"I Am The Lord, and I Change Not" *(Mal 3:6)*

Many people today are confused when it comes to the things of God. Most people have never seen a miracle take place, and they have never felt the power of God. And when they are asked to come to a church where the Spirit of God is, it seems like they always have some excuse.

A lot of people believe what some old busy-body says more than they do reality and seeing it happen. But I am a firm believer that I am going to look and see a matter before I judge it. I am going to see how much good is being done. You owe it to yourself not to take anyone's word for anything, but to go and see for yourself. And if it is true, you will find it to be true.

You have to believe like I believe if you believe right, and if you don't believe like I believe, then I don't believe that you believe right. I'm not picking on anyone. I'm just merely preaching the truth.

"There is a way which seemeth right unto a man; but the end thereof are the ways of death." (Prov 14:12)

The Bible plainly states that in the last days there would be people who would be lovers of pleasure more than lovers of God, and that they would have a form of godliness, but would deny the power thereof. (II Tim 3:4,5) God tells us that we should stay away from these people.

Christ warns that in the last days before His return, many would come and say they are Christ. Now let me explain that to you. They won't be saying, "I am Christ with nail scars." But rather they will be saying, "This is God." "This is Christ." "Believe this, because God said so." When this happens, Jesus said to believe it not. (Matt 24:23) "For there shall arise many false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect." (Matt 24:24) "Wherefore if they shall say unto you, Behold, he is in the desert, go not forth; behold, he is in the secret chambers; believe it not." (Matt 24:26)

The Bible says all these things **must** come to pass before the coming of Christ. But don't be alarmed. It also says you will know them by their spirit, and you will know them by the

fruits that they bear. (Matt 12:33) This indicates that God expects His people to produce, for they will be known by the good they are doing. Now that's what the Bible says.

You can't believe what anyone tells you, other than what God's Word declares. If you do, you will be mixed up and confused constantly.

There is only one form, the real true form, of God. And all others are counterfeit. They are not any good, and they won't get you anywhere. The Bible says there is one body, one Spirit, one Lord, one faith, one baptism, one God and Father of all. (Eph 4:4-6) AMEN! You must go through this one Lord to get to God. And God is the Spirit you are looking for. He is not a physical being like you and I, but He is a Spirit. *"God is a Spirit: and they that worship him must worship him in spirit and in truth."* (John 4:24)

The Bible also says no man has seen God at any time. (John 1:18) They saw His form in the fiery furnace. Shadrach, Meshach and Abednego, because they refused to worship any other gods or images except the one true God, were bound and thrown into a fiery furnace heated seven times greater than usual. The heat from the fire was so intense that it killed the men who threw Shadrach, Meshach and Abednego into the fire. When Nebuchadnezzar, the king, went to see what was happening, he was astonished. He said, *"Did not we cast three men bound into the midst of the fire? . . . Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God."* (Dan 3:24,25) Although the fire was burning around them they were untouched. Their hair was not singed, their garments were not scorched, they didn't even smell like smoke!! This caused the king and all his people to believe in God, *"because there is no other God that can deliver after this sort."* (Dan 3:29) (See Daniel 3 for the story of Shadrach, Meshach and Abednego).

There was another man in the Bible days named Daniel. He loved the Lord and continued to praise and worship Him. Because of this, he was cast into a den of lions. I imagine the lions were very hungry and hadn't been fed in a long time. But God sent an angel to protect Daniel and shut the lions' jaws. I can just see Daniel lying down and resting his head on the back of one of the lions. When he was taken up out of the lions den, no manner of hurt was found upon him, because he believed in his God. (Dan 6:23) King Darius decreed, *"That in every dominion of my kingdom men tremble and fear before the God of Daniel: for he is the living God, and steadfast for ever, and his kingdom that which shall not be destroyed, and his dominion shall be even unto the end. He delivereth and rescueth, and he worketh signs and wonders in heaven and in earth, who hath delivered Daniel from the power of the lions."* (Dan 6:26,27) Although the people bowed down and worshipped other gods, only the one true God, the God in which Daniel placed his trust, was able to deliver him. Praise the Lord!! Once again, God's power and greatness was made manifest.

The following scriptures help to explain what God is like. As you can see from reading the scriptures, God is the creator, He is untiring, understanding, forgiving, redeeming, everlasting, saving, merciful, loving, unchanging, healing, all powerful, holy, jealous, great, almighty, Lord. The wonderful thing about God is that He is still the same today--He is unchanging. What He did in the Bible days, He can, and **will** do today. Praise the Lord!!

"... I am the Lord that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself." (Isa 44:24)

"Hast thou not known? hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding." (Isa 40:28)

"I, even I, am he that blotteth out thy transgressions for mine own sake, and will not remember thy sins." (Isa 43:25)

"I am the Lord, and there is none else, there is no God beside me: I girded thee, though thou hast not known me: That they may know from the rising of the sun, and from the west, that there is none beside me. I am the Lord, and there is none else." (Isa 45:5,6)

"I, even I, am the Lord; and beside me there is no saviour." (Isa 43:11)

"... Great and marvelous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints. Who shall not fear thee, O Lord, and glorify thy name? For thou only art holy: for all nations shall come and worship before thee; for thy judgments are made manifest." (Rev 15:3,4)

"For the Lord thy God is a merciful God. . ." (Duet 4:31)

"For thou shalt worship no other god: for the Lord, whose name is Jealous, is a jealous God." (Ex 34:14)

"For I am the Lord, and I change not." (Mal 3:6)

"... God is love; and he that dwelleth in love dwelleth in God, and God in him." (I John 4:16)

"God is faithful. . ." (I Cor 1:9)

"... Yea, I have loved thee with an everlasting love: therefore with loving-kindness have I drawn thee." (Jer 31:3)

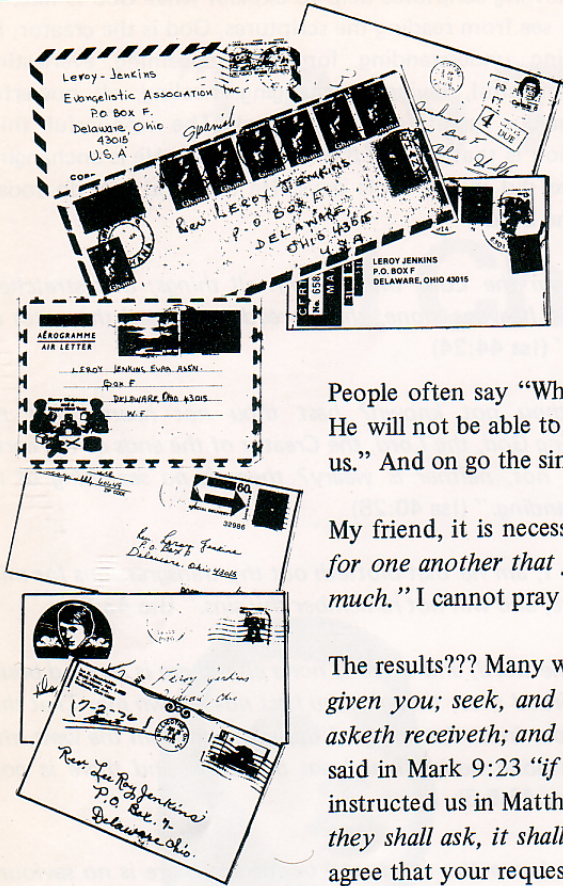

"For I the Lord thy God will hold thy right hand, saying unto thee, Fear not; I will help thee." (Isa 41:13)

"... for I am the Lord that healeth thee." (Ex 15:26)

"He giveth power to the faint; and to them that have no might he increaseth strength." (Isa 40:29)

IF TWO SHALL AGREE . . . IT SHALL BE DONE

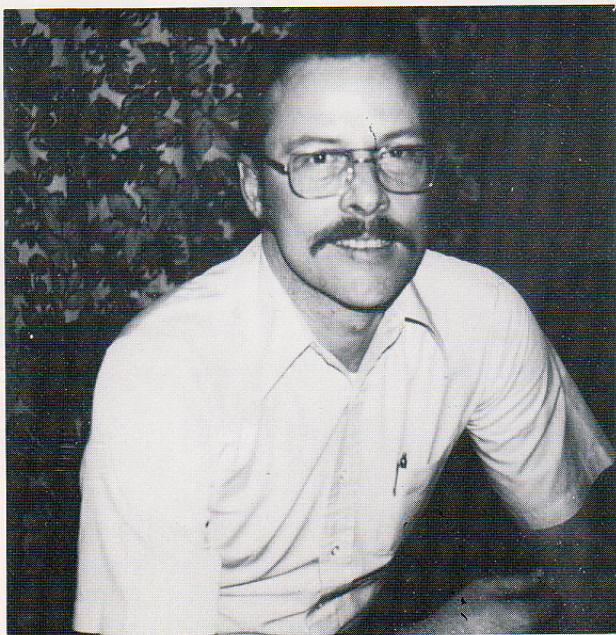

People often say "What good does it do to write a letter to Leroy Jenkins? He doesn't know me. He will not be able to talk with me personally, or touch me with his hand. Many miles are between us." And on go the similar excuses for not taking the time to sit down and write a letter to me.

My friend, it is necessary that we hear from one another. The Bible says in James 5:16 to "...pray for one another that ye may be healed. The effectual fervent prayer of a righteous man availeth much." I cannot pray for you until you write to me and let me know your personal needs!

The results??? Many wonderful things can happen to you. Matthew 7:7,8 says "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." Jesus said in Mark 9:23 "if thou canst believe, all things are possible to him that believeth." Jesus further instructed us in Matthew 18:19 "That if two people shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven." When you write, I will agree that your request will be answered as we pray TOGETHER concerning your needs.

The following testimony is an example of someone who took the time to write, believed, and received a miracle for themselves. God can do the same for you! Please let me hear from you today. God is no respecter of persons! (Acts 10:34)

I TRIED TO QUIT SMOKING, BUT NOTHING HELPED UNTIL . . .

I was a heavy cigarette smoker for a period of at least 20 years. I always smoked at least two packs a day. I decided to stop about 1½ years ago for health reasons; and if you've ever had the experience, you know the agony of withdrawal. It was difficult, to say the least, and always ended in failure. During this time I joined two separate groups of people trying to quit smoking. Both efforts, after some early success, ended in failure.

I wrote in a prayer request asking that the desire to smoke leave me and for strength and energy. Praise God, **this prayer was answered!!** The urge to smoke left completely, and I've felt better these last few months than I've felt in years. I have gained some needed weight, and been able to work without being so exhausted. I wish to give all the glory to God for His goodness to me. Thank God, and thank you, Rev. Jenkins.

ALIVE WITH A DOUBLE DOSE OF THE HOLY SPIRIT

I was raised to believe in God and His power, but my church was small and I never grew spiritually. I got bored and left. I drifted away from God into a life of juvenile delinquency. I was arrested for car theft at the age of 15. I quit school at the age of 17 and was married. My marriage began to fail, and, after several separations, my wife and I were divorced.

Running from responsibility, I moved to California where some "friends" encouraged me to use drugs. I thought they were my friends because they always gave me the best drugs. I eventually started selling drugs. When I was with my friends, I was okay. But when I was alone, I would call out to God in my loneliness. I returned to Ohio and opened up a "head shop"--a store that sells drugs and drug paraphernalia. I couldn't get the business off the ground because I was always stoned. I wasn't happy, yet I was not willing to give up my lifestyle.

My brother nagged me about God and Jesus so much that I would rebel and yell at him in anger. Finally, just to pacify him, I gave in and went to one of Leroy Jenkins' services. At first I didn't know what to think. But when I saw people getting out of wheelchairs and little children healed, I knew this was it! After my third visit, I was ready--I stood for salvation. I brought my former wife to Rev. Jenkins' church, and she too gave her life to Christ. We were remarried shortly thereafter. It was by witnessing the power of God that we were saved.

For 4½ years now we have lived and worked for Christ. I have testified and preached. I am a deacon of my church. My wife and I have two lovely children. We have peace, love and happiness. If it wasn't for the grace of God, I would probably be dead of an overdose of Secanol. Instead, I am alive with a double dose of the Holy Spirit! Praise God!

MY DOCTOR SAID IT HAD TO BE A MIRACLE

For five long years I suffered with severe migraine headaches. They were so bad that I would pass out at work. I was off my feet for ten minutes after one of them hit me. I was under a doctor's care for these headaches.

Six years ago I attended Rev. Jenkins' tent crusade in Delaware, Ohio. He prayed for me and I haven't had a headache since!

My doctor said it had to be a miracle, and that it was a definite act of God. Thank the Lord!

I FEEL JESUS CHRIST IS BESIDE ME ALL THE TIME

I had a stroke in February, 1974. I was just like a vegetable, and the doctors didn't have much hope for me.

Since Rev. Jenkins has prayed for me, the doctors are amazed. The nerve in my left side is working and the vision has come back in my left eye. I am working a full-time job.

I feel like Jesus Christ is beside me all the time, watching over me. My loved ones can't get over the change in me. For one thing, I have overcome the fear of fearing everything. The only thing I am concerned about now is that I won't be good enough for heaven, but I am doing something about that now. God bless you, Rev. Jenkins, and thank you for helping me.

GOD REACHED THROUGH MY TELEVISION SCREEN

I definitely know that I was blessed through your television program. Last year on one of your programs you asked the TV audience to place their hand on any part of their body that needed healing and to ask God for help while you prayed. My shoulder had been bothering me for several years. The doctor said I had severe tendonitis. I was in constant pain. Sometimes it hurt so bad that it was hard to get dressed.

To make a long story short, I was healed immediately and have not been bothered anymore. I know that I will never have that problem again. May God bless you, Rev. Jenkins, and keep up the good work.

I FELT SO FREE AND HAPPY

I had suffered with a female disorder for over nine years. Although I knew there was a God somewhere, I was still inwardly tormented with evil thoughts, and I was frustrated and miserable most of the time.

I was getting ready to go to church one Sunday morning, feeling very depressed, wondering how I was going to solve all my problems. I turned on the radio, and was surprised to hear you telling people about their problems and then praying for them. When I heard the people rejoicing and praising God for touching them, it gave me hope, and I knew I had to see you.

I attended your Buffalo crusade, hoping that you would talk to me. And to my surprise, God sent you to me. You told me all about myself, and prayed for me to be healed. I felt as if a heavy load was lifted from me, and I felt so free and happy.

This experience has brought about a real change in my life. I feel like a new person, and I am determined to live for God. Praise the Lord!!

I KNOW GOD IS REAL

I was attending one of Rev. Jenkins' meetings, when he called me out of the crowd and told me of a stomach condition that had bothered me for over 25 years. God revealed to him my condition and what the cause was. When he laid hands on me, the power of God went through my body, and I was instantly healed. I felt God's power moving in me, and when I finished praising God, I did not feel any more pain.

I am so thankful to God for this great blessing. I now have more joy in my soul. I don't just think I was healed, I KNOW I was healed!! And I know God is real!!

THE STORY OF HER DEDICATION TO CHRIST

In St. John 4:24, Jesus said, "God is a Spirit and they that worship Him must worship Him in spirit and in truth."

What did our Lord mean by this? For years, after surrendering my heart and life to Jesus Christ in the spring of 1948, I pondered this statement by the Saviour. I did not understand it. When I was ten years old, I accepted the Lord Jesus as my Saviour, but I did not ask Him to be Lord of my life--and so I was failure as a Christian. Most of my life I thought of God as being somewhere, "up there," and our Lord Jesus at His right hand, interceding for us. Had I diligently read my Bible, I would have discovered that Jesus promised to send the Comforter (or Holy Ghost) when He ascended into heaven after the crucifixion. Also that the Comforter is here in the world today, ready to indwell the Christian, and lead him into all truth. It is He that convicts the sinner of his sin and his need of a Saviour, and it is He, the Holy Spirit, who draws the Christian into a vital relationship with the Lord.

GIVE MY HEART . . .

Then one Sunday evening my dedicated Christian son, Tom, asked me to give my heart and life totally to Jesus Christ. I did this and something drastic and wonderful happened in my heart--it was so overwhelming that I was afraid to "let go and let God" have His way. I asked for a week to make up my mind--and when I went home that night, the tears I had seen in my boy's eyes burned their way into my heart. His sincerity as a Christian had humbled me, and showed me the tinsel and shoddiness of my life. As I sat there in that Baptist church in Hollywood, my heart could see Jesus on the cross of Calvary, loving me, and giving Himself for me. When I left for my home, I was completely convicted of my sins, and I realized that I must now hand over my life completely to the Lord Jesus. I also had to ask Him to come into my heart, and make me a new creature, to be used of Him for His glory. Before I went to sleep that night, my past life unrolled before me, and I was sick at heart because of my failure to follow the One who could have made my life really count. The Holy Spirit was bearing down heavily upon me--and I promised God I would publicly acknowledge Him the next Sunday. And that is exactly what I did, praise His name! When I walked out of the prayer room with a tear streaked face, I walked out with a new heart and spirit! I had asked the Lord to make my life over, to break it, if necessary, in order for Him to use me however He saw fit. And He did just that.

I FELT GOD . . .

A year later the breaking began. Robin, our darling little girl, and the only child born to my marriage to Roy Rogers, was born a mongoloid. She also had a defective heart. These were trying times, but the night I came home from the hospital, I experienced for the first time in my life, the presence of the Holy Spirit. I had wept for hours over little Robin, but that night after finally falling asleep, I suddenly awakened. It was about 3:00 A.M. and the bedroom was in complete darkness. I knew however, at that instant there was a Presence in the room with me. It was the most wonderful, overpowering feeling I ever had in my life! I did not see an apparition nor a blue light, but I FELT GOD! I lay there afraid to move.

Finally I mustered up enough courage to say, "Thank you, Lord, I know You are here. Whatever You want, I want . . ." The experience lasted perhaps half an hour, but it strengthened me inwardly, and gave me that peace that passes understanding about little Robin. Now I know it was the Holy Spirit, preparing me for the struggle with our little, "Angel Unaware," and her departure two years later.

On the afternoon she left us for her heavenly home, I HEARD in my heart a Voice, which said, "I am taking her today and everything is as it should be; Robin is perfectly safe." The following day, I had a calmness and peace which only God can give.

Then in 1963, Roy, the children and I, did a personal appearance at the World's Fair in Seattle, Washington. One noon, as I was having lunch, I noticed two clergymen across the room. They smiled, and crossed over to my booth, and asked if they might chat with me. They were attending a Full Gospel Business Men's Convention in that city, and they asked me if I had ever experienced the "Baptism of the Holy Spirit." I answered that I had experienced the presence of the Holy Spirit at various times, and nearly always during times of great stress. They explained there was "another blessing" in store for me, if I would but accept it, and asked if they might pray for me there in the restaurant. We quietly bowed our heads and each of the ministers prayed that I might receive the fullness of this blessing. One minister was from the Dutch Reformed Church and the other from an Episcopal church in Van Nuys, California. I felt strangely happy, but had to leave almost immediately to get to the performance. When I got back to the hotel room, there was no one there, as Roy had already gone with the children and our helper. Timidly, I knelt on the floor and asked the Lord to express Himself through me in prayer by the power of the Holy Spirit. I asked Him to use my voice to pray according to His Will. After just a few seconds, some rather strange words came from my lips, and then started a flow in a definite pattern, or language. I did not know what I was praying, but trusted it was the Lord's Spirit using my tongue. So many times I had not

DID YOU KNOW THAT GOD GOES ON VACATION, TOO?

God was pleased with all He saw as He looked over His creation. He saw everything that He had made, and beheld that it was very good. (Genesis 1:31) Then, God did something else as an example for us to follow -- He RESTED! He ended His work and rested! In the very beginning of God's Word, He says He blessed that rest and sanctified it. (Genesis 2:2-3)

Later in the history of the Israelites, God had to re-establish that rest as a commandment that His people could re-learn His ways. The Egyptians had kept the Israelites in bondage for 400 years, toiling, slaving, laboring ever harder with increasing punishment heaped upon them by their cruel taskmasters. (Exodus 1:7-16)

God in His mercy and goodness wanted to show the Israelites that He was in no way like the cruel Egyptians. He kept their clothes intact, He fed them by miracles from His own hand, guided and protected them by even greater miracles, and He gave them commandments to keep them in His ways. (Exodus 14 through 17)

In setting down those commandments in Exodus 20, God gave the most emphasis to two: Keep God first in all things (verses 1-7,) and rest on the seventh day that was blessed and hallowed by the Lord (verses 8-11.) This is the day we are to meet the Lord with our fullest attention.

But sometimes it seems that a day isn't long enough. Sometimes we need a period of rest to be alone with the Lord in a place where we will not be distracted...a place where we can *"rest in the Lord, and wait patiently for Him."* (Psalms 37:7)

The Psalmist, David, knew special places where he could give his fullest attention to the things of God. So many of his beautiful psalms were sung to the Lord in the green pastures of rest and beside the still waters of refreshing. The beautiful creation of the Lord uplifted Him and here he could encourage himself in the Lord. Here he could give to God thanksgiving and joy from his overflowing soul. Here he gathered unto his soul and to his own spirit that strength he would need in days to come when responsibility and adversity would be so great against him.

So often we need a little extra time at that special spot for refreshing--like the special spots that David had--where we can devote our fullest attention to the Lord and His goodness and His special will for our lives. If you have vacation time left, **GOD WILL GO ALONG WITH YOU!** Take some of your vacation where you and the Lord can commune with undivided attention. The gentle and soothing music of the woods-creatures, of a stream cascading down a mountain, or of water caressing a sandy beach all give us a unique peace and remind us of the fact that God is very much alive.

And I would like to invite you to another special place where God is very much alive. People who come to Holy Hill Cathedral, and people who attend my crusades, will tell you that the Living God who created the heavens and the earth is very much alive through the ministry God has given me. God's power is manifested to restore lives, bodies, hearts and souls at each service and crusade. I invite you to join us and give God your undivided love and attention.

"Come unto me, all ye who are heavy laden, and I will give you rest." (Matthew 11:28)

Dale Evans (cont. from pg 7)

known how to lift my voice in praise and trust to God; and now I felt that He was speaking through me. Suddenly I was tempted to think, "What if this sound is being made by me and not by the Lord?" Of course, that is exactly what Satan wanted me to do; to always end in doubt and defeat. I quickly rose to my feet and went to the show, and did nothing more about praying in the Spirit in that manner for almost a year.

BLESSING OF THE SPIRIT...

Then in May of 1964, a marvelous man of God held a "closed" prayer meeting at our church, a meeting for members who wanted the full blessing of the Spirit. I went, and the Lord loosed my tongue, and the blessing was tremendous. After that, when I had my prayer time, I prayed in the Spirit. The Lord gave me such boldness in witnessing after this, that when I was asked to fill the pastor's pulpit one Sunday, I preached a full sermon on the theme, "His Name is Wonderful." I felt His spirit pouring through me, quoting scriptures that were not even in my notes.

Three months later, little Debbie Lee, our adopted Korean-Puerto Rican child, was killed in our church bus, while returning from a visit to an orphanage in Tijuana, Mexico. The Holy Spirit took hold of me, after the initial shock of the news, and led, unfaltering, through all the arrangements for the funeral, since Roy was in the hospital with a staph infection, following a dangerous spinal fusion. I now know that the Lord drew me into that closed prayer meeting three months before, to get me ready for this new test. He had allowed me to see our Debbie kneel at the altar at worship service the day before she was killed--in rededication of her life to Christ.

In October of 1965, our adopted son, Sandy lost his life in Germany, following a dare to drink an unbelievable amount

of liquor in a few minutes. He had just made PFC, and had learned to drive a tank, and was goaded into "wetting down the stripe" by some of his buddies. As a result of doing this, he strangled. Thank the Lord, Sandy had previously accepted Christ as His Saviour, and though he did a foolish thing which cost him his life, I have no doubts about Sandy's place in eternity. The Spirit again comforted and strengthened me, and gave me a wonderful measure of understanding.

ASTOUNDING THINGS HAPPEN...

It never fails to amaze and delight me to see how the Lord's Spirit will take over a person and use him mightily, even if that person is not what the religious world calls a "man of letters." I have watched LeRoy Jenkins before he goes out to preach, when he steps forward and "stretches out his arms," the Spirit takes hold of him and astounding things happen.

I do believe the Spirit of God is falling afresh all over the world, healing, giving spiritual gifts, and drawing in the net of believers toward the coming day, when our Lord will break the clouds in Glory and gather to Himself His Body of Believers.

THANK YOU LEROY...

Thank you, LeRoy, for the opportunity to share my testimony with your readers--and may the Lord bless, strengthen and guide your ministry to a sick world.

A PERSONAL WORD FROM LEROY JENKINS

God Gave Me A Miracle Diet

God intended for us to have healthy bodies and minds. But sometimes we don't obey God when we eat things that make our bodies and minds weak.

I have been on a special diet for several months now, and God has laid it on my heart to encourage each one of you to eat right. This health diet has been studied and tried by several people and has been found to be the easiest one to stay on and the most sufficient in vitamins and minerals.

This diet has been proven to establish your weight to what it is supposed to be. Some remain the same weight, some lose weight gradually until they acquire their desired weight, and some gain weight. If you stay on the exact diet plan, it will work for you.

Perhaps you have heard of the well that God directed me to drill. God told me that thousands of people would receive healing as they drink the water from this well. The water even tastes different than water from other wells in the surrounding area. Already many testimonies have reached me from grateful people who have been healed as they drank this water. Thank God!!

I have opened a Health Food Store here in Delaware at the church to provide you with the necessary items for this diet, as well as the water. This has added a greater workload on my staff and me, but I feel it will be a great convenience to you. I have arranged to ship a month's supply of the diet ingredients, first class to your door. We cannot ship the water, EXCEPT IN THIS PACKAGE, but you may obtain the water at our Health Food Store when you are here in Delaware. Now it is up to you to do the rest.

I am human just like you, and there are only 24 hours in my day. I have a family to take care of as well as thousands of people who depend on my ministry. If I didn't take care of my body, I would not be able to do all I am doing for God.

Why don't you start right now, and say, "Lord, I am going to eat the things that will make my body and mind healthy, so I can do more for You. Help me, Lord, to break my bad eating habits and to follow this diet plan that You have given to Your Prophet."

Our Health Food Store is open from 8:00 a.m. until 5:00 p.m., Monday through Friday, on Saturday from 9:00 a.m. until 7:30 p.m., on Sunday from 9:00 a.m. until 11:00 a.m., and one hour after each of the services on Saturday and Sunday.

The Health Food Kit includes one month's supply of the following:

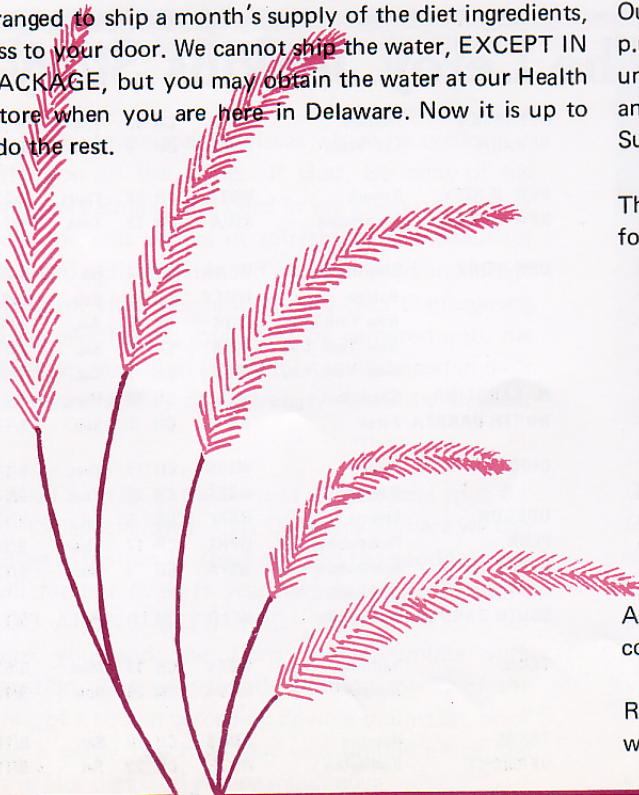

Breakfast Drink: A mixture of seed meals
A bottle of wheat germ oil

For Salad: A bottle of safflower oil
A seasoning of 21 ingredients
Alfalfa seeds for sprouting

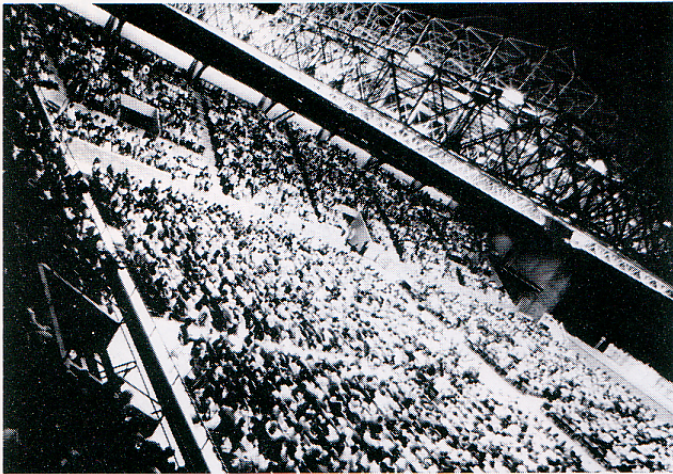

Miracle Water: From God's Well, packaged in Health Food Kit **ONLY**. (Sorry, we cannot mail it separately at this time.)

A copy of the diet will be included, too. The cost of \$40.00 covers packaging and first-class mail delivery to your home.

Read in next month's magazine testimonies given by people who have been helped by the water and the health diet.

CRUSADE REPORTS

Canton, Ohio

The second crusade at Canton, Ohio, on June 27th proved to be even more tremendous than the first one! Rev. Jenkins' Canton friends showed their excited appreciation for the blessing they received through praises to the Lord in singing as the service began. Sharon Peck and the Revival of America Singers opened the service and lifted the faith of the people with several songs, including "Rise and Be Healed." So many had come to experience that very blessing!

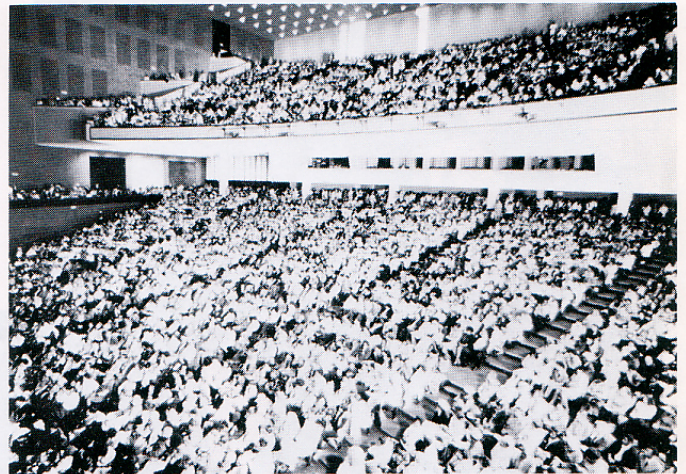

Jerry Jordan and the Jordans followed to inspire the people even further. After many years, Bruce and Jerry Jordan still hold deep gratitude to the Lord for their healing from paralyzing polio. The joy and strength in the Lord that they and their lovely wives convey is a great witness of the benefits of belonging to Jesus Christ.

Then, the vast crowd of 8,000 stood in respect to the chosen, anointed prophet of God, Leroy Jenkins. As he sang to the Lord and stood in representation of the saving, healing and delivering power of the Lord, faith soared even higher.

When the Lord led His servant into the crowd to minister to the people, several were healed of deafness instantly. Lungs and hearts were repaired and restored. Cripples were released to freedom with joyful praises on their lips and a spring in their step. One woman left her cot for good! Drug addicts were set free. It's no small wonder that hundreds of people stood in answer to the invitation to accept Christ.

Sharon Peck and the Revival of America Singers

Chicago, Illinois

The feeling of contagious excitement ran through the waiting crowd at Arie Crown Theatre like electricity. Since all available seats were filled, Rev. Jenkins opened the crusade one hour early.

The Chicago people's attitude, expectancy and faithfulness in their support overwhelmed their evangelist so that he had to let them know how much he loved them. He poured out his love; so the people, in return, gave their love in testimony of the blessings on their lives through the ministry of Leroy Jenkins.

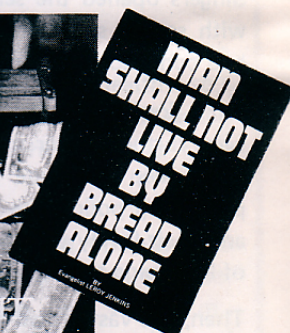

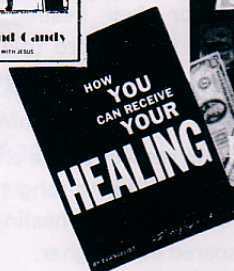

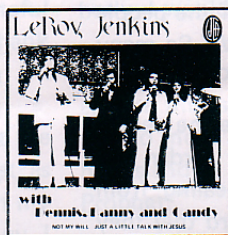

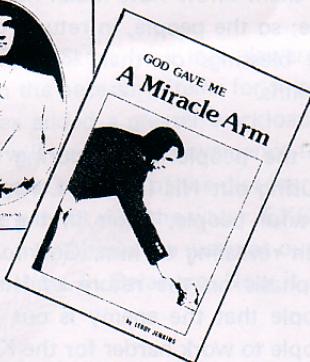

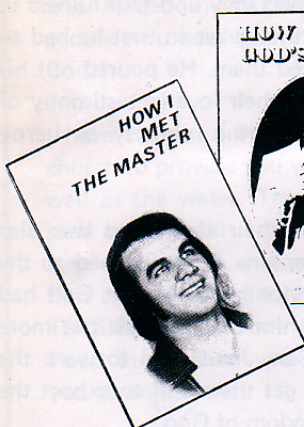

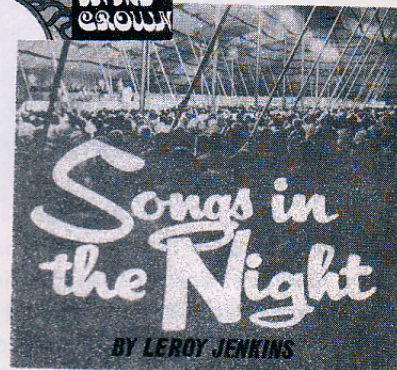

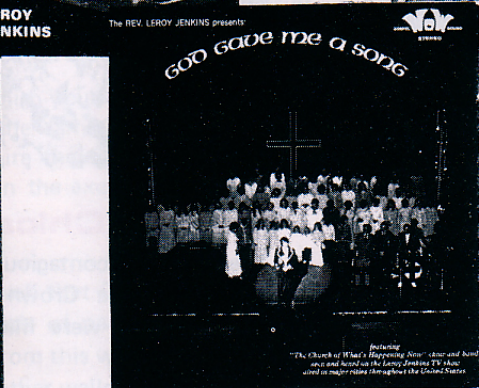

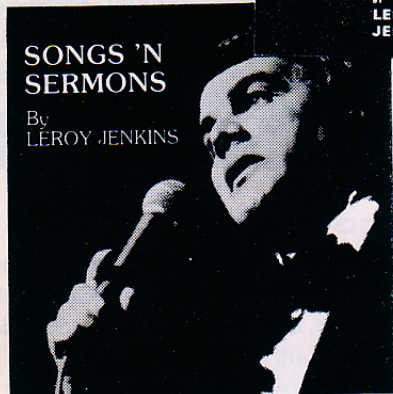

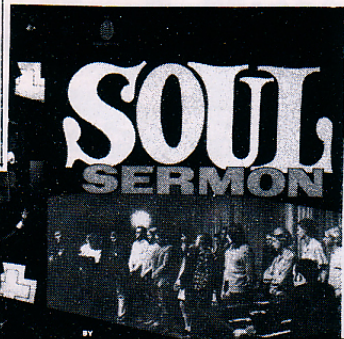

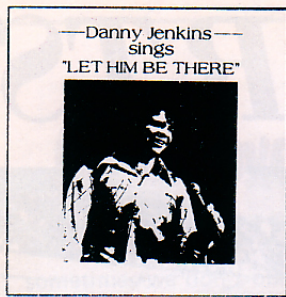

As the people were pouring out their love, God was also pouring out His love to Leroy Jenkins as he listened to the grateful people. Later in the service he told what God had been revealing to him. God told him that he must put more emphasis on the return of His Son, Jesus, and to warn the people that the enemy is out to get them and to exhort the people to work harder for the Kingdom of God.

God assured Leroy Jenkins that there is not another man alive that He has given the gifts of the Spirit, as God has given to him. God told him that **millions** would be saved and healed through this ministry.

Then God warned of a great storm to go around the world and across this country. But, being a God of mercy to His people, He also said, "*I am the rainbow in the storm!*"

When the great crowd obeyed God's command to stand to their feet and shout praises to His Name, He then poured out blessing upon blessing upon them. Leroy Jenkins told the 1,200 people with cancer to stand for healing. He told the 427 diabetics to stand for healing. He told the 5,000 with eye problems to stand for healing, and the 223 drug addicts to stand for deliverance. God swept across the auditorium with His powerful Spirit to cleanse and heal the Church of Jesus Christ to get them ready for the great day of His return!

"I Am The Lord..." (cont. from pg 3)

God's promise to those who believe in Him is, "When thou passeth through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee. For I am the Lord thy God, the Holy One of Israel, thy Saviour." (Isa 43:2,3) Isn't it great to know that we can serve a God who is all powerful, and able to deliver us from whatever the problem. Thank God for His goodness!!

God tells us in His Word that He is no respecter of persons. (Acts 10:34) And if God did it before, He can do it again!! If God has ever healed anyone, He can do it again. If God has ever saved, delivered, or filled anyone with the Holy Ghost, He can do it again. And the amazing thing about God is that He not only can, but He will.

Ladies and gentlemen, God is real and is still performing miracles in the lives of people all over the world. He is still in the miracle-working business. The greatest miracle of all is when a person's life is changed--when they believe on the Name of the Lord Jesus Christ.

My prayer for you this day is that you would let God be real in your life, and that you would receive the miracle you stand in need of at this moment. It doesn't matter whether it is for you or a loved one, whether it is spiritual, physical or financial. God is able to meet that need. If you believe this, or will at least give it a try, pray with me now:

"Father, I ask that you become real in my life. I want to feel your presence and know beyond a shadow of a doubt that you love and care for me. I ask that you perform a miracle in my life, and meet all my needs. I ask all this in faith, believing that it is done, in the Name of Jesus Christ, Amen."

As God becomes real in your life, please write and tell me how the Lord is moving for you. Remember, we are overcomers by our testimony. Once you feel the power of God, and once God does something for you, you will never forget it. And nothing or no one can take away God's love from you.

"For I am persuaded that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord." (Rom 8:38,39)
