIGHT OF THE WORLD...LET YOUR LIGHT SHINE.
